convincing the world he did not exist"**

promises you anything you want in return for sheckles,
silence, servitude, sacrifice and your soul.**

PREFACE

I dedicate this work to my sons, Charles, King and Zeus. I have loved you from the second you were born, I have fought for you all day every day since you were unlawfully kidnapped from me in 2020 for exposing serious crimes, sacrificed, abused and tortured at the hands of criminals connected to and protected by a Lord to save themselves, who used Lawfare against me to lie, attack, bully, threaten, slander, defame, silence and commit crimes against me. Everything I have done has been for you, you are my world.

I dedicate this work to all the children, the survivors of Genocides, War Crimes, Terrorism, Trafficking, Fraud, Treason, SRA, Crimes Against Humanity, may peace, justice, accountability, honor and valor finally come.

Finally, I dedicate this work to all the criminals, the haters, the liars, the demons henceforth exposed with material evidence, if it wasn't for all of you, I would not have become who I have become. I am eternally grateful for your torture; you showed me your true nature, gave me the gift of sight and truth.

THE DEVIL IS A LIAR

"THE TRUTH SHALL SET YOU FREE"

My mother has just been whatsapp scammed out of £750 and I am reporting it on here as I have no doubt in my mind the police will do absolutely fuck all and the bank will do fck all.

My eldest brother sent my mother £750 as our freezer broke a couple of days ago.

I will say at this point Wayne Walker / Elieen Walker & Associates have her number.

They have commit bank frauds previously, as reported at the start 2020 using paypal / santander / natwest scamming accounts of people to the tune of \$5K per account scammed.

This was from an associate in prison for similar scams.

Yesterday She received a message in the existing conversation between her and my brother saying his phone was broken and he needed the money back to pay a bill and would transfer it back today.

She transferred the £750

Those messages have disappeared, Andrew is saying he hasn't got the money and the bank is saying it is Organised Crime/Fraud.

Very few people have her number.

Its limited to The State, my brothers, Wayne Walker & Associates, a couple of other people, her banks, a couple of shops, and me.

CRIMES AGAINST HUMANITY MONSTERS MANSION ASSASSINS CREED

Recognizing that I volunteered as a Ranger, fully knowing the hazards of my chosen profession, I will always endeavor to uphold the prestige, honor, and high esprit de corps of the Rangers.

Acknowledging the fact that a Ranger is a more elite Soldier who arrives at the cutting edge of battle by land, sea, or air, I accept the fact that as a Ranger my country expects me to move further, faster and fight harder than any other Soldier.

Never shall I fail my comrades. I will always keep myself mentally alert, physically strong and morally straight and I will shoulder more than my share of the task whatever it may be, one-hundred-percent and then some.

Gallantly will I show the world that I am a specially selected and well-trained Soldier. My courtesy to superior officers, neatness of dress and care of equipment shall set the example for others to follow.

Energetically will I meet the enemies of my country. I shall defeat them on the field of battle for I am better trained and will fight with all my might. Surrender is not a Ranger word. I will never leave a fallen comrade to fall into the hands of the enemy and under no circumstances will I ever embarrass my country.

Readily will I display the intestinal fortitude required to fight on to the Ranger objective and complete the mission though I be the lone survivor.

Rangers lead the way!

Ezekiel 25:17. "The path of the righteous man is beset on all sides by the Inequities of the selfish and the tyranny of evil men. Blessed is he who, in The name of charity and good will, shepherds the weak through the valley of Darkness, for he is truly his brother's keeper and the finder of lost Children. And I will strike down upon thee with great vengeance and furious Anger those who attempt to poison and destroy my brothers. And you will know My name is the Lord when I lay my vengeance upon thee."

The reason we show them no mercy is because they deserve none.

As above, so below

In 2023 Middlesbrough council took Rangy Latif to court saying they felt alarmed, harassed and distressed by stickers on his van exposing state sponsored child trafficking based on his own true

story, with material evidence, they ignored against themselves for 13 years.

During the Trial, armed police had been stationed outside the court we were in, we went to lunch and left our bags with security. When we returned a masonic cut throat blade had been put in Rangy's briefcase whilst it was with security. When we came in he noticed his briefcase zip at the back was open and a bulge in the bag, he said to the security to Open it and remove whatever had been put in there. It was the blade. He asked them to dispose of it. We asked to see the cctv footage as obviously it was someone from inside the court that did it, they refused. We reported it to the clerk of the court to report to MASONIC BRETHREN MARK GARGAN, after 10 mins he came back in and resumed the trial as if nothing had happened, he did not ask if Rangy was ok despite a direct threat to his life. He was not concerned for Rangy's welfare, nor for thousands and thousands of Victims of state sponsored child trafficking victims/families he supports nationwide, nor Rangy's abuse or his own children abused by the system, his own concern was the hurt feelings of the EXPOSED criminals at the council. The night before Rangy had received a text from someone he knew inside the court saying to watch his back, they were going to try to do something.

Had he not have noticed it, the conveniently placed armed police for a trial over stickers, could have searched him on re-entering the court and done him for an offensive weapon and / or tried to accuse him of being a terrorist or threatening to kill/harm a TRAFFICKER MASONIC DEMONIC SATANIC PAEDO TERRORIST

I called Cleveland to report this found here:

[101 Call to Cleveland police · · Orangzabe · LCS News](#)

I reported it via email to Cleveland police including death threats Rangy had received via text, they did nothing, they ignored it all for 13 years. It is the same in EVERY TOWN AND CITY ACROSS THE ENTIRE COUNTRY.

THEY HAVEN'T JUST NORMALISED EVIL, THEY IDOLISE IT AND MAKE EVERYONE ELSE IDOLISE IT AS WELL

Sir Brian Langstaff

You wont know but the others do.

I sent legal bundles recorded delivery into a number of prisons to innocent prisoners under rule 39 prison rules - legal correspondence which by law they are not allowed to interfere with.

These innocent prisoners, no different to myself, have been targeted, scapegoated, or had lawfare weaponised against them to silence, to torture, to punish them, trafficked for profit by satanic paedophiles, satanic traffickers, satanic freemasonry, satanic courts, PROVEN.

A number of these did not make it into the hands of the prisoners and I have caught a number of prisons in mail fraud, receipts posted on all social media at the time, prisons and governors informed in writing.

I wanted to inform them of the crimes that were being commit against them in prison and their loved ones outside.

Prisoners were force vaccinated with a military grade court proven gene editing bioweapon under threat of having their privileges taken away, visitations cancelled, parole / release delayed.

The inmate that received a copy at HMP Frankland - Monsters Mansion shared it round as I requested.

It was received by a high ranking combat Veteran, regularly visited by other high ranking military, including Brigaderes.

He was out one night with his wife, a deranged bouncer went to punch her in the face with a closed fist for no reason. The Veteran went immediately into combat mode as he is trained to do to protect his wife and knocked the bouncer to the floor before he made impact. This bouncer went and got 6 other bouncers who returned to fck him up. Their mens rea, their intent, was to kill, his intent was self defence.

Still in combat mode, he defended himself to the best of his abilities from a 1 v 7 big egos wanting to kill him scenario.

He left unscathed, 2 of them died from punches alone that knocked them out and they died as their heads hit the pavement

Nothing happened to the remaining 5, he was sent to prison for life. I firmly stand by my opinion after reading his story this is a grave miscarriage of justice.

This Veteran passed my details around and I was contacted by many inmates directly with evidence of their innocence and corruption of the legal system in their cases. Monsters mansion made me little cards and sent me notes.

The wife of John Hasse, Liverpool Gangster, contacted me and asked if I would be a witness in his court hearing coming up.

John had been released from prison in 2019 after a long stretch, an arson occurred, he was accused with zero evidence and 9 witness statements that put him elsewhere. John, anti government, was remanded back to prison despite the evidence.

Due to covid, courts closing for a year and a half before returning virtually anyway with a 500,000 case backlog, kept delaying the hearings.

I went to this hearing in Sheffield, it lasted an hour, he was on screen but said nothing.

The entire hour was the lawyers on all sides and judge noncing, poncing, peacocking to decide when the next hearing would be.

Total farce. The others accused of the same crime were not remanded and out on Bail.

John was being targeted and he had evidence of his innocence in this crime, which they intentionally ignored before they threw him in prison for profit / torture and refused to acknowledge until a trial which they were also intentionally and maliciously delaying thereby making as much money off his back as is humanly possible. Found guilty at trial, despite evidence which they always ignore if it doesn't suit their plans, was a set up by the Home Secretary.

Is John worse the drug cartel big harma, it's blackmailed blood money minions and their billions of victims of their genocidal crimes?

You know the answer.

The others were similar sad tales, Judges being caught discussing outcomes in advance in hallways and bathrooms with their masonic barrister buddies on both sides.

Worse still were the 2 hearings by same Recorder of Sheffield Masonic Demonic Paedo Terrorist I witnessed before John Hasse.

1st was a young lad who'd physically assaulted an undercover police officer in a brawl on a night out, he got a slap on the wrist "naughty boy"

2nd was a woman whose mother had been abused in a care home, she had stood up for her mother, had evidence and had reported those crimes over a period of 13 years and been ignored by all and worse called "crazy", "care" abuse home for profit owned by masons, police more masons, courts / Judges more masons.

She was depressed, distraught and suicidal because of their treatment of her and her mother.

Shed called 999 on 20 or so occasions for help.

Their response was to take her to court for wasting their time.

At the start of the hearing, the Judge slammed a huge bundle of documents on his desk, her evidence, he said he hadn't bothered to read any of it.

The trafficker impersonating a judge sent her to prison for 16 months from memory for this straight from the court room.

I was the only witness as the entire room berated her in front of her face like she wasn't there, casting shame and guilt on her like she was a terrorist.

She looked up to the gallery where I was and mouthed silently over and over "HELP ME"

In 2022 a friend of a friend was locked up in a psych ward for being a "Conspiracy Theorist" that's it

He had been sending notices with evidence to the council / courts / cops / NHS with material evidence

The council said he was not allowed to be near his children nor live in their family home if he was ever let out

They threatened the mother saying they would take them away if she allowed him near them

They force drugged him for months before they did any kind of "assessment"

They had no court orders to keep him but wouldn't let him leave or else they'd take his children

I wrote a notice to them, cc'd the psych ward and authorising Dr in question on my diaries with 450 others and outlined the proof that everything he had said was factually accurate and they had no basis upon which to keep him or place any restrictions on him

The next morning I drove alone to the psych ward, I took 2 phones and my laptop. One to live stream and one to call a military man, my laptop to present the evidence.

I started live streaming outside, went to the Reception and asked to speak to his Dr, they said he was not available and why was I there. I explained I had served them notice on email, to check and I was here to collect my friend and needed to speak to the authorising "Dr"

They said they would get someone

I sat at a table in the waiting room, opened my laptop and called my phone a friend from the military

Out came the matron, masked up, crazy eyed

She sat down, she looked visibly scared by her demeanour and eyes

As I started to explain and passed over the floor to my learn'ed military friend

She switched, she squirmed in her chair and jumped up like she'd seen a ghost

She said, she had to run and do something quickly

Ran in to the office by the reception, they closed the shutters, they set the alarm and they locked all the psych ward doors like I was a terrorist.

All still whilst on livestream and on the phone.

I waited for 5/10 mins went to Reception desk where the office staff were cowering behind the door.

I decided to exit the building for my own safety.

Outside on the wall, I concluded my call, opened my laptop, and immediately emailed round on the diaries what had / was happening and put the link to the live stream as proof so they couldn't lie and say its attacked/assaulted them in any way.

After this I went to the nearest police station, reported their crimes against this innocent man, later reported this on the diaries also.

On my drive home I received a WhatsApp from the guy in the ward he'd been visited and told he would be released and could go home, the next morning he was.

I had never seen anything like it, INNOCENT PEOPLE DO NOT RUN, they knew exactly what they were doing to innocent people in that hell hole and their reaction, caught on video, shared live, proved it.

How many people nationwide have they done this torture to to SHUT THEM UP FROM EXPOSING THE CRIMES OF STATE WHILST PROFITING OFF IT, the actual number is grotesque.

So do I feel sorry for them? No, no I do not

As for the dead, as I told you, TV Doctor, I'm sorry for his family, truly I am.

However, the reality is, Dr Shipman was a convicted serial killer in prison with a whole life order for giving fatal doses or incorrect/over prescribing legal drugs that killed 250 patients, he targeted the vulnerable, the elderly WHO TRUSTED HIM AS A THEIR DOCTOR

There is NO DIFFERENCE whatsoever between what this man did and what any person who was paid to psychologically manipulate 5.55 billion people to inject themselves with a military grade court proven gene editing bioweapon.

They called him The Angel fo Death in homage to Nazi's Dr Josef Mengele.

Dr. Josef Mengele, also known as the "Angel of Death," was a Nazi doctor who conducted inhuman experiments on prisoners at Auschwitz. He tested whether injecting dyes could change the color of a person's eyes, operated on children without anesthetics, and infected twins with tuberculosis and spotted fever. Many children died during these experiments, and others were deliberately killed.

The action and the consequences of Dr Shipman, Dr Mosley and ANY INDIVIDUAL WHO PROMOTED OR ADMINISTERED OR IGNORED OR IS COVERING UP OR AIDING AND ABETTING the military grade court proven gene editing bioweapon are the same in that they are directly responsible for peoples deaths, an estimated 35 million, that's gone up from what it was 28 million.

They've all been asked to stop and have ignored the evidence against themselves for 1561 days which in and of itself clearly shows their intent / men's rea.

So it should absolutely be capitulate, whole life order or die

I have informed Monsters Mansion.

Meanwhile, the zionist owned mainstream media, idolise him and want everyone else to as well. They have memorials to honour him BUT NOT the 35 million dead or 2.2 billion seriously injured which he and everyone else directly contributed to.

Dutch researchers say there have been 3 million excess deaths in 47 countries during 2020-2022; this could be 35 million globally

<https://expose-news.com/2024/06/07/3-million-excess-deaths-in-47-countries/>

Are you people for real?

WHERE THE FCK ARE MY CHILDREN?

Oh yeah, in the hands of PROVEN/CONVICTED frauds, psychopaths, murderers for fun, paedophiles who cover up incest (as reported to you at the start)., drug traffickers, sex traffickers, rapists, thieves and pathological liars, THANKS TO ALL YOU DEGENERATES.

I hope the underworld RIP YOUR FCKING HEADS OFF with blunt instruments. #SharkBait

TV Doctor still missing and yesterday the Denmark PM was attacked in the street.

Start of things to come because when you decided to kill us and or enable others to kill us, rape, torture, poison, sacrifice, steal and traffic all children to line your own pockets and then have the fcking audacity to put your egos before protecting all of us and haven't stopped it, despite that being THE ONE JOB WE PAY YOU TO DO, enforce the rule of law, every single one of those 35 millions innocents blood is provably on ALL OF YOUR HANDS

I suggested a worldwide sniper competition for the farthest kill shot for genocidal psychopaths, satanic paedophiles, Traffickers, treasonous tramps, their enablers, their bloodlines. Current record is 1.4 miles away from the enemy combatant killed.

Could be anywhere at any time.

You have a great day, please refer to the law of war on self defence as bioweapons are a war crime and the Ark Project War Diaries 2020 -2024 - Emails from Heaven to Hell PROVE you have all been noticed in writing, in legal and lawful enforceable documents, electronically, hard copy, in person, on video, on all social media platforms with everyone tagged in, via phone, in courts, by

thousands and thousands of people, thousands and thousands of times, all day every fcking day for 4 years of war crimes, genocides, crimes against humanity with material evidence

Capitulate or Die you fckers are BATSH*T INSANE, need a time out, a white jacket and psychological assessment.

Much Love

Hope

Now, having come from the underworld with a VIP hell pass, I know, there's way way way more of them than any of you.

The rules are the rules, the law is the law.

We have of course covered off a large number of crimes the system and all it's incumbents have commit against We The People, the majority.

Let us remind ourselves of what the royal collective "you" did to David Noakes and his wife.

[David Noakes - Wikipedia](#)

David Noakes created a business to sell GcMaf, he cures 10,000's of cancer patients, some I know personally. The satanic cult you are all part of couldn't have that though could they, healing people is directly against their documented genocidal/poisoning agenda for profit, always been.

So, they arrested him and his wife, stole everything they owned, all money, all assets, destroyed their lives, slandered and defamed them and GCMAF across zionist owned MSM, unlawfully thrown in prison with a warrant signed "A Death" as some sort of sick joke, which they found hilarious

DMSO is another one, it used to be used in hospitals as it was cheaper and effective.

DMSO—dimethyl sulfoxide—is a simple by-product of wood and has been called a “miracle” drug, capable of relieving pain, diminishing swelling, reducing inflammation, encouraging healing, and restoring normal function. In this groundbreaking work, award-winning health science writer Dr. Morton Walker examines the powerful and compelling case for the use of DMSO in the treatment of many debilitating disease and health-related problems. In *DMSO: Nature's Healer*, Dr. Walker cites documented cases of its astounding use in healing and prevention of a host of health disorders, including arthritis, stroke, cancer, mental retardation, and sports and auto injuries. He also recounts the dramatic story of the long struggle to gain FDA approval of DMSO.

[Healing with DMSO: The Complete Guide to Safe and Natural Treatments for Managing Pain, Inflammation, and Other Chronic Ailments with Dimethyl Sulfoxide: Vollmer, Amandha Dawn: 9781646040025: Amazon.com: Books](#)

The Drug Cartel Big HARMA couldn't have this though, so they banned it, slandered it, created a synthetic version which they charge the hospitals at up to £2,500 per ml as opposed to \$30 for 300 ml DMSO, which they rinse us for. IT IS A CON.

(12 drops GcMAF & 12 drops DMSO is the magic healing combo)

NEXT, there is another important factor which relates back to previous points made with referenced evidence regarding the cretinous genocidal satanic "Elites" (NOTHING ELITE ABOUT THEM) / military / human slaughter houses / blood / organ / trafficking which they MAKE BILLIONS from. All repeatedly referenced over the years.

8 MILLION children go missing every single year without a trace, 213,000 in the UK, which is ABSOLUTELY WITHOUT DOUBT IMPOSSIBLE in the surveillance state in which we live where they listen and track you 24/7/365, you can be unlawfully arrested and thrown in prison on the same day you post a tweet they don't like and that is not an exaggeration, we have examples.

[Cannibalism, Blood Drinking & High-Adept Satanism: Barker, Kerth: 9781878411723:](#)
[Amazon.com: Books](#)

This was written as a response to reader feedback from my first book Angelic Defenders and Demonic Abusers. It talks about Satanism as a powerful worldwide movement. It talks about the minority of Satanists who practice cannibalism and blood drinking. And it talks about the High-Adept Satanists who are masters of the occult. This book also suggests a connection between Global Satanism and Alien intelligence. Although I am a Christian, I think that persons who believe in other philosophies would also find this book to be of interest. And some Satanists would find my insights to be of interest. Below is a quote from this book. In it I tell the story of a visit I had as a child with two aristocratic cannibals known as the two sisters. For this story I gave them the names of Nancy and Bernie. I made this visit to their mansion with a man who had the nick name of the Baron because he behaved like a robber baron. "After the meal thankfully ended, they took us to see their Satanic temple which they had constructed in their basement. The two sisters took their religion very seriously. So showing us this temple was a big deal for them. And as bizarre as it may sound, in a sense, both the Baron and I felt flattered that they had offered to show it to us. To them, their belief in Satan was very sincere, and to show us their altar was an act of extreme emotional intimacy. Or at least we had thought so when had they invited us. I had seen a number of Luciferian altars by then, and sometimes it had been a pleasant experience. Some Luciferians reveal their inner feelings through their altars, and in some cases they are quite beautiful. On the first floor of the home there was a sturdy wooden door which lead down into the basement. It had a special lock on it. Bernie unlocked it with a key which was hung around her neck. After the door was unlocked, there seemed to be some tension between the Baron and Bernie. The two of them made eye contact and looked at each other intensely. The Baron asked, "Are you inviting us in?" Bernie answered, "You are our guests." She opened the door. "You first," she said. "I must insist, you go first," he replied. Bernie entered the dark stairwell. The Baron followed and I was behind him. Nancy brought up the rear. Although Bernie trotted quickly down the stairs, the Baron proceeded slowly. I soon discovered why. The entire staircase was painted flat black, as were the walls. There was a tiny overhead light that shined dimly. But the worse problem wasn't the lighting, the worse problem was the stairs themselves. They were not standard sized stairs. The depth of each stair was too shallow. And the width of each stair was overly narrow. And there were no handrails. It was as if the stairs had been designed to make you tumble down them. Furthermore you couldn't clearly see where you were stepping because the dim lighting and the blackness. It took concentration to figure out where you should step. And sometimes the width and depth of the stairs changed. So the Baron's slow progress down the stairs was filled with tension. Nancy, behind us, kept on chiding us to go faster, but the Baron ignored her. With each thoughtful step that I made, I felt more and more afraid. Before us, about a third of the way down, there was a curtain of red beads. We cautiously pushed through them. Then a bit further down, we faced a second similar curtain of blood red beads. We pushed through them as well. The beads made a slight rattling sound as they closed behind me. A unique smell rose up out of the basement. It smelt of overly perfumed incense and there was a faint rotten smell, like that of dead meat that had been left out for too long. I could feel bile rise in my throat as we proceeded downward. Finally after we pushed through a third red curtain, we found ourselves in the basement. We were stunned by what we saw."

EITHER OUR VULNERABLE CHILDREN ARE MORE IMPORTANT TO US OR THE SATANIC GENOCIDAL DEMONIC PAEDOPHILES ARE

YOU HAVE MADE IT FCKING OBVIOUS WHICH IS MORE IMPORTANT TO ALL OF YOU

PAEDOPHILES SHOULD ALL BE IMMEDIATELY EXTERMINATED LIKE THE PARASITES THEY ARE, REMOVE THE DEMAND, THERE IS NO TRADE, THERE IS NO TORTURE, WE

SHOULD NOT HAVE TO PAY THEM TO LORD OVER US TOP DOWN NOR SHOULD WE THE PEOPLE OR THEIR VICTIMS HAVE TO PAY FOR THE EVIL EXISTENCE IN A PRISON

THE REAL WORLD IS A VERY VERY DARK, VERY SICK, VERY ADDICTED, VERY DEMENTED, VERY DEMONIC, VERY SUPERNATURAL PLACE AND THERE ARE A LOT OF PEOPLE WHO DESERVE TO DIE.

IN 2020 In 2020, the U.S. spent approximately USD 348.4 billion \$348,400,000,000

1. Put thoughts in your mind to kill yourself, your partner, your children, your parents, you friends, anyone anywhere at anytime and you will have no control

Hey presto, their domination as per the CIA Archives own documents, is complete, augmented zombies.

If you look at the crimes occurring there is a significant increase in children killing children, parents killing children then themselves, parents throwing children out fast moving cars, out 20 story windows, even crimes involving biting/eating people etc

This is the reality of a satanic cults military grade court proven gene editing bioweapon and people better understand it, truly.

For your own safety and the safety of those around you I recommend you short circuit the nanotechnology, you take a d-dimer test for micro Clotting, you do a heavy metal detox bare minimum.

I don't understand why they are coming for me with such a demented rabid demonic hard on when there are literally 2.5 billion unvaccinated people, hundreds of millions of awake vaccinated people around the world speaking up at any given time across all platforms and outlets, past, present and ongoing court cases and verdicts around the world which are legal precedence and prove everything.

So the ONLY blockage between us, the victims, and everyone knowing the Truth are the Zionist owned Mainstream LIARS and the Zionist/freemason blackmailed satanic paedos in power censoring everyone everywhere.

There are 4000+ excess deaths a week in this country, highest deaths/serious injury in the younger vaccinated ages groups than ever before in history.

The longer they knowingly, intentionally, maliciously hide/cover this up, the gravest crimes against humanity the world has ever ever witnessed, the worse the scandal and shame upon those parties involved and their entire bloodlines, becomes.

Critical mass for awakening happened long ago, the point of no return, there is no going back to sleep once you know the truth. No one trusts a single word any of you say, the ones that do are mind controlled augmented zombies trapped in the satanic matrix.

If the world did not have an addiction problem, this would have NEVER been able to happen.

In 2016 there was a total of 1.1 million NHS prescription items
in 2022/23 reports show there was 1.18 billion prescription items were dispensed in the community in England at a cost of £10.4 billion.

THAT IS A 107,172.72% INCREASE (OBSCENE)

What will it be this year? Next? Around the World?

50%+ of the world have an addiction, addiction leads to violence, abuse and crime, crime feeds into human/sex trafficking and prison for profit service.

Who created the both drug trades THEY USUAL SUSPECTS DID as evidenced below and by the CIA owns documented plan to drug and destroy America.

Addiction being anything that consumes you, all your time, energy, mind, spirit, health, finances and simultaneously destroys your life:

Anything that takes your time that traps you in a negative pattern of self loathing thoughts (THAT IS NOT YOU) and means you ARE NOT PAYING ATTENTION to anything but your addiction.

It clearly states in the satanic cult awareness document from the DOJ/CIA that drugs / abuse / torture / lies are the weapons the cult uses to disarm/discombobulate their victims and turn them into initiates.

You have no rights over my lawful property, my trusts, my children, their trusts or my mothers trust as repeatedly evidence and proven with legal documents, it is this country, this state, these corrupt, criminal and evil corporations and evil individuals committing crimes against me and my family NON STOP, all day every day for decades as per all material evidence and indeed the entire country/world by the collective and continued failure to uphold your oaths, offices, obligations, duties, policies, rules, procedures, laws that are directly and unequivocally responsible for all injury, harm, loss, harassment, attacks and death occurring here.

I have nothing to prove to any of you. You people have absolutely no concept of safeguarding, well being, health/mental health or even the rule of law itself being that you are all satanic cult initiates following the doctrines of devils and demons, doing their bidding as prophesised end times.

It is the royal "You" plural, who have something to prove to world.

Because the collective "you" are all party to this global mass sacrifice to their god, Moloch/Baal, and they have therefore made you, by their invisible hands, the serial murderers/torturers/traffickers of innocent children, women and men because they blackmail you into it with their money and you follow their orders/commands, without question.

You are complicit in Genocides / War Crimes / Psychological Warfare / Manipulation / Censorship / Crimes Against Humanity/ a long list of other insidious crimes as well as tampering with material evidence by way of emails in multiple active court cases.

You have disabled 18 gmail accounts I have been using to correspond with victims, witnesses, police, organisations, courts around the world in active court cases.

After each account was disabled I immediately appealed stating the court reference and that this interference was perverting the course of justice and evidence tampering in active court cases, I shared this screenshot evidence on all social media platforms at the time as receipts/proof and tagged everyone in. You ignored all appeals.

I filed a legal UCC commercial lien as a Sovereign Secured Party Creditor, Trustor, Executor, Guarantor, Settlor, as attached, against your criminal corporation and it's criminal directors for these proven crimes against not just me, but billions of your users who you are knowingly harming. The 927 pages of evidence below proves these crimes against humanity which you are both party to and covering up.

Your directors have breached their fiduciary obligations and duties as well as multiple laws in multiple jurisdictions against their staff and billions of users who pay for your services and those that do not.

This forms part of my Commercial Court Claim for High Treasons and Crimes Against Humanity as cc'd.

This evening I sent an email from bookofthedead2024@gmail.com regarding this court case to victims and courts and all above, it was disabled AGAIN.

Other disabled accounts serving legal documents with regards to these very serious active court cases include:

URGENT SIR BRIAN LANGSTAFF

Here's what we know, since sending the email this morning, "the enemy" have made amendments to various sites that I referenced to alter the perception of Russia AGAIN, NARC BLAME GAME.

These people are ludicrous.

DTRA CC'd

This is what this means, it means that there are individuals on this email and/or the attached email group 450+ that are active enemy combatants engaged in / covering up Treason / Genocides / Crimes Against Humanity and this is how far and how low they will go, which we already knew and already repeatedly proven. They only go this hard to silence someone and destroy their fcking life for no reason WHEN THEY ARE CORRECT, AND TELLING THE TRUTH, and I am triggering their demons into exposing themselves further and making mistakes, which works endlessly in our favour.

That being said, I sent documents to the Russian and Chinese Embassies in the UK as well, with a view to visit them, which has been delayed due to other issues and I am making that a priority for next week.

To allies on the email, please share this information, people have absolutely no idea the scale of what we are dealing with. I will keep sharing on all my university and other email groups by any of my 20+ active email accounts.

I FORGOT TO ADD THIS IN PREVIOUS VERY IMPORTANT:

1. We already know and can prove beyond any reasonable doubt with material/foundation/witness/demonstrable evidence 5.55 Billion "no informed consent"
2. We already know and can prove beyond any reasonable doubt with material/foundation/witness/demonstrable evidence that millions have died and billions are seriously injured
3. We already know and can prove beyond any reasonable doubt with material/foundation/witness/demonstrable evidence that their immune systems are damaged and will be at a serious disadvantage fighting off any illness
4. We already know that our enemies have billions invested in the biological weapons industry as outlined in detail below and attached
5. We already know that they want to kill us as they already are and always have been poisoning us in multiple ways and we can prove beyond any reasonable doubt with material/foundation/witness/demonstrable evidence as per below

6. We know that they have the capability to release at any point a weaponised gain of function pathogen either that was already inside the bioweapon lipid nanoparticles using frequency pulses to burst them OR "ACCIDENTALLY ON PURPOSE" from any of the following bioweapons labs provably funded by US
7. Please note a lot of these link back to Government Sources
8. Attached are all documents downloaded direct from military websites including acquisitions xls which includes contracts, values and what for, proving investments into biological weapons (this is further confirmed on CSPAN)
9. Please note: Judicial Watch link, that document is also attached.
10. We already know and can prove they have been experimenting on humans without their full informed consent since WW2
11. As per the CIA document - Stop Rockefellers Nazi Doctors confirms the above and the subversion/domination plot to attack/manipulate/destroy the entire world
12. We can conclude The Weapons of Mass Destruction are those individuals/corporations engaged in the conspiracy to commit and cover up multiple Genocides/War Crimes/Crimes Against Humanity/ Acts of High treason against their own people and their own countries for financial gain and pleasure, their demons, now clear as day, by sight, seek to blame it on any person/country that dare to expose them including USA/UK/ISRAEL (EUROPE) and use blackmail / lawfare / mass deception / murder as their chosen tools of 5th generation multi-dimensional warfare, all outlined in their own documents from years ago (premeditated)

In direct violation of the United Nations Convention, the United States military has made it a habit to manufacture deadly viruses, bacteria and toxins at bioweapons laboratories located all around the world.

And it turns out that some of them are located in Ukraine.

The Pentagon reportedly controls bioweapons labs in some 25 different countries including Ukraine.

The others are located in **Thailand, Laos, Vietnam, Cambodia, Malaysia, the Philippines**, Georgia (the country), Iraq, Jordan, Afghanistan, Pakistan, Azerbaijan, Kenya, Uganda, Tanzania, Cameroon, Senegal, Guinea, Sierra Leone, Liberia, South Africa and Côte d'Ivoire.

This map provides the most comprehensive accounting of where maximum containment laboratories are located around the world,” said Koblenz. “Our research identified nearly 60 BSL-4 labs in operation, under construction, or planned in 23 different countries. The greatest

concentration of these labs is in Europe with 25, followed by North America with 14, Asia with 13, Australia with 4, and Africa with 3 labs.

BSL-4 is the maximum level of security for clinical studies of pathogens, equipped with elaborate safety systems to keep the pathogens contained. These systems include special HVAC systems and waste management to ensure that no microbes escape. These maximum-security laboratories are not inescapable, however, and this is, in part, what Koblentz and Lentzos sought to address.

In addition to their interactive map, Koblentz and Lentzos co-authored a [policy brief](#) addressing weaknesses and raising the alarm for policymakers.

Of the approximate 60 labs worldwide, at least 20 have been built in the last decade, adding to the chances that something untoward could happen. More than 75 percent of the labs are located in urban centers where a virus could spread with ease.

Kyiv and Washington are violating the provisions of the Biological Weapons Convention. Under US control, work is underway in states neighboring Russia to create artificially controlled epidemics. There, among other things, the mortality rate of coronavirus increases.

Over the past year, the Ministry of Defense of the Russian Federation has analyzed in detail US military biological activities in Ukraine and other countries. According to the Head of the Radiation, Chemical and Biological Protection Troops of the Armed Forces of the Russian Federation, Lieutenant General Igor Kirillov, right under our noses in a number of countries a network of American biological laboratories has been deployed, where work is in full swing to create powerful weapons.

The Ministry of Defense of the Russian Federation gives a forecast: further deterioration of the epidemic situation with “the possible formation of artificial foci of diseases and an uncontrolled expansion of

the range of vectors.” General Kirillov stated this during a briefing.

According to the Radiation, Chemical and Biological Protection Troops of the Armed Forces of the Russian Federation, over two years in Central and Southern Europe the number of Asian tiger mosquitoes, which are not typical for this region, has noticeably increased. For example, in Germany, populations of the species formed in five regions. And another type of mosquito – a carrier of West Nile fever – was found in Finland and Sweden.

Also in Europe, the incidence of infections transmitted by blood-sucking insects has increased. In just one year, more people were infected with dengue fever than in the previous ten years.

There is also a peak in the incidence of West Nile fever – out of a thousand, 92 cases were fatal.

American military specialists are intensively experimenting with viruses pathogenic to humans. For example, monkeypox virus is being investigated as a potentially damaging bioagent. (MONKEY POX VAX IS MRNA BIOWEAPON)

It is known that the US Army Research Institute of Infectious Diseases conducted experiments with two strains of the smallpox virus. General Kirillov presented a document proving this during the briefing.

Meanwhile, work with this virus is allowed only in two institutions in the world: in the USA at the Center for Disease Control and at the Vector state scientific center in Russia.

Such work can provoke a global epidemic emergency, since a significant part of the population has become susceptible to smallpox as a result of the loss of population immunity. Over the past 10 years, we have already had to deal with a monkeypox pandemic and an increase in the incidence of cowpox virus. Are there people next in line?

The closest and best known relative of the monkeypox virus is the variola virus, which has been considered defeated since 1980, when the WHO (World Health Organization) officially declared its complete eradication. But returning smallpox to the world as a “new old horror story” is not at all

difficult.

Americans are closely interested in this particular group of viruses: in 2017, they synthesized the genome of the horsepox virus and proved the possibility of artificially producing Ebola, Lassa, Marburg viruses, as well as coronaviruses dangerous to humans. At Boston University, biologists managed to modify the covid pathogen in such a way that it acquired 80% lethality: in experimental animals it caused atypical neurological symptoms and severe lung damage. If artificial intelligence technologies are added to the developments of scientists, the risks for people increase many times over. General Kirillov said that the Americans are already experimenting in this direction.

According to the Ministry of Defense of the Russian Federation, Washington has created a gigantic system of global biological risk management. This system covers:

American government agencies and private contractors, including so-called big pharma companies;

funding from the federal budget and funds from non-governmental organizations, including the Soros, Rockefeller, Clinton and Biden foundations;

contractors represented by Metabiota, Black and Vich and CM-Hill, which are engaged in the construction of Pentagon laboratories around the world and the supply of equipment to them.

In 2023, new structures were created, the main task of which is further military-biological expansion through pandemics.

Over the past year, the Pentagon has developed and adopted a number of documents providing for the expansion of a foreign network of US-controlled biological laboratories. And although Washington officially declares humanistic goals for monitoring infectious diseases, using the example of Ukraine it becomes clear that the result is only an increase in the military-biological potential of the United States.

One of the priority tasks is “biological espionage” – analysis of the epidemiological situation along the borders of geopolitical opponents and in the proposed areas of deployment of military contingents.

By the time the Special Military Operation (SVO) began, the Pentagon was conducting projects in Ukraine aimed at studying the causative agents of particularly dangerous and economically significant diseases: tularemia, anthrax, and hantavirus infections. The biological situation was monitored, strains were collected, the susceptibility of the local population was studied...

Washington’s “Biological Threat Reduction Program” in Ukraine involves agencies that were previously contractors for the Pentagon’s biological weapons program. The priority areas of their work have not changed: pathogens of tularemia, anthrax, tick-borne infections. Strange coincidence?

The Russian Ministry of Defense has data on experiments on Ukrainian military personnel. During the year, work was carried out to identify the organizers and participants of military-biological activities in Ukraine. A complete dossier has been compiled on all persons associated with this case: more than 50 people, including officials from the United States and Ukraine.

In 2023, the European Union actively promoted networks of biological laboratories in the former USSR, which opened under the guise of centers of “excellence” in the field of biological defense. Western “benefactors” strongly recommend that potential partners in the CIS not advertise this initiative “due to its extreme sensitivity for Russia.”

Countries that agree to host American laboratories receive cash flows. And all this is right next to Russia. It was previously reported about the expansion of the network of American biological laboratories in Kazakhstan. If the Russians are hit from several sides at once, the whole world will tremble.

The Biological Weapons Convention (BTWC), which outlawed them, was signed on April 10, 1972 in London, Moscow and Washington. Subsequently, an overwhelming number of states—almost the entire world

—joined it. And now one of the participants – the United States – is grossly violating the accepted agreements. Washington is now blocking any international initiatives to verify the Convention in order to exclude the possibility of checking existing American laboratories in the United States and outside the country.

In 2023, Russia raised more than 20 questions about violations of the requirements of the Convention by Kiev and Washington. But all of them still remain unanswered.

Moscow quite rightly believes that the scale of American dual-use research should be the subject of an independent international investigation. It is also necessary to resume work on a legally binding protocol to the Convention, which would become mandatory for implementation by all its participants, including the United States.

The systemic expansion of US military-biological activities creates a threat to Russia and other states regarded by Washington as strategic adversaries. However, due to unprecedented pressure, many states have taken a passive position on this issue. The information received during the SVO about the development of biological weapons components on the territory of Ukraine in violation of Articles 1 and 4 of the Convention forces them to change their point of view.

GENEVA/KYIV (14 July 2016) – A new UN report released Thursday describes the widespread killings that have taken place in Ukraine since January 2014 and highlights the very limited accountability that has taken place.

The report, which was prepared by the United Nations Human Rights Monitoring Mission in Ukraine*, states that the armed conflict in certain districts of Donetsk and Luhansk regions, “fuelled by the inflow of foreign fighters and weapons from the Russian Federation, accounts for the majority of violations of the right to life in Ukraine over the last two years,” **claiming up to 2,000 civilian lives**. Close to 90 per cent of conflict-related civilian deaths have resulted from indiscriminate shelling of residential areas.

Nobody has taken responsibility for any civilian deaths caused by the conduct of hostilities, the report says, adding that some of the killings may amount to war crimes and/or crimes against humanity.

In general, it concludes, “impunity for killings remains rampant, encouraging their perpetuation and undermining prospects for justice.”

The 20-page report, which has an additional 31-page annex describing more than 60 specific cases, focuses mainly on cases of alleged killings of civilians, and people otherwise protected under international humanitarian law, in the conflict zone while no armed hostilities were taking place in the immediate vicinity of the incidents.

Significant numbers of people, including civilians, have also been summarily executed or died in custody, with most such killings occurring in 2014 and early 2015. According to the report, armed groups mainly executed individuals who had, or were believed to have, vocal ‘pro-unity’ views or to support Ukrainian forces, while Ukrainian forces targeted people based on their alleged affiliation with, or support for, armed groups, or for their “separatist” or “pro-Russian” views.

Volodymyr Zelenskyy is a Ukrainian actor and politician who played the role of president of Ukraine for years on a popular national sitcom before launching a successful bid for the country's actual presidency. Zelenskyy created a political party and named it after his television show, Servant of the People. He assumed office in May 2019, promising to root out the country's endemic corruption — a mission critics say has been marred by his links to some of Ukraine's wealthiest and most powerful people.¹² In July 2019, Zelenskyy and then-President Donald J. Trump had a phone call about U.S. military aid, and the conversation led to Trump's first impeachment by the U.S. House of Representatives.

Leaked documents in the Pandora Papers trove reveal that Zelenskyy owned shares in an anonymous offshore entity, as did some of his business partners who are now close political allies. Documents show that Zelenskyy owned a stake in a shell company registered in the British

Virgin Islands called Maltex Multicapital Corp, which is described in leaked records as holding shares in film-production and distribution companies.

In March 2019 — just a month before he was elected president — Zelenskyy quietly transferred his so-called beneficial owner shares of the company to Sergiy Shefir, a close friend and business partner who would become one of his closest presidential aides in Kyiv. They had worked together in a film-production business before Zelenskyy became Ukraine's president.

A document from June 25, 2019, shows that Shefir retained his stake in Maltex after he joined Zelenskyy's administration. Shefir and Zelenskyy did not respond to ICIJ partners' repeated requests for comment.

CENSORSHIP

Many people have noted the one-sided news coverage of the situation in Ukraine and how it's becoming increasingly difficult to find everyday news that provides objectivity and context.

In the past few days, Russian news outlets like RT have been shut down by the EU and Australia. YouTube is banning Russian news across Europe. Facebook is banning RT in the EU (while at the same time announcing they will allow praise for the neo-Nazi Azov Battalion which is part of the Ukrainian National Guard.) DirecTV (AT&T) and Roku have dropped RT, as well. The hacker group, Anonymous has declared cyberwar on Russia.

NATO EXPANSION

As mentioned in earlier emails, NATO's eastward expansion towards Russia is at the heart of today's problems according to Russia. Unlike the US which has only two bordering countries, Russia has 11, and two of them already belong to NATO (Latvia and Estonia). This map illustrates Russia's legitimate security concerns:

[Map of NATO's Expansion towards Russia \(stpete4peace.org\)](http://stpete4peace.org)

'KILLING ITS OWN PEOPLE'

For the past 8 years, the government of Ukraine, with US support, has been waging war against its own citizens in eastern Ukraine's Donbass region – 'killing its own people' in Western jargon. That's the same pretext the US has used multiple times in pushing for war in Iraq, Libya and Syria. If it was acceptable for the US to take action against governments who were supposedly killing their own people, why is the West so upset with Russia for doing the same? And why is the US supporting the Ukrainian government who, to this day, is killing its own people?

[What The Media Isn't Telling You About Ukraine - YouTube](#) from Breakthrough News

Russia is rapidly becoming a pariah state, isolated from much of the world, like other 'enemies' of the US like Iran, North Korea, Cuba and Venezuela. The West is fanning the flames and are escalating the situation in Ukraine. They are making it difficult for a solution to be found because they refuse to consider Russia's perspective. It's easier just to

condemn and see things in black and white. Censorship, anti-Russia hysteria and a disregard of Russia's legitimate concerns won't resolve the current problems, unless Russia just capitulates with the knowledge that they will be subjected to the will of the Empire for many years to come.

Finally, many of us question the sincerity of those who are hyper-outraged at what Russia is doing in Ukraine today, but have been silent as the US, Europe, Israel and Saudi Arabia wage war with impunity.

I have said this repeatedly, Putin has all my documents, he has been on my emails since start of 2022 when I started emailing all countries saying "HELP STOP WW3 BEFORE IT STARTS" (ATTACHED) and I am telling you now, if Russia comes here, I'm standing on the Beaches with a russian flag and Joining his army. Section 1 – Slavery, Servitude and Forced or Compulsory Labour

Slavery, servitude and forced or compulsory labour are not defined in the 2015 Act. In [SK \[2011\] EWCA Crim 1691](#) (a pre-2015 Act authority but confirmed subsequently to remain good law) the Court of Appeal considered and found assistance from various authorities which may be distilled as follows:

- each of these is a serious offence in its own right
- **slavery is the most serious, followed by servitude and then forced or compulsory labour**
- **slavery is exercising the right of ownership of another person as one might an animal or an object**
- **servitude is the imposition, by coercion, of an obligation to provide services**
- **forced labour is direct compulsion to work for another**
- compulsory labour is indirect compulsion to work another
- **in both cases compulsion means the work is not offered voluntarily and is exacted under the menace of a penalty**
- in both cases this need not be manual work and covers any work or service

I was summoned to the treasonous Judge George court for exposing her crimes to answer for "Contempt" again today, I provided her with a Legal Bundle of evidence proving their crimes in the specific case but also all others crimes including Genocide, War Crimes, Trafficking, Crimes Against Humanity, last year, which she ignored, a crime in and of itself, as alleged officers of the court.

I do not answer to proven criminals committing proven crimes, I have not attended today and informed everyone immediately and repeatedly that I would not be attending as I AM NOT PART OF YOUR SATANIC GENOCIDAL SYSTEM. MSM Silent As Court Holds PCR Covid Tests 97% Inaccurate - Unfit for Purpose

The main stream media (MSM) in Europe and the US is deathly silent as a court determines the PCR test legally useless to test for Covid.

The Landmark legal ruling finds that Covid tests are not fit for purpose. So what does the MSM do? They ignore it

Four German holidaymakers who were illegally quarantined in Portugal after one was judged to be positive for Covid-19 have won their case, in a verdict that condemns the widely-used PCR test as being up to 97-percent unreliable.

Earlier this month, Portuguese judges upheld a decision from a lower court that found the forced quarantine of four holidaymakers to be unlawful. The case centered on the reliability (or lack thereof) of Covid-19 PCR tests.

The verdict, delivered on November 11, followed an appeal against a writ of habeas corpus filed by four Germans against the Azores Regional Health Authority. This body had been appealing a ruling from a lower court which had found in favor of the tourists, who claimed that they were illegally confined to a hotel without their consent. The tourists were ordered to stay in the hotel over the summer after one of them tested positive for coronavirus in a PCR test - the other three were labelled close contacts and therefore made to quarantine as well.

Unreliable, with a strong chance of false positives

The deliberation of the Lisbon Appeal Court is comprehensive and fascinating. It ruled that the Azores Regional Health Authority had violated both Portuguese and international law by confining the Germans to the hotel. The judges also said that

only a doctor can "diagnose" someone with a disease, and were critical of the fact that they were apparently never assessed by one.

They were also scathing about the reliability of the PCR (polymerase chain reaction) test, the most commonly used check for Covid.

The conclusion of their 34-page ruling included the following: **"In view of current scientific evidence, this test shows itself to be unable to determine beyond reasonable doubt that such positivity corresponds, in fact, to the infection of a person by the SARS-CoV-2 virus."**

Although warfare technology is very advanced in terms of the development and availability of deadly directed energy weapons, their delivery platforms, surveillance technologies in acquisition of military targets with great accuracy. Three technologies, namely nano, information, and biotechnology, are believed to be the technologies of the twenty-first century that will have their impact felt in the futuristic war scenarios. The combination of information and nanotechnology in the form of artificial intelligence may lead to the replacement of human beings with unmanned intelligent robotic systems performing duties in highly hazardous environments in areas affected by the use of weapons of mass destruction. The nanotechnology-enabled quantum communication may lead to highly secured unbreakable information sharing between friendly forces. Furthermore, a combination of nano- and biotechnologies is expected to generate a new class of nano- and bioweapons hitting human targets even indoors without their presence being noticed by the enemy. **Some of such weapons may prove to be the weapons of mass extinction.**

Just one more thing Sir Brian Langstaff

If you had any idea of the sheer number of people involved in these criminal chain conspiracies and plots against me to end my life for years non stop for their own pleasure and gain, to commit crimes against me and in my name, steal from me, attack, threaten, lie, slander, you would wonder how I am still alive.

My answer to you is simple

God has always had my back and armed me accordingly because I knew from the get go who/what the enemy really was/is.

"They are boiling us like frogs" , said Sir General Nick Carter January 2021 as I watched live and reported it immediately on the War diaries and so many times since. They wouldn't even listen to a General in their own Army that's how

brainwashed into oblivion everyone has become as a direct result of "CRAFTED LIES" as the General puts it (below)

[Into The Grey Zone podcast: Episode One - The Gathering Storm | World News | Sky News](#)

[Into The Grey Zone: Exploring the murky evolution of warfare | World News | Sky News](#)

This episode seeks to explain what the grey zone is. It includes a warning from General Sir Nick Carter, the head of the UK's armed forces, and Ben Wallace, the defence secretary, about the danger of ignoring attacks in this murky space, while Lieutenant General Graeme Lamb, a former director of UK special forces, warns: "We're being boiled like a frog!"

An invisible enemy is on the rise in a grey zone between war and peace.

The weapons of choice include disinformation, intimidation and cyber hacks.

It means the front line is everywhere and no one is too unimportant to be a target.

Military chiefs have told Sky News that covert, deniable attacks by states such as China, Russia and Iran could unravel the world's democracies "without a shot being fired" if ignored.

There is also a risk of these hostilities accidentally triggering a real military conflict, possibly even escalating into a new world war, they say.

Sky News has spoken to more than 40 experts, including spies, soldiers and hackers, for a podcast series called Into The Grey Zone that explores this murky evolution of warfare.

'A way to unravel our democracy from inside'

General Sir Nick Carter, the head of the UK armed forces, described the risk to nations like the UK if attacks in the grey zone go unchallenged.

"On the one hand, we might wake up one day and discover that we are in a police state and all of our freedoms have been denied us. That's one end of it," he said in an interview.

"The other end of it is that our opponents will have found a way to unravel our

democracy from inside. And our freedom, our way of life and all the things that we espouse would have been undermined. And we won't have noticed it."

General Sir Nick Carter

Ben Wallace, the defence secretary, who was sat across the table from him, added:
"Without a shot being fired.

"Successful grey zone warfare from adversaries is that they know if they could do all of those things, they might not have to commit a gun or a tank or anything. They will have done it using proxies, done it through cyber, done it through crippling an economy. And then, if you did want to drive in one day with your armoured brigade, there's not much left."

The word "war" typically conjures up images of tanks, troops and explosions.

But if one state falls out with another, more powerful country or alliance of countries – take Iran and the United States, or Russia and the NATO military alliance for example – then it might try to think of other ways to fight than a costly armed conflict it would likely lose.

That's where the grey zone comes in. It is a place where there are no rules and literally anything can be - and is - used as a weapon.

Covert attacks

At the sharp end, there are assassinations such as the attempted killing of former spy Sergei Skripal and his daughter Yulia in Salisbury in March 2018. The UK has accused Russia - something Russia has denied.

More recently, Iran has fingered Israel over the assassination in November 2020 of top nuclear scientist Mohsen Fakhrizadeh outside Tehran. Israel has neither confirmed nor denied responsibility for the killing.

Proxy forces

Another way to launch attacks without direct involvement is through the use of proxy forces. This is what the United States accuses Iran of doing against its interests in Iraq.

Crafted lies

Other dimensions of the grey zone include tools of manipulation such as deliberately crafted lies, or distorted versions of the truth spread online, like an alleged Russian disinformation operation in favour of Donald Trump and against Hillary Clinton in the 2016 US election.

Influencing voters

Information can be hacked and leaked to influence voters as happened in the US in 2016, in France in 2017 and also in the UK in the run-up to the 2019 general election with the leak of UK-US trade documents brandished by then opposition leader

Jeremy Corbyn.

Suppressing debate

Agents of influence can be used to suppress debate at universities, think tanks and other forums. MPs have accused China of trying to stifle discussion on UK campuses.

The grey zone involves dirty money to buy power and influence. A parliamentary report published in July described Russian influence in the UK as the "new normal", dubbing the capital "Londongrad".

Energy as power

There are many other tools, including industrial espionage, sabotage and the use of energy to require support from a country reliant on imports of oil and gas.

THIS IS AN EMERGENCY BROADCAST

Dear Sir Brian Langstaff

I have read the NHS report, it would appear you are one of the few honest ones left in this entire country, sadly I can back this statement up 18,000+ pages of material evidence.

It is beyond a tragedy that it took 50 years for Truth to come out, however, history has proven that in this country we have a massive problem with individuals nationwide employed to do jobs who commit crimes as heinous and insidious such as this one, then see fit to blame everyone other than themselves to try and get out of accountability and punishment. We also have a long history of provable scandals / case law proving this country continually goes out of its way to cover up these crimes and these criminals at the expense of the victims and the taxpayers. We also have a long history of dragging out such court cases and victims claims over decades in an attempt to wait till as many have died as possible to reduce the liability/compensation paid to the victims of such heinous and insidious crimes again benefitting the criminals.

I come to you with urgent and important news.

Please help us.

What you already know about how the NHS/Government operates in terms of intentional, malicious, corruption, criminality, abuse, deception, fraud, poisoning, corporate manslaughter and the cover up of is happening again right now before your very eyes and not just for the last 4 years but a long long long time, not just UK but everywhere.

ABSOLUTELY NOTHING HAS CHANGED.

I would ask you kindly therefore to read all the email material evidence below and attached so you can see for yourself, this is accompanying my legal commercial liens and claim at the Admiralty/Commercial Court for High Treasons and Crimes Against Humanity for the enforcement of legal commercial transactions/liens in accord with the legal maxims of commerce as outlined below for all property to be returned.

Apparently, everyone has conveniently forgotten the law, they have conveniently forgotten they have fiduciary obligations and statutory duties of candour and care, they have conveniently forgotten that ignorance is not a defence and not a single one of them can claim it in this matter as they have been told all day everyday by thousands and thousands of people in this country and "The Ark Project - War Diaries 2020-2024 - Emails from Hell to Heaven" (Break the Silence, Break the Chains) is 4 years of material evidence of crimes reported with material evidence to who, when and how many times both electronically, via recorded mail, via in person, via social media, via courts and still they play DUMB. It is embarrassing at this point, they are acting like fools to save face, rinse and repeat. This needs to stop and it needs to stop right now, people are DYING AND HARMED AT A RATE that is inconceivable.

This scandal is bigger than the blood scandal by a factor of 8 billion, exposing a lot of people in alot of public offices and positions for their failures and that ALL BLOOD, ALL INJURY, ALL HARM, ALL DEATH lays on their collective hands.

I apologise for my potty mouth in the emails below, my patience really ran out on day one and we are now at 1549.

ATTENTION LORD WALKER - CORRUPT SUPREME COURT JUDGE

[Robert Walker, Baron Walker of Gestingthorpe - Wikipedia](#)

Your daughter has had an on off sex/drug relationship at orgies and other such events with Wayne Walker since her teens.

You are aiding and abetting a convicted criminal, a violent, dangerous, drug dealing, bank fraudster, pathological liar, serial abuser of women, a rapist, a murderer, a deviant, a MAPPA and a devil with a 30 year criminal record and prison sentence for GBH against a prostitute.

In 2020, I was discussing creating material masks for NHS workers having seen people donating them. Whilst I myself knew it was bullsh*t from the get go, I knew other people were scared and those disposable masks are proven to be beyond useless at preventing anything and also cause harm/illness being worn for long periods of time.

I discussed this with Wayne as something for the children and decided to create a business as his family owns a sewing shop.

This was the business that was registered, The Safe Walker Limited. As you can see, Wayne Walker had his mum's address and I had my home address.

I had changed my name legally by deed poll 31.12.19 from Hannah Elizabeth Seton Horton Giles Knopp to Hope Faith Belief Love and everyone was fully aware of this, including Wayne, I changed it immediately on my socials and notified all other individuals.

[THE SAFE WALKER LIMITED people - Find and update company information - GOV.UK \(company-information.service.gov.uk\)](#)

I spent my lockdown studying various self improvement courses and healing with my children who I had been a single mother of since they were born and this sperm donor had done fck all for.

My mother and I paid for absolutely everything and we can back this up with bank statements.

He was still treating me like dog sh*t but I wanted to try and do the best for my sons, he mentioned he had met with your daughter and they were coming up with various ideas on how she could put her name to it, endorsing it, including saying that Walker was the slave owner name given to Wayne's Jamaican family way back when.

His behaviour continued as it had since we first met, we were not going out but still had sex and I got pregnant. I paid for a mega early sex test to see if it was a

boy or a girl, it was another boy and I named him Morpheous. Of course Wayne didn't want another child, his alleged religious family all said I should get rid of the baby and I felt I had no other choice.

It was at this juncture, I asked myself, why oh why oh why am I putting myself through this again.

Why am I getting even more entangled with this vile evil man.

I informed him I wanted nothing more to do with it as I could see where it was heading, in that, I was doing all the work, he wanted all the credit and it was moving away from what my original concept was.

I decided that I needed to report all the crimes that had happened to me and that I had witnessed or been party to as I know all his secrets, all the networks secrets and indeed all of yours.

I recorded 256 video confessions outing myself for all my part to play as well as everything else in 2020 on Youtube, these were reported to all whom I am duty bound to report them to protect other women and as my life insurance and was ignored.

As the children had not seen their fathers as much due to lockdowns and following the guidance, when it came to October I had an opportunity to follow my dream, which was at the time to move to America as there seemed to be a lot more people there who are positive with positive impacts on the world and that is what I wanted, to make a difference so I wanted to go and see if it would be a possibility for me and my children. Prior to this I had informed them both that I had reported them.

I asked them to have their sons for a visit so I could go on a trip, and they would return to me when I got home, as they were still studying from home, as per the legal guidance of people with elderly at home, which of course they then tried to weaponise against me to make people think I was a bad mum for keeping my children at home as per the guidance.

The trip did not go as planned as covid guidance changed on route and I could not continue my journey by flight.

They kidnapped my sons, refused to return them, immediately started farcical legal action against me BOTH deceiving the court, BOTH defrauding the court, BOTH committing perjury by providing false / fraudulent /incorrect information to the Court based entirely on HEARSAY and LIES to pervert the course of Justice. This is slander and defamation of character based on nothing but the lies of a huge network of convicted criminals with long criminal records and prison sentences to cover up their own crimes as they have provably done many many many times before. These are crimes with LIFETIME prison sentences.

Wayne, moved, blocked me, then intentionally, maliciously, knowingly filed against my old name, providing my old address, my old email, my old number so I wouldn't be notified. I received nothing from the court.

He told me hours before, I immediately emailed the court to inform them what was going on and was ignored.

Sam did the exact same thing, I emailed the court to inform them what was going on and was ignored.

All my evidence in all courts by all judges over a 4 year period has been wholly ignored and I have 3 live streamed court cases on social media to prove it.

These 2 and their enormous network of criminal associates upto and including yourself were working together to destroy me, my mum, my sons based on jealousy, envy, hatred for being reported and exposed for exactly who they are with material evidence.

They breached 200+ status quo court orders for contact which is contempt per breach, per order, each with a prison sentence and fine, this was reported on "The Ark Project - War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence, break the chains) to all those I am supposed to report it to with material evidence, screenshots, call logs etc.

Again Ignored.

He was under investigation by the Met for Rape, sexual assault of someone else, drug dealing, conspiracy and worse provided by CAFCASS which, due to his MAPPA status should have meant he was immediately remanded to prison and he wasn't. I brought it up to the Judge, she ignored that as well.

I was asked to write statements which I submitted to the court on time and he didn't write his, mine stands unrebutted as fact and judgement, again, ignored.

I have all material evidence going back to 2020 which proves I was telling the truth then and every single day since, 1549 days to be exact.

For this, for telling the truth, you and your corrupt system of evil have seen fit, to sacrifice and torture my sons, my mother and I.

You are the ones provably breaking all the laws and the email evidence below proves it.

Furthermore the attached official filing proves that my sons are my property by law and should have been immediately returned to me with all my other lawful property, including trusts/invoices/liens as per the victims code you all also fail to adhere to.

I have been standing up for my children, all children relentlessly regardless of the putrid vile insidious behaviour of these men and the entire system weaponised against me to destroy my life and theirs.

I wish my story was unique in some way but the truly horrendous truth is that it is just a drip in the ocean of torture that is inflicted upon 67 million people of this country whether they know it or understand it or not.

What's proven is that a crackhead drug dealing murderer can stick his dick in a child of a Judge, an MP, a Lord and some coke up their nose and they immediately get immunity from any and all crime up to and including murder. THE RULE OF LAW DOES NOT EXIST.

Let's not forget freemasons regularly buy children from Albanian human traffickers who own clubs in london.

Certainly when it comes to children, I'm afraid, a bunch of satanic cult paedophiles, schizophrenic profiteering warlords, genocidal psychopaths and child trafficking crack heads WILL NEVER EVER EVER KNOW what is in the best interests for our children.

There are thousands of cases like mine in every town and city across the entire country, which we can prove, because this is who you all are, this is what you do to people to line your own pockets and most of all, you enjoy it. You revel in it, you pride yourselves in it, you award and reward yourselves for what "great jobs" you are doing at ruining everyone's lives. You enjoy abusing children, you enjoy torturing families, you enjoy killing innocents, you enjoy scapegoating other people for your own crimes, you think you are funny.

Are you laughing now?

You are the most disgusting specimens of the human species, or genetically modified organisms, if you are vaccinated, to have EVER walked this earth.

Savages nothing more, nothing less.

Silence is acquiescence, aiding, abetting, default, dishonesty, deceit and defeat.

Please read evidence below to see how fked you all are.

I am the descendant of Kings, Queens, Lords, Ladies, Sir's including but not limited to William The Conqueror, Sir Alexander Seton, John of Gaunt and have a DNA test, that proves my lineage via mitochondrial eve to 1 of 5 original women who all came out of Africa.

I identify, and have un rebutted legal documents which are fact and judgement in law and commerce in accord with the rules of law as of 27.07.23, as a Non Resident Alien, A Sovereign Galactic Diplomat, A Citizen of all Countries and inhabitant of all realms.

I have a claim at the Admiralty / Commercial Court for High treasons and Crimes Against Humanity (see email material evidence BELOW AND ATTACHED) including Genocides past and present for the immediate enforcement of commercial transactions and legal commercial liens filed against criminal corporations, their criminal directors, for their proceeds of these crimes.

They lie, have always lied and the evidence below proves it beyond any reasonable doubt.

I would ask you therefore to please take very seriously, read, review and share amongst your spheres of influence the full contents of the 222 + pages of email material evidence below, to whom and when it was sent, which is accompanying my claim and legal commercial liens filed against criminal corporations up to and including the crown, the government & associates for their heinous and insidious high treasons, genocides and crimes against humanity past and present. Criminals connected to and protected by Lord Walker in the House of Lords kidnapped my children in 2020 for exposing their crimes past and present and I have not seen them since. They sacrificed my children to cover their own asses and use them as a weapon against me. They have ignored all evidence against themselves in multiple courts by multiple ALLEGED

judges/officials/public servants/professionals. My cases prove criminal chain conspiracy and corruption of the entire system plus a long list of other very serious crimes. They have weaponised the legal system in Lawfare against me based on their own proven lies and crimes. They have attacked, threatened with prison and fined my disabled wheelchair bound 77 year old vaccine injured mother for crimes she is completely innocent of. They ignored all evidence against themselves in her cases as well and attached a fine for a speeding ticket, when she cant walk let alone drive and doesn't have a driving licence, to her pension. They are trying to silence, ignore, oppress, abuse, attack, threaten, torture me for telling the truth, for reporting very serious crimes to all those I'm supposed to report them to, especially against all the children, including the paedophiles in every public office, their state sponsored trafficking and how they knowingly abuse/torture/poison/attack/ profit off them all no different in anyway to the original slave trade and we can prove this with material evidence. I reported a Judge for her crimes of Trafficking and cover up of NHS crimes by scapegoating innocent parents and using lawfare against their entire family to silence them as well as take their baby, all for profit and cover up, who was hurt by gross negligence of the NHS and she, the criminal Judge in contempt committing crimes is trying to threaten me with contempt for exposing her. This is how they operate. It's just a serious criminal network of schizophrenic warlords and a huge paedophile ring as per the material evidence not merely hearsay or professional opinion.

Lives, livelihoods and liberties are in peril EVERYWHERE.

These are your words.

[Genocide: bringing perpetrators to justice - House of Lords Library \(parliament.uk\)](#)

On 27 May 2021, Lord Alton of Liverpool (Crossbench) is due to ask Her Majesty's Government what steps it is taking to bring the perpetrators of genocide to justice.

What is genocide?

Genocide refers to any of the following acts that are committed with the intent to destroy a national, ethnical, racial or religious group:

- killing members of the group;
- causing serious bodily or mental harm to members of the group;
- deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part;
- imposing measures intended to prevent births within the group; or
- forcibly transferring children of the group to another group.

The [Convention on the Prevention and Punishment of the Crime of Genocide](#) (the genocide convention) provides this definition. The crime can be committed in both a time of peace and in time of war. Examples of genocide include [genocide under the Nazis \(the Holocaust\)](#) and more recently the [genocide in Darfur](#).

The genocide convention was the first piece of international law to codify the crime of genocide. It was initially approved in 1948 and came into force in 1951. It places an [obligation on signatories to take measures to prevent and punish genocide](#), including enacting relevant legislation and punishing perpetrators. As of July 2019, the convention had been ratified or acceded to by 152 states. The UK acceded to the convention in 1970.

What other international agreements on genocide has the UK signed?

There are several other agreements to prevent genocide that the UK is a signatory to. Agreements include: the Rome Statute of the International Criminal Court; the responsibility to protect principle; and the Accountability, Coherence and Transparency Group's Code of Conduct.

Rome Statute of the International Criminal Court

The [UK ratified the Rome Statute of the International Criminal Court](#) on 4 October 2001. This statute established the [International Criminal Court \(ICC\)](#). The ICC investigates and tries individuals charged with crimes of concern to the international community, including genocide.

In 2001, the UK enacted the International Criminal Court Act 2001. This incorporated ICC crimes (such as genocide) into domestic legislation.

Responsibility to protect principle

As part of the United Nations (UN), the [UK adopted the principle of 'responsibility to protect' \(R2P\)](#) at a UN world summit meeting in 2005. This principle placed a legal obligation on member states to protect their populations from atrocity crimes such as genocide. The [R2P principle has three pillars](#):

- the responsibility of each state to protect its populations;
- the responsibility of the international community to assist states in protecting their populations; and
- the responsibility of the international community to protect when a state is manifestly failing to protect its populations.

The Government reaffirmed its commitment to R2P in a [response to the House of Commons Foreign Affairs Committee report on 'Global Britain: Responsibility to Protect and Humanitarian Intervention'](#) in 2018.

Accountability, Coherence and Transparency Group's Code of Conduct

In a [speech made by the then UK Permanent Representative to the UN in 2015](#), Matthew Rycroft confirmed that the UK would sign up to the [Accountability, Coherence and Transparency \(Act\) Group's Code of Conduct \(the code\)](#). The code requires members of the UN Security Council (the council) not to vote against any credible resolution that aims to prevent or halt atrocity crimes such as genocide.

The [five permanent members of the council have a special right to veto](#) any resolution. If used, the respective resolution is deemed not approved. The five permanent members are the UK, the

USA, China, France and Russia. Permanent members were given the power of veto because of their key roles in the establishment of the UN.

The code was developed by the Act group—a group of 27 states who are responsible for improving the working methods of the council—in response to concerns about the frequency of permanent council members using their power of veto in situations where atrocities either occurred or were at risk of occurring.

A complete [list of vetoes is included in the Security Council report](#). The last UK veto of a council resolution occurred in 1989.

Recent parliamentary discussion during the Trade Bill

During the [bill proceedings of the Trade Act 2021](#), several amendments were moved that aimed to ensure judicial oversight of trade agreements with countries accused of genocide. The treatment of Uyghur Muslims in China was referred to several times during the debates.

For instance, an amendment moved by Lord Alton of Liverpool (Crossbench) during the [bill's report stage debate in the House of Lords](#) aimed to enable the High Court of England and Wales to determine that an international trade agreement should be revoked if a signatory country has committed genocide.

The amendment received cross-party support and was inserted into the bill in the House of Lords. The amendment also received support from external organisations such as the [International Bar Association's Human Rights Institute](#) and the [Board of Deputies of British Jews](#).

However, following Government concerns about the amendment's potential to limit government prerogative powers to conduct international trade relations, it was removed during the [House of Commons consideration of Lords amendments debate](#) on 19 January 2021.

Several iterations of the amendment were moved during subsequent debates, but did not form part of the final Trade Act 2021. Instead, a [compromise amendment was agreed to](#). This enables a House of Commons committee to identify credible reports of genocide and insist on a parliamentary debate if the committee is not satisfied with the Government's response to its report.

This legal brief, endorsed by various human rights groups and prominent academics and experts in international criminal law, calls the Prosecutor to initiate investigations on the basis of the information provided against Mrs. Ursula von der Leyen. The latter has been repeatedly informed of violations of international humanitarian law committed in the Occupied Palestinian Territories, particularly in the Gaza Strip, through reports from international organizations and foreign

governments. This is evidenced by a letter sent to her on February 14, 2024, by the President of the Spanish government, Pedro Sánchez, and the then Irish Prime Minister, Leo Varadkar. Mrs Ursula von der Leyen is responsible for aiding and abetting the commission of crimes and violations of international humanitarian law, within the meaning of Article 25(3)(c) of the Rome Statute of the International Criminal Court. Mrs von der Leyen enjoys no functional immunity before the International Criminal Court by virtue of Article 27 of the Rome Statute.

The President of the European Commission is complicit in violations of Articles 6, 7 and 8 of the Rome Statute by her positive actions (military, political, diplomatic support to Israel) and by her failure to take timely action on behalf of the European Commission to help prevent genocide as required by the 1948 Genocide Convention. Mrs. Ursula von der Leyen cannot deny awareness of the plausibility of these crimes, especially following the International Court of Justice's provisional measures order of 26 January 2024 in the pending ICJ case South Africa v. Israel. More importantly, Mrs. Von der Leyen has failed to take appropriate action to prevent such crimes, whereas the 1948 Convention on the Prevention and Punishment of the Crime of Genocide and the Statute of the International Criminal Court make prevention an erga omnes obligation.

FOR THE URGENT AND IMMEDIATE ATTENTION OF THE POPE - VATICAN

You must **IMMEDIATELY PUBLICLY CONDEMN AND DEMAND THE ARREST AND PROSECUTION FOR GENOCIDES/WAR CRIMES/CRIMES AGAINST HUMANITY** the actions of ALL Genocidal Zionists/Nazi/Satanists as outlined and evidenced in the material email evidence below in great detail, engaged in the mass slaughter / corruption / poisoning / sacrifice of innocents and children not just in Palestine but around the world, as it dictates to do so in your own religious texts by God or else you are not a Pope, you are a coward in a dress, a spiritual narcissist, you have provably spiritually betrayed your followers by telling them to take something that will harm/kill them as dictated to you by liars, the doctrines of the devil and his demons in end times, you have provably assisted and harboured genocidal war criminals past and present, you act as a proven CIA pawn, you accept blood/slavery money and associate with heinous criminals, you cover up mass child rape in your own churches by your own people and have settlements over \$3.8 Billion.

[The Catholic Church Reportedly Spent \\$3.8 Billion In Abuse Pay-Offs \(allthatsinteresting.com\)](https://allthatsinteresting.com)

Raping a child traumatises and alters how their brain functions, causes disassociation, there are scans and studies that prove this. It haunts them their entire lives. It makes them much more likely to follow in the footsteps of their abuser, breeding more of the same. They are rarely believed first time, they are victimised/bullied/targeted/shamed/traumatised again by alleged adults in alleged positions of trust who fail them over and over and over and over again, who are paid to cover it up with a conspiracy of lies. Was this the ultimate goal of the alleged "Catholic Church" since it's inception? To create as many paedophiles, abusers, torturers of innocent children as possible? To spread your evil dominion hidden and masked by Religion? To deceive, defraud, use and abuse your followers? You declared Dominion over everything, all lands, all souls present and future in the Papal Bull 1302. You keep their chattel papers.

"whoever shall cause one of these little ones that believe on me to stumble (in sin or lose faith), it is profitable for him that a great **millstone** should be hanged about his neck, and that he should be sunk in the depth of the sea."

What is your purpose?

Who or what are you other than a spineless heretic?

You think God hasn't seen all your actions, non actions, omissions and lies?

Why do you hide millions of historical texts/artifacts from the world?

Secrets and Lies are the Devil's Game.

Are you his Disciple?

To ignore evil is to be an accomplice to it.

Evil exists because good men do nothing.

You don't do this, you have no right to the Vatican, The Holy See, nor to call yourself anything but pure evil.

Subject: AMBASSADOR SPEAKERS "SON OF HAMAS" - ATTENTION MAJOR GENERAL TIM CROSS /
FORCES NEWS Fw: URGENT: OXFORD STUDENTS : FIDUCIARY OBLIGATIONS AND DUTIES IN LAW OF
THE LEADERSHIP : INCONVENIENT TRUTHS

EMAILS BELOW (AS MY EMAILS ARE BEING MESSED WITH AGAIN)

- TO ALL PARTIES OF THE UNIPARTY
- NIGEL FARAGE
- OXFORD UNIVERSITY / STUDENTS / LAWYERS / MOSQUES / CHURCHES /

SYNAGOGUES

Dear Ambassador Speakers

I see you have the "son of hamas" on your list of speakers.

[Mosab Hassan Yousef | Ambassador Speakers, Inc.](#)

I note he is on world tour of speaking events, so you and he must be making quite a lot of money.

He recently did a speech to Jewish Students where he said "Palestine" never existed which is a provable outright lie and I would urge you to read all of the material evidence below which is material evidence in my claim for High Treason and Crimes Against Humanity in Admiralty Commercial Court which proves beyond any reasonable doubt this and many many other heinous lies being spread by Zionists.

Ambassador Speakers is allegedly for Christian Speakers however as we know the devil is a liar, I would say this brings not only Mosab's but your integrity into question.

Whose money are you accepting in payment for these speaking events?

All genocidal zionists who profit from war, from death, from destruction, from slaughter of innocents especially children?

I therefore researched your founder Wes Yoder.

Wes Yoder moved to Nashville in 1973 from the Amish and Mennonite community of Lancaster, Pennsylvania, to work in the music business. He was a pioneer in the formation of Contemporary Christian Music, and launched the careers of many well-known artists. He also created the first faith-based speakers bureau to assist speakers and authors.

In 1997, he launched Ambassador Literary Agency as a division of his company, which led to national media representation of many high-profile clients involved in national and international news stories. He provided media representation of The Purpose Driven Life, and literary representation of the New York Times best-sellers, Mistaken Identity, The Shack, Convicted, Son of Hamas and Bonhoeffer. Wes has been interviewed on The TODAY Show, NBC Nightly News, ABC's Prime Time, Dateline NBC, CNN Headline News, and quoted by TIME Magazine, The New York Times, People Magazine, the Associated Press, Agence-France Presse and others.

Wes's book, Bond of Brothers: Connecting with Other Men beyond Work, Weather and Sports, seeks to move men from silent and broken lives to the company of men where conversation, spiritual friendship and a life filled with friends and brothers define and complete God's purposes for them. **Wes is the director of the Middle Tennessee New Canaan Society which hosts weekly men's breakfast events in Franklin and Nashville.**

Now the Canaanites were **the inhabitants of ancient Canaan, a region that roughly corresponds to present-day Israel and the Palestinian Territories, western Jordan, southern and coastal Syria, Lebanon, and continued up to the southern border of Turkey.** [Canaan - Wikipedia](#)

I find it odd that as the director of the New Canaan Society you would not know this.

I further find it odd you would not know the Knights Templar - Order of Christ was created in Palestine in 1119. (referenced below)

"[The Israelites] sacrificed their sons and their daughters to false gods. They shed innocent blood, the blood of their sons and daughters, whom they sacrificed to the idols of Canaan, and the land was desecrated by their blood. **They defiled themselves by**

what they did; by their deeds they prostituted themselves” (Psalm 106:37-39, emphasis mine).

Traditionally, the name Moloch has been understood as referring to a Canaanite god. (referenced below)

Moloch is a Canaanite god associated with child sacrifice in the Hebrew Bible. The name Moloch is a combination of the Hebrew words melech ("king") and boshet ("shame"), which is sometimes used as a variant name for Baal ("Lord") in the Old Testament. The term may also come from the Phoenician word mlk, which refers to a type of sacrifice. "Moloch" means "the personified ruler of shameful sacrifice".

What was the evil of the Canaanites?

The destructive sexual behavior, injustice, and harmful ritual worship (bodily mutilation), along with the widespread and abhorrent practice of child sacrifice. Canaanite culture was described as utterly corrupt, especially when it came to violence and abuse of the most vulnerable in their communities.

DEJA VU ANYONE?

The only conclusion therefore is that Wes/Mossab are spiritual narcissists hiding behind religion to spread lies, manipulate minds on mass to use/abuse them, the worst kind of Narcissist there is because people who worship God have a tendency to believe without question those who allege to be "religious"

If you think killing innocent children is ok, then you are not a believer in God, you are not a follower of the Commandments, you are a bat sh*t cray cray psychopath breaking all laws.

CIA Archive of documents further proves these lies as per below.

Evidently nothing has changed since biblical times except the Canaanites are hiding behind "Zionism", very clever.

What did God do to the Canaanites? The slaughterers of innocents and Children?

KILLED THEM ALL

THERE IS NO NEUTRALITY WHEN IT COMES TO THE MASS RAPE / SLAUGHTER / CORRUPTION OF INNOCENTS - ESPECIALLY CHILDREN

JUDGEMENT DAY IS COMING.

Regards

Hope

UNREBUTTED Notice of Indictment, Notice of Respondent, Notice of Conditional Acceptance, Notice of Opportunity to Cure, Notice of Default.

They were all found guilty of High Treason, according to the Law, 14th December 2022 by the people. We do not answer to proven criminals committing proven crimes and we certainly won't fund them as it is a crime to do so according to the law, as outlined in detail below.

Attached UNREBUTTED Notice of Treason to all Police forces 15.10.2020 and thousands of times since.

Attached UNREBUTTED Notice of War Crimes (Court proven gene editing bioweapons as per testimony under oath and court cases/verdicts ongoing and past are a war crime)

Attached UNREBUTTED We The People (99% Majority) v The Criminal Corporations Affidavit which became fact and judgement in commerce and law in accord with the law 27th July 2023 after 40 days and 40 nights.

We have a pathological liar / delusional / corrupt / genocide / war crimes / paedophiles in public office denial problem as per all material evidence not merely hearsay or professional opinion.

100,000's of individuals / organisations / courts / students / universities / militaries / agencies / private investigators / lawyers around the world have been served all this evidence electronically and/or hard copy and/or hard drive.

Below is the some of the Material Evidence that is accompanying my Commercial Court Claim and associated Legal Commercial Liens filed against criminal corporations and criminal directors for their proceeds of proven crimes with material evidence for breaking their fiduciary obligations and duties as well as all law's from "The Ark Project - War Diaries 2020 - 2024 - Emails from Hell to Heaven" (Break the silence, break the chains)

They are knowingly, intentionally, maliciously complicit in heinous and insidious crimes against millions of people past and present.

Attached is the military case file outlining the crimes these individuals have been served and ignored.

If you think for one second we are going to let you psychopaths force our children into the military by way of national service to be indoctrinated, abused, experimented on, raped, brainwashed, mind fcked, discarded like trash and have their children trafficked by you, you are even more out of your goddam minds than already established, you will have a war on your personal doorsteps in a heartbeat.

How dare you be so pathetic as to accept blood money to commit and cover up these paedophiles in public office / elites and these crimes against humanity, innocents on mass. YOU ARE COWARDS and not fit to organise a piss up in a brewery much less run a country and make decisions for others.

You disgust me. You are worse than the criminals on the street by a Country Mile as proven by the list of crimes you are party to and guilty of because at least they know who they are, you wear costumes and masks, read prepared scripts of lies to distort the perception of reality and influence the minds of the masses to line your back pockets and those of your puppet masters and try to pretend you are anything but a proven "American Psycho" (movie)

EVERYONE KNOWS EVERYONE KNOWS EVERYONE KNOWS and your Supremacist Nazi military industrial complex and your Zionist/Nazi/Satanic Paedo police and your Zionist/Nazi/Satanic Paedo slave system can go fck themselves royally.

The people WANT TRUTH, SWIFT AND IMMEDIATE JUSTICE TO THE FULL EXTENT OF THE LAW for the crimes commit against them past and present. Which according to the Law of War is the mandatory death penalty as per the Law of War and all legal precedence.

Please urgently read below, you will see who has been notified and when going all the way back. All injury, harm and death are on the bloody corrupt and pure evil hands of the 1150 members less the outspoken courageous few.

Niceties and pleasantries went out the window when you were party to the kidnap, sacrifice and torutre of my children to cover your own heinous and insidious crimes and lies.

My name is Hope Faith Love, I am a Reverend of the Universal Life Church, I am a Plenipotentiary Judge, President and hold all Powers of Attorney in Fact for House of Love Law Enforcement Agency, Justice and Judicial Services for We The People Worldwide and have the legal documents to prove this and I will share those with you attached.

I am of royal lineage, I can and will prove this to you with copies of my scrolls (1/2 attached I have further scrolls which go much further back). I am the descendant of Kings, Queens, Lords, Ladies, Sir's including but not limited to William The Conqueror, Sir Alexander Seton, John of Gaunt and have a DNA test, that proves my lineage via mitochondrial eve to 1 of 5 original women who all came out of Africa.

I identify, and have un rebutted legal documents which are fact and judgement in law and commerce in accord with the rules of law as of 27.07.23, as a Non Resident Alien, A Sovereign Galactic Diplomat, A Citizen of all Countries and inhabitant of all realms.

I have a claim at the Admiralty / Commercial Court for High treasons and Crimes Against Humanity (see email material evidence BELOW AND ATTACHED) including Genocides past and present for the immediate enforcement of commercial transactions and legal commercial liens filed against criminal corporations, their criminal directors, for their proceeds of these crimes.

Everyone CC'd has fiduciary obligations IN LAW outlined in great detail in the material evidence below. You further have statutory duties of candour (TO TELL THE TRUTH)

Fiduciary obligation is the **duty to act in the best interests of another person** or entity. It is imposed by law or equity on people who have power or discretion over the money, property, or information of others. Fiduciary obligation is a relationship of trust, confidence, and loyalty. Fiduciary duties include care, loyalty, good faith, confidentiality, prudence, and disclosure.

I saw you brutalising Oxford students exercising their lawful rights, breaking the law and your own university policies.

I took the time to peruse your Universities published policies on bribery / conflicts of interest / freedom of speech / donors / funding and we have so many problems.

[Donations and research funding | University of Oxford](#)

The University is careful to ensure that funding does not impinge on academic freedom or create potential conflicts of interest (that cannot be disclosed and appropriately managed), or otherwise harm the reputation of the collegiate University. In addition to considering reputational issues and the wider interests of the University, funding is also reviewed in light of the University's responsibilities as a charity.

Funding is therefore only requested or accepted if it will not have an influence on decision making at the University, will not interfere with its charitable objectives of teaching and research, will not harm the reputation of the University, and if it will not result in the University or any of its members acting illegally, improperly or unethically. The latter includes, for example, the following considerations:

Illegal or unethical activity, such as where the funding is believed **to be a result of criminal activity**, is linked to money laundering activity, or

otherwise originates from or is associated with unethical activity.

Bribery, either where the University believes it would be accepting a bribe or would be offering a bribe to the funder.

Terrorism, where the funding is suspected to be associated with terrorist financing activity.

Where any conditions attached to funding would require the University to act illegally or unethically in any way.

Funding will not generally be accepted if the potential funder is actively involved in the tobacco industry.

You won't accept funding from the Tobacco industry but you will accept funding from war criminals, war lords, genocidal Zionist/Nazi eugenics gene-editing psychopaths, the military industrial complex for the purpose of slaughter of innocents around the world for profit and pleasure in war games.

I further took the time to peruse the Faculty of Law's stance on human rights, they seem to brag how proud they are of standing up for them, especially minorities.

It is very unfortunate that your actions provably breach all of the above and ultimately, the law.

I WOULD PAY ATTENTION IF I WERE YOU.

They lie, have always lied and the evidence below proves it beyond any reasonable doubt.

I would ask you therefore to please take very seriously, read, review and share amongst your spheres of influence the full contents of the 222 pages of email material evidence below, to whom and when it was sent, which is accompanying my claim and legal commercial liens filed against criminal corporations up to and including the crown, the government & associates for their heinous and insidious high treasons, genocides and crimes against humanity past and present.

Criminals connected to and protected by a sitting Warlord in the House of Lords kidnapped my children in 2020 for exposing their crimes past and present and I have not seen them since. They sacrificed my children to cover their own asses and use them as a weapon against me. They have ignored all evidence against themselves in multiple courts by multiple ALLEGED judges/officials/public servants/professionals. My cases prove criminal chain conspiracy and corruption of the entire system plus a long list of other very serious crimes. They have weaponised the legal system in Lawfare against me based on their own proven lies and

crimes. They have attacked, threatened with prison and fined my disabled wheelchair bound 77 year old vaccine injured mother for crimes she is completely innocent of. They ignored all evidence against themselves in her cases as well and attached a fine for a speeding ticket, when she cant walk let alone drive and doesn't have a driving licence, to her pension. They are trying to silence, ignore, oppress, abuse, attack, threaten, torture me for telling the truth, for reporting very serious crimes to all those I'm supposed to report them to, especially against all the children, including the paedophiles in every public office, their state sponsored trafficking and how they knowingly abuse/torture/poison/attack/ profit off them all no different in anyway to the original slave trade and we can prove this with material evidence. I reported a Judge for her crimes of Trafficking and cover up of NHS crimes by scapegoating innocent parents and using lawfare against their entire family to silence them as well as take their baby, all for profit and cover up, who was hurt by gross negligence of the NHS and she, the criminal Judge in contempt committing crimes is trying to threaten me with contempt for exposing her. This is how they operate. It's just a serious criminal network of schizophrenic warlords and a huge paedophile ring as per the material evidence not merely hearsay or professional opinion.

Lives, livelihoods and liberties are in peril EVERYWHERE.

Having spent 4 years writing, printing, collating and serving documents around the world, my patients and excitement for paperwork is probably at the lowest it has ever been.

However this information needs to be included in the material evidence for the Commercial Court Claim and Legal Commercial Liens for High Treasons and Crimes Against Humanity.

GENOCIDE

Anyone who dare say "Genocide is difficult to prove" is a LIAR and are either trying to make an excuse because they do not want to be held accountable for genocide themselves or do not want to hold those responsible accountable for Genocide, here is why. History proves that the Earthling - human species has a genocide problem going all the way back.

Genocide Definition: the deliberate killing or severe mistreatment of a large number of people from a particular national or ethnic group with the aim of destroying that nation or group which is born out of hate.

And as we know, hate is born out of a hateful / demonic spirit.

And as we know, the biggest part of us is spirit/consciousness having a human experience.

Here are a few Genocides as point of reference, Genocide is classified as anything **over 1000 deaths** of a particular national / ethnic / religious group

List of genocides - Wikipedia

KING LEOPOLD - killed 10 million Congolese people

Atrocities in the Congo Free State - Wikipedia

Mass Violence and Genocide by the Islamic State/Daesh in Iraq and Syria | Holocaust and Genocide Studies | College of Liberal Arts (umn.edu)

The Massacre of the Jews at Clifford's Tower | English Heritage (english-heritage.org.uk)

Genocide has ALWAYS been a top down problem which brings us to the INBREEDING/INCEST OBSESSION of the Monarch/Royals/Wealthy again, going all the way back. Incest was a common tactic among royal/wealthy families to retain power.

In fact, between 1824 and 1877, of 36 male Rothschild descendants, 30 married their cousins, with first preferences going to those whose fathers were partners in different branches of the bank, giving a whole new dimension to the term 'family business'.

So, scientifically, it can be proven, that MADNESS (Schizophrenia = Psychosis), deformities and defects are a DIRECT RESULT of incest/inbreeding.

The potential for sexual abuse and lasting trauma is high, and the odds of inheriting **rare genetic diseases goes up **exponentially** among children who are the result of human inbreeding.**

Inbred children commonly displayed decreased cognitive abilities and muscular function, reduced height and lung function, and are at greater risk from diseases in general, they found. The inbred children are also at higher risk of rare recessive genetic disorders, though the researchers didn't include any data on those. The researchers found that inbreeding in humans causes physical and mental problems,

If we look at the ages of these incest relationships across time, there is a direct link to Paedophilia. Pedophilia (alternatively spelled paedophilia) is **a psychiatric disorder in which an adult or older adolescent experiences a primary or exclusive sexual attraction to prepubescent children.**

It is also a Paraphilic disorder. These fantasies and behaviors may involve children, non-consenting people, or inanimate objects. People with paraphilic disorders **suffer from personal distress and impaired functioning.** A paraphilia is only considered a disorder when it **causes harm or distress to oneself or others.**

Paraphilias, as a group, have a high rate of comorbidity with one another and an equally high rate of comorbidity with anxiety, major depression or mood disorders, and **substance abuse disorders.**

Abstract - SCHIZOPHRENIA (PSYCHOSIS) INCREASES 17% PER 1% INCREASE OF INCEST

Autozygosity occurs when two chromosomal segments that are identical from a common ancestor are inherited from each parent. This occurs at high rates in the offspring of mates who are closely related (inbreeding), but also occurs at lower levels among the offspring of distantly related mates. Here, we use runs of homozygosity in genome-wide SNP data to estimate the proportion of the autosome that exists in autozygous tracts in 9,388 cases with schizophrenia and 12,456 controls. We estimate that the odds of schizophrenia increase by ~17% for every 1% increase in genome-wide autozygosity. This association is not due to one or a few regions, but results from many autozygous segments spread throughout the genome, and is consistent with a role for multiple recessive or partially recessive alleles in the etiology of schizophrenia. Such a bias towards recessivity suggests that alleles that increase the risk of schizophrenia have been selected against over evolutionary time.

Inbreeding occurs when genetic relatives have offspring. Because all humans are related to one another, even if very distantly, all people are inbred to various degrees. From a genetic standpoint, it is well known that inbreeding increases the risk that a child will have a rare recessive genetic disease, but there is also increasing interest in understanding whether inbreeding is a risk factor for more common, complex disorders such as schizophrenia. In this investigation, we used single-nucleotide polymorphism data to quantify the degree to which 9,388 schizophrenia cases and 12,456 controls were inbred, and we tested the hypothesis that people whose genome shows higher evidence of being inbred are at higher risk of having schizophrenia. We estimate that the odds of schizophrenia increase by ~17% for every 1% increase in inbreeding.

In conclusion then, it is clear and can be proven with material evidence past and present, that not only is incest, but inbreeding, paedophilia, schizophrenia, psychosis, substance abuse, young blood, hate of others not themselves (peasants/animals/useless eaters=us) Slavery, War, Genocide and sacrifice of innocents for their own profit and pleasure has always been a practice and ritual by the Royals / Wealthy / Elites going all the way back across the world.

They have always been tyrants, occupiers, colonisers, murderers, barbarians, drug addicts, private pirates and profiteering warlords with genocidal ambitions and goals WHO ARE OBVIOUSLY OUT OF THEIR GODDAM MINDS and it is both FARCICAL and LUNACY to even attempt to argue otherwise.

THE TEN STAGES OF GENOCIDE

The stages are:

1. **Classification** – The differences between people are not respected. There's a division of 'us' and 'them' which can be carried out using stereotypes, or excluding people who are perceived to be different.
2. **Symbolisation** – This is a visual manifestation of hatred. Jews in Nazi Europe were forced to wear yellow stars to show that they were 'different'.
3. **Discrimination** – The dominant group denies civil rights or even citizenship to identified groups. The 1935 Nuremberg Laws stripped Jews of their German citizenship, made it illegal for them to do many jobs or to marry German non-Jews.

4. **Dehumanisation** – Those perceived as 'different' are treated with no form of human rights or personal dignity. During the Genocide against the Tutsi in Rwanda, Tutsis were referred to as 'cockroaches'; the Nazis referred to Jews as 'vermin'.
5. **Organisation** – Genocides are always planned. Regimes of hatred often train those who go on to carry out the destruction of a people.
6. **Polarisation** – Propaganda begins to be spread by hate groups. The Nazis used the newspaper Der Stürmer to spread and incite messages of hate about Jewish people.
7. **Preparation** – Perpetrators plan the genocide. They often use euphemisms such as the Nazis' phrase 'The Final Solution' to cloak their intentions. They create fear of the victim group, building up armies and weapons.
8. **Persecution** – Victims are identified because of their ethnicity or religion and death lists are drawn up. People are sometimes segregated into ghettos, deported or starved and property is often expropriated. Genocidal massacres begin.
9. **Extermination** – The hate group murders their identified victims in a deliberate and systematic campaign of violence. Millions of lives have been destroyed or changed beyond recognition through genocide.
10. **Denial** – The perpetrators or later generations deny the existence of any crime.

AFTER GENOCIDE ALWAYS COMES GENOCIDE DENIAL

LAW OF WAR

I have read this twice, I have a highlighted copy which I took with me to Nottinghamshire Police when I was unlawfully arrested for reporting crimes to those I'm supposed to report crimes to, as they attempt to make truth a crime, again OUTRIGHT LUNACY and was interviewed (1 of 4) you can go into the document and use the search tool. I suggest you search the following terms:

"Children"

"Self Defence"

"Bioweapons"

"Poison"

This document is 1254 pages long, it is highly referenced at the bottom of each page with laws, rules, policies, conventions, **AND CASE LAW/LEGAL PRECEDENCE.**

[Department of Defense Law of War Manual \(Updated July 2023\)](#)

What you will discover, is that Children, Pregnant women and the elderly are "protected persons" and should, as innocent citizens, always be treated with respect and protected. They should always be taken to safety, they should always, have access to treatment, hospitals, school(education) and food.

This directly contradicts the actions of those conducting multiple concurrent genocides by air (proven below), by water (proven below), by food /drink / consumables (proven below), by biological weapons sold as "vaccines" or "Medicines" - Drugs with lethal consequences, known

and premediated in all circumstances by the manufacturers and all other interested parties prior to their approval and roll out on the populous **WITHOUT THE LEGALLY REQUIRED FULL INFORMED CONSENT (OUTLINED BELOW)**

Many of which have serious neurological /behavioural / mental health side effects including psychosis/anger/mood swings.

They are trying to make everyone like themselves i.e. mentally disturbed and profit off the demise and destruction they inflict.

Poisons, Toxins and Bioweapons are SPECIFICALLY PROHIBITED.

Two further references to the Palestinian State - Mark Twain 1867 and Lord Rothschild himself saying he created Israel from Palestine in the Jewish Chronicle.

Mark Twain's The Innocents Abroad, the **Survey of Western Palestine**, and the Desolation of the Holy Land

Mark Twain traveled through the Holy Land in 1867 and was dismayed by what he saw. At the end of the Holy Land section of his travelogue The Innocents Abroad (1869), Twain summed up his impression, writing, "Palestine sits in sackcloth and ashes. Over it broods the spell of a curse that has withered its fields and fettered its energies . . . Palestine is desolate and unlovely. And why should it be otherwise? Can the curse of the Deity beautify a land?"

[Actually, Mark Twain Knew There Were Palestinians In Palestine \(substack.com\)](http://substack.com).

[A family that helped build a new nation - The Jewish Chronicle \(thejc.com\)](http://thejc.com).

Any Jew / Zionist / Person that disputes these proven facts with material evidence is delusional.

More evidence of the Schizophrenic Warlords can be evidenced in the fact that In 1776 Americans rose up as a resistance force against The British Rule of the King, of tyranny, oppression, occupation, and colonisers.

The proven 97% Palestinian populous, by multiple census, did the exact same thing, as Palestine has always existed and we can prove this going all the way back, and formed a resistance group to defend their race, fight the tyranny, oppression, occupation, and Zionist colonisers who have been committing ethnic cleansing and ever increasing theft, brutality, apartheid since they stole the land in 1948 with the assistance of the British Government under direction of the Monarch and Americans/British (who conveniently profit from al war) have the audacity to call them Terrorist for doing THE EXACT SAME.

Self Defence is OBVIOUSLY allowed in the Law of War.

So currently American politicians, funded by zionists, are acting as a subsidiary of Zionists/Zionist Israel and foreign agents in their own country, acting directly against its own populations wishes and not in their best interests breaching their fiduciary obligations and trust.

An example is Anthony Blinken, who is a Zionist Jew, his Jewish Father the founder of an enormous private equity fund is heavily invested in Zionist Israeli companies. So which State is he actually acting as a Secretary of?

Next, Obama agreed [U.S., Israel sign \\$38 billion military aid package | Reuters](#)

So we have a situation where American / British tax payers are funding our Proven criminal Governments, their proven private puppeteers, proven pathological liars, proven insanity, engaged in multiple zionist/nazi/satanic proven Genocides, War Crimes, Crimes Against Humanity to send our money to Zionist Israel in the HOLY LAND which is the land of ALL PROPHETS OF ALL FAITHS (JUDAISM/CHRISTIANITY/MUSLIM), to destroy it, sacrifice and kill innocents on mass, THE ANTITHESIS OF GOD, THE ANTITHESIS OF ALL FAITHS. All acts and war crimes specifically prohibited by all laws that everyone seems happy to ignore and breach proving again THE RULE OF LAW DOES NOT EXIST AND EVERYONE HAS GONE INSANE.

Americans/British Tax dollars are used to provide free healthcare, free education (hatred indoctrination) to ensure they DO NOT debt slaves, thanks to others and that we continue to be debt slaves to them and hand out free assault weapons to Zionist citizens and military to continue to massacre and attack innocent jews, innocent christians and innocents muslims. Meanwhile in America/Britain they use those same tax monies to ban assault weapons for "self defence", do not provide free healthcare to all nor free university education to all.

ZIONISM AND JUDAISM ARE NOT THE SAME THING

JUDAISM JEWS, CHRISTIANS, MUSLIMS AND ALL OTHER DENOMINATIONS ARE STANDING TOGETHER AGAINST GENOCIDE AND THEY CANNOT STAND IT, THEY ARE FREAKING THE FCK OUT AND DEMONSTRATING FOR THE WHOLE WORLD THEIR PSYCHOSIS

WHICH BRINGS US TO MY MAN MOSES - THE SIXTH AND SEVENTH BOOKS OF MOSES

"Moses's Magical Spirit Art known as the wonderful arts of the old wise Hebrews, taken from the mosaic books of the Kabbalah and the Talmud for the Good of Mankind"

Moses was a Hebrew teacher and most important prophet in Judaism, Christianity and Islam. The Pharaoh enslaved the hebrews, taxed them (TAXATION/INTEREST is Slavery, USURY/USERER and forbidden by all prophets across all faiths, there were laws forbidding it)

[Moses \(jewishvirtuallibrary.org\)](#)

Moses marries Tzipporah, one of the Midianite priest's daughters, and becomes the shepherd for his father-in-law's flock. On one occasion, when he has gone with his flock into the wilderness, an angel of the Lord appears to him in the guise of a bush that is burning but is not consumed (see next entry). The symbolism of the miracle is powerful. In a world in which nature itself is worshiped, God shows that He rules over it.

Once He has so effectively elicited Moses' attention, God commands-over Moses' strenuous objections-that he go to Egypt and along with his brother, Aaron, make one simple if revolutionary demand of Pharaoh: "Let my people go." Pharaoh resists Moses' petition, until God wreaks the Ten Plagues on Egypt, after which the children of Israel escape.

Months later, in the Sinai Desert, Moses climbs Mount Sinai and comes down with the Ten Commandments, only to discover the Israelites, many of whom thought he had died, engaged in an orgy and worshipping a Golden Calf. The episode is paradigmatic: Only at the very moment God or Moses is doing something for them are they loyal believers. **The instant God's or Moses' presence is not manifest, the children of Israel revert to amoral, immoral, and sometimes idolatrous behavior.** Like a true parent, Moses rages at the Jews when they sin, but he never turns against them-even when God does. To God's wrathful declaration on one occasion that He will blot out the Jews and make of Moses a new nation, he answers, "Then blot me out too" (Exodus 32:32).

The law that Moses transmits to the Jews in the Torah embraces far more than the Ten Commandments. In addition to many ritual regulations. the Jews are instructed to love God as well as be in awe of Him, to love their neighbors as themselves, and to love the stranger-that is, the non-Jew living among them-as themselves as well.

Thus, anyone claiming to be of faith, Zionist, Jew, Christian, Muslim that thinks lying, slaughter of innocents, especially children and hatred of others, by their own texts, proves they ARE NOT BELIEVERS IN THEIR GOD NOR FOLLOWERS OF THEIR COMMANDMENTS as well as breaking all laws.

What is the purpose of the PROVEN Zionist owned/funded Gene Editing bioweapon? DNA being source code and your divine biological masterpieces direct link to your ancestors, their memories, their data encoded, past down and to the creator. Kemet is the spirituality of Ancient Egypt and predates

**Christians have killed people repeatedly throughout history
Muslims have killed people repeatedly throughout history
Zionists have killed people repeatedly throughout history
Nations have killed people repeatedly throughout history**

It has absolutely nothing to do with the labels attached to the vessel but is **THE NATURE OF THE SPIRITS BEHIND THE SPECIFIC INDIVIDUALS INVOLVED** and any person trying to tarnish an entire race/religion with the same brush is provably a lunatic using it as an excuse to commit heinous crimes.

We must own all these atrocities now, we must hold ourselves accountable for all of them, we must recognise our past mistakes as lessons learned, we must make reparations to all victims of these crimes to break the generational cycles that keep us trapped from evolving to our highest potential, to heal, to start again, to be reborn, to achieve greatness, to take a leap of faith together for our children, for their children, for their children's children, for our collective future and for the survival of the human race.

To continue to deny them, is to consciously agree to continue to be participants in outright MADNESS/PSYCHOSIS

The Order of the Poor Knights of Christ and of the Temple of Solomon, or, as it is otherwise called, **Knights Templar, was founded in Palestine** in the 12th century by the Crusaders. **The Order** was a purely military one. It was made for the purpose of guarding the pilgrims on their way to Jerusalem. It order got the latter part of its name, **“Temple of Solomon,”** from the fact that the King of Jerusalem, Baldwin I, gave a part of his palace known as the “Temple of Solomon” for its use.

At the head of the Order was a Master of the Temple, afterwards known as a Grand Master. His authority was very great, and generally this word was law; but in extremely large matters- as declaring war, etc.-he had to consult the chapter. and the members decided by a majority vote. The celibate life members wore a white mantle with a red cross on it; the others a black or brown one, also with a red cross on it. Within fifty years after it was founded it was established in nearly all of the countries of Europe. Lands and manors and castles were given to the Knights by different kings in their kingdoms and the Pope allowed them to have their own churches and even churchyards in which the excommunicated could be buried.

They were even free from tithes and all local jurisdictions, and finally became a separate ecclesiastical society under the Pope. The result was “war” between them and the secular clergy, but as long as the Crusades continued they remained all powerful with the Papacy. Their object was to carry on the Crusades and wrest the

Holy Land from the Infidel, and for this purpose they gathered money and recruits from all parts of Europe. It is now seen that when the Crusades were over it was the inevitable fate of the Knights Templar to fall.

In 1291 the Templars retired from the Holy Land to Cyprus, and ten years later the curtain was rung down on their vast theatre of action-Asia Minor.

The Knights Templar, who in the 12th century came together to protect the pilgrims going to and returning from Jerusalem, and took an oath to live in chastity, obedience and poverty, two hundred years later were the most influential, rich and powerful body of men in the world. When their last Grand Master, Jacques de Molay, came to Paris he brought with him 150,000 gold florins, and ten horse loads of silver. But this was a very small part of their immense wealth. They had castles and strongholds and estates in all parts of Europe, and they had a strict military organization connecting them together. They were the international bankers of the then known world. They were trusted with money and with its transmission to all parts of Europe, and the East on account of their great wealth, great protective power and their pious life. While they never exercised governmental power like the Knights in Prussia and in Rhodes, still they were really far more powerful-an ecclesiastical power that covered the entire civilized world. They never, apparently, were so high as just before they fell.

The order became Freemasons.

[The Tragic History of Molech Child Sacrifice - What Do You Think? - Parshah \(chabad.org\)](#)

The Abarbanel offers two answers:

1. The people of Canaan were morally derelict, specifically in these two sins.
2. Just as sexual promiscuity is the abuse of the procreative power, so too the passing (and killing) of one's child through fire is the abuse of the divine gift for procreating children.

[Rabbi Samson Raphael Hirsch](#)²² opines that the link between the two is that “one’s children are not born from blind bodily lust but were rather born inherently free. So too in their lives, they should not be subservient to blind luck and destiny which befalls them. After all, their conception and birth were by Divine Guidance and Providence, and therefore they should lead a purposeful life... “Give Me your children – says G-d – let Me educate them, allow Me to bring each one of them to their ultimate potential in their unique way. **Don’t give them over to Molech and thereby desecrate My name!**”

The take-home message from this disturbing history lesson is that we must cherish our children and our responsibility towards them. Young children are dependent upon adults, and it is the adults’ obligation to take that task seriously and never abuse the naivete and trust of young children. We are called upon to watch over and protect G-d’s magnificent children.

Perhaps no pagan deity was as reviled as Moloch, a god whose cult reportedly sacrificed children in a furnace set inside the belly of a bronze bull.

Throughout antiquity, sacrifice might have been utilized in times of great strife. But one cult stands out from the rest for its brutality: the cult of Moloch, the alleged Canaanite god of child sacrifice.

The cult of Moloch, or Molech, is said to have boiled children alive in the bowels of a big, bronze statue with the body of a man and the head of a bull. **Offerings, at least according to some inscriptions in the Hebrew Bible, were to be reaped through either fire or war** — and it’s rumored that devotees can still be found to this day.

Zionists are filthy fcking GENOCIDAL PSYCHOPATHIC LIARS and THE DEVIL IS A LIAR.

I was taken to these types of Elite parties, attended by rich people off their face on drugs that quite literally shag anything that moves, any hole is a goal type attitude, did not participate because i'm a monogamous person and personally think it is gross however I did witness what goes on at them and after how my ex tortured me for 10 years, still ongoing, was the reason I chose to be celibate for the last 4 years, since August 2020. I'd rather be alone than ever ever ever let a demon like that near me again and unfortunately there are a lot more of these types out there than you might think.

Now, going out with a Fraud/Thief/Narcissist/Abuser/drug dealer/rapist/sexual deviant/murderer/violent dangerous MAPPA, one of an enormous network of the same, over a period of many years, you not only know the individuals inside out, you know all their crimes, you know how they move, you know their connections, you know their clients, you know their thoughts, you know their behaviours, you know their patterns, you know their intentions, you know their operations, you know all of their schemes and secrets because these types of individuals are the worst pathological liars and mask wearers you will ever meet. They are shapeshifters

depending on their audience, their behaviour and words mirrors whoever they are trying to impress, use and abuse for their own gain.

These lot go church on Sunday's in a "Keeping up appearances" type fashion.

Their drug clientele includes: CEO's, MD's, Lawyers, Barristers, Royals, MP's, Lords, Judges, Nurses, Doctors, Security, Carers, Teachers, Social Workers, Council Staff, Court Staff, Police, Anyone in Sales....

So the network of addicts or corrupt individuals they can bribe or blackmail to do their bidding is basically everyone.

There are so many other's, they are all the same.

I am, was, a fire breather/burlesque/angle grinder performer and performed at these types of parties/events and big festivals.

Way back in 2020 and many times since, I provided all stash houses, names, numbers, address's, links, social media/profile names on sex/dark sites where they arrange gang rapes and traffick drugs, abuse women. I didn't want what had happened to me to happen to anyone else.

I equate Walker & Associates (including Sam Evanson) to the P Diddy scandal currently unfolding with legal cases against him, in that Diddy has always been a Narcissistic Monster, Predator and Abuser but has money, was surrounded by an enormous network of the same who not only allowed him to get away with it but covered it up. He isn't the first and won't be the last. A video has just been released of Cassie running away from him, the woman who came out and everyone turned on her, called her a liar, slandered and defamed her, bullied her. This video shows her

running away, trying to escape and Diddy running after her beating the crap out of her in a hotel hallway.

SHOCKING! Diddy is a MONSTER! Hotel Footage PROVES Cassie Was Telling The Truth.

So why do people protect these types, 1. They know exactly who they are and if they don't protect them they know exactly what will happen to them 2. Misplaced loyalty based on their activities behind closed doors and the secrets that may be exposed about themselves that they have hidden from others should they say anything.

It reminded me of so many events but one particular came to mind, the events that occurred after I took an overdose of paracetamol, a stupid attempt to escape him admittedly and had to walk home from hospital as I didn't have my car or wallet and he wasn't answering the phone. When I got to the house in the morning, there was music blaring and my house was full of people. He'd gone to a fetish sex club whilst I was in hospital and brought everyone back. This story appears earlier in the diaries in detail. He ended up giving me a black eye, chased after me down the stairs and round the house, strangled me with the strings of my hoody, dragged me across the floor in front of people.

See, as is often the case with predators/frauds, they tell you what you want to hear and I fell for it. It was all a lie, from the second I met him just so he could use me for whatever he could get out of me. I thought I was in a monogamous relationship when in reality, I was a just number, I was a stop on his rounds that he took full advantage of. He cheated on me the entirety of our relationship and other women/men, even his ex's, oldest friends and their mum's would tell me, show me evidence and he would call them all crazy, all liars, all his ex's were crazy liars too. It was too much for my broken heart to even comprehend because I loved him so I just chose to block it out by any means necessary, believe his lies and allow the abuse, crimes and violence to continue because he would tell me every chance he got that no one else would ever want me, threaten to kill me or that I should kill myself better next time, even in front of my mum, "friends" and my sons.

He said he'd loose his sh*t if I ever left him, he said he'd come for me which is exactly why I had to record and share every embarrassing and shameful detail all day every day publicly from the get go, it was my only slim chance of staying alive.

While we are at it, we may as well cover off all the other Crimes Against Humanity not already covered/referenced.

Remember Erin Brockovich? The film is a dramatization of the true story of Erin Brockovich, portrayed by Julia Roberts, who initiated a legal case against the Pacific Gas and Electric Company over its culpability for the Hinkley groundwater contamination incident.

Erin is given files for a real estate case where the Pacific Gas and Electric Company (PG&E) is offering to purchase the home of Donna Jensen, a resident of Hinkley, California. Erin is surprised to see medical records in the file and visits Donna, who explains that she had simply kept all her PG&E correspondence together. Donna appreciates PG&E's help: she has had several tumors and her husband has Hodgkin's lymphoma, but PG&E has always supplied a doctor at their own expense. Erin asks why they would do that, and Donna replies, "because of the chromium". Erin begins digging into the case and finds evidence that the groundwater in Hinkley is seriously contaminated with carcinogenic hexavalent chromium, **but PG&E has been telling Hinkley residents that they use a safer form of chromium. Between 1952 and 1966, PG&E used hexavalent chromium in a cooling tower system to fight [corrosion](#). The waste water was discharged to unlined ponds at the site, and some of the waste water percolated into the [groundwater](#), affecting an area of approximately 2 square miles (5.2 km²) near the plant.

As of 2019, average Cr-6 levels for water from wells in Hinkley were still peaking at 100 times California's maximum contaminant level for the compound at over 1,000 [parts per billion](#),^[16] even though, by 2021, PG&E claimed they had cleaned up 70% of the contamination.^[17] In October

2022, even though the [EPA](#) announced Cr-6 was likely [carcinogenic](#) if consumed in drinking water.

636 Hinkley residents sued the San Francisco utility and, in 1996, won a \$333 million settlement.

Community Healthbook lets individuals and community groups report and review health related concerns and community environmental issues by geographic area and health related topic.

Ten years ago, Erin began mapping issues reported to her by You, The People. Over that period, thousands of you have shared your local concerns for family, neighbors, and coworkers. **Most reported issues concern the abuse of our environment, suspected contamination of water systems, medical device failures, and drugs gone bad.**

Erin's vision for Community Healthbook is to provide a platform that highlights missing data points coming from the people that local, state and federal agencies cannot or will not hear or recognize.

CONTAMINATED WATER CAUSES DEMENTIA -

Exposure to heavily contaminated water which may contain Organic chemicals, neurotoxic substances may pose threat in damaging brain parenchyma there by contributing to dementia like illness. Evidences reveal that Aluminium levels in contaminated drinking water are related to the incidence of Alzheimer's disease.

Fluoride is a neurotoxin - a toxic compound that specifically targets and affects neurones, causing neurological disorders and impairments. **Studies show that fluoride can cross the blood-brain barrier and accumulate in the brain, leading to neurotoxic effects and impacting cognitive function - even causing IQ loss, ADHD and autoimmune disease.**

Although fluoride is used industrially in a fluorine compound, the manufacture of ceramics, pesticides, aerosol propellants, refrigerants, glassware, and Teflon cookware, it is a generally unwanted byproduct of aluminium, fertilizer, and iron ore manufacture.

Following the UK pilot schemes, the first substantive WF scheme in the UK commenced in Birmingham in 1964. The other large-scale fluoridated water scheme in England is in the north-east of England.

Evidence for the attention of the Health and Social Care Committee.

19th . March 2021

Presented by Paul Carr, Chairman of Fluoride Free Cumbria which is a group of people of all ages and backgrounds who are dedicated to the ending of mandatory fluoridation (ie: medication) of

the drinking water of West Cumbria and worldwide.

I believe that Fluoridation must be removed entirely from the White Paper on health and social care for a number of reasons:

1. It will be in breach of The Nuremberg Code where the quote: "The voluntary consent of the human subject is absolutely essential". The white paper is confusing consultation with informed consent. Each individual recipient of fluoridated water must have given their informed consent to this process before it commences. Not one person in West Cumbria has done so. I DO NOT CONSENT.
2. This outdated and largely discredited process is illegal in Scotland and may well be in England for the same reasons and I refer the committee to the Lord Jauncey, in causa ,Mrs. Catherine McColl against Strathclyde Regional Council (1982) ruling which found that fluoridation would be ,ultra vires the Council a) a nuisance in that fluoride as a known toxic substance would be harmful to the consumers of the water b) an infringement of the duty to supply wholesome water for domestic purposes c) an infringement of the medicines act,1968,in that, without a products licence the Council would be supplying a medicinal product for a medicinal purpose. This can all still be applied to England in that fluoride is toxic and presumed neurotoxic, more toxic than lead. The substance being added is H₂SiF₆ which is an industrial waste by-product which also contains lead, arsenic and other heavy metals. It is being used to medicate the water supply without the appropriate licence and in a totally indiscriminate way taking no account of age or infirmity and without any control of dose. IT IS HARD TO BELIEVE BUT TRUE.
3. Fluoridation does not work. Contrary to the Secretary of State's statement there are NO public health advantages to the fluoridation of drinking water. There is not one robust, scientific, peer reviewed study that shows fluoridation to be a safe and effective public health measure. The clinical evidence is not strong as claimed. There are however many recent, robust, peer reviewed studies linking fluoride to brain damage (see Bashash et al 2017) and lowering of IQ in the foetus, babies and young children and also to ADHD and many other suggested adverse health effects. All red flags in my opinion.
4. What does work, however, are targeted oral health programs such as Childsmile in Scotland which should replace fluoridation in the White Paper. Childsmile is a very successful, internationally acclaimed oral health program which focuses on children from a very early age from nursery upwards , very importantly including parents, teaching about oral health, good brushing habits and crucially healthy diet. Sugar is a major enemy. The other major advantage is that it can be targeted in a way to reduce inequalities by concentrating on the disadvantaged and in deprived areas, where tooth decay is rampant. Fluoridation cannot do this and is not the silver bullet and not "very, very good for dental health "as claimed by the Secretary of State.
5. It is acknowledged by all sides of the argument that over exposure to fluoride causes dental fluorosis which is not just cosmetic as claimed but can be very severe. It is also an indication that the skeleton has also been affected resulting in skeletal fluorosis. Dental fluorosis can be very costly to treat requiring expensive veneers being applied repeatedly which disadvantages the deprived and poor, who can barely afford to go to the dentist, thereby creating even more health inequalities.

6. The vast majority of the public do not support fluoridation of the water supply as claimed by the Secretary of State. There have been many newspaper and other polls on this question and NOT ONE voted in favour. All voted in the high percentage against. Here in Allerdale the vote was 83% against. It is illegal to fluoridate in Scotland, Wales decided not to fluoridate and have a very successful oral health program. Northern Ireland do not, 97 % of Europe has either decided not to or banned it and most of the rest of the world does not because it is neither safe or effective.

7. It should also be pointed out that fluoride is a known endocrine and enzyme disruptor and in particular the thyroid causing a slowing down of the metabolism which in turn contributes to sufferers being lethargic, overweight and obese and therefore contributing to the obesity crisis we now find ourselves in. Fluoridation is therefore counter intuitive. Fluoride is also present in many foods and drinks and in high quantities in our national drink TEA ! It should be noted that the second most prescribed drug in England is Levothyroxine which is used in the treatment of under-active thyroid which indicates to me, a layman and a retired Ironmonger , that there is a problem here.

8. Water courses will never respect Council or water company boundaries and this will not change if authority returns to central government and I question why the Secretary of State brought this into the equation. It is not relevant but a distraction.

9. It should be pointed out that fluoridation is totally indiscriminate and a complete waste of money and the PHE financial justifications have been totally discredited. Most of the fluoridated water is used to do the washing and wash up, flush toilets, wash cars, water the grass, use for industrial processes with as little as 3% being used for cooking and an even smaller percentage reaching the target audience "the kids" who choose mostly to drink fizzy pop!

10. Mandatory "is not the way we do things" to quote the Prime Minister and I agree with him. Fluoridation is unethical, unhealthy, unnatural, unproven and unnecessary and is against all the principles of pharmacology and I respectfully request that the committee calls for the removal of fluoridation in its entirety from the White Paper. I believe the Secretary of State the Rt. Hon. Matt Hancock has been seriously ill informed and poorly advised on this subject.

Yours Sincerely Paul Carr Chairman Fluoride Free Cumbria

You have 48 hours to rebut point by point all 200 pages of this email trail OF MATERIAL EVIDENCE FOR THE COMMERCIAL COURT CLAIMS.

During the "pandemic" rich people/in public with common sense were bribing Dr's to put on their medical records that they had had the court proven gene editing bioweapon so they could travel/keep jobs, lied and continue to lie to their sphere of influence.

You could buy fake covid passes/passports online and still can.

I knew people selling them and I know people who bribed Dr's to put their vaccine status on their NHS records.

Absolutely no different to the Nazi Nurses bribed by the State to add 80 false/fake entries onto the medical records of a Navy Captain and whistleblower/witness in an Epstein Court Case I know who knows who all the Elite Paedos are to intentionally destroy his life to try and shut him up. Same sh*t different day. Standard Modus Operandi.

The individuals who bribed Drs with money to alter their vaccine status on their health records were text months later by NHS to come in for a HIV test as HIV (VAIDS Vaccine Acquire Immunodeficiency Syndrome) is a side effect, a list of immunodeficiency related illnesses are listed on the pfizer document release of their own side effects 2020/1 already provided.

Luc Montagnier

In an interview in the French documentary "Hold-Up," Luc Montagnier, a French virologist and **recipient of the 2008 Nobel Prize in Medicine for his discovery of the human immunodeficiency virus (HIV)**, claimed that Covid-19 vaccines are creating new variants in various parts of the world. He believes that the ongoing vaccinations across the world is an "enormous mistake." "The history books will show that because it is the vaccination that is creating the variants." [Multiple French social media posts that have been shared by thousands](#) have also claimed that COVID-19 vaccines are causing variants of the virus to emerge

THE HIDDEN CRIME: Expert Vaccine Virologist who worked for Bill Gates, GAVI and the WHO says if the world knew what these people did they would be stoned in the streets. Their only hope is that something will happen to distract the world from this crime, but that will not happen.

He confirms that those who took the Covid Vaccine have deregulated immune systems and will experience a great loss of life by the end of June due to not being able to fight off the next infection.

He goes on to say that when the new virus comes and it will come, there is no immune resistance whatsoever left in the vaccinated population, but there is immune defense left in the unvaccinated population because their innate immunity has been trained.

He says that this new virus that is coming that was created by previous mass vaccination will look very different from SARS-COV-2, it will still be a Coronavirus but it will look very differently and they will try and say that this is a new virus that we warned you about (Disease X), but it is not, it is the same virus that has mutated because of mass vaccination.

Will H5N1 Bird Flu be the coverup for the predicted mass loss of life in the vaccinated?

He predicts that the Government and Health Officials will mandate Ivermectin and other antiviral drugs to reduce the mass loss of life. Ivermectin and other antiviral drugs must be taken before the vaccinated get sick, because once the vaccinated start showing symptoms of illness, it will be too late, he says. He predicts once symptoms start appearing in the vaccinated they will pass away quickly within 24 hours.

He goes on to say that the truth will surface because this is too big of a crime to hide. He states that those who have committed these crimes have been lying to the people and have not been taking care of the people's health and safety will be severely punished.

He was asked, why does the CDC and others continue to lie about the vaccines? He says, because if the world knew what these people did they would be stoned in the streets. Their only hope is that something will happen to distract the world from this crime, but that will not happen. The world will know the truth.

He predicts that we will have to build a completely new world because the hospitals will collapse and chaos will follow around the world. He says "it will happen."

Regardless if this happens or not and let's hope it does not happen, the truth is, this has been a large scale experimental gain of function on the human population and they all must be brought to justice and severely punished.

Contract law allows either party to cancel a contract based on a material breach which rescinds the contract. This discharges all remaining obligations between the parties.

[Supreme Court confirms 'fraud unravels all' - Lexology](#)

Fraud unravels all, including contracts of employment

The insidious effect of fraud permeates the entire legal system. This is because it renders contracts voidable at the instance of the innocent party; is a crime; excludes the effects of an ouster clause in legislation; and nullifies a contractual exemption clause which purports to exclude a party from the consequences of fraudulent conduct. Its effects are therefore far-reaching. This was recently illustrated in *Umgeni Water v Naidoo and Another* (11489/2017P) [2022] ZAKZPHC 80 (15 December 2022), in the context of employment relationships.

Fraud on the Court

Fraud on the court, or fraud upon the court, refers to a situation in which a material misrepresentation has been made to the court. Alternatively, the term could be used to refer to a situation in which a material misrepresentation has been made by the court itself. The overall defining requirement is that the impartiality of the court has been disrupted so significantly that it cannot perform its tasks without bias or prejudice.

Some common examples of fraud on the court include, but may not be limited to:

- Fraud in the service of court summons, such as withholding a court summons from an entitled party;
- Corruption or influence of a court member or official, such as bribery;

- Judicial fraud;
- Intentionally failing to inform the parties of necessary appointments or requirements, as an effort to impede the judicial process; and/or
- Schemes considered to be unconscionable, as they attempt to deceive or make misrepresentations through the court system.

It is important to note that fraud on the court only involves court officials, or officers of the court, such as judges or court-appointed attorneys. The fraudulent activity must be directed at the “judicial machinery” itself. As such, fraud on the court generally does not mean:

- Fraudulent activity between the two opposing parties;
- The submission of fraudulent documents; and
- [Perjury](#) or false statements made by witnesses.

One of the most obvious examples of fraud on the court is bribery of the judge or members of the jury, which causes the impartial functions of the court to be corrupted. Interestingly, fraud on the court is the one of the only remedies in law that does not have a time limit to set aside the judgment that was obtained by the fraud on the court. Therefore, if bribery of a juror or judge is discovered many years after a judgment was declared, that judgment could still be reconsidered and set aside through a fraud on the court claim.

Fiduciary obligation is the **duty to act in the best interests of another person** or entity. **It is imposed by law or equity** on people **who have power or discretion over the money, property, or information of others**. **Fiduciary obligation is a relationship of trust, confidence, and loyalty**. **Fiduciary duties include care, loyalty, good faith, confidentiality, prudence, and disclosure.**

Directors and officers of corporations owe their shareholders, staff and corporations a fiduciary duty.

Fiduciary duty in a business context refers to acting in the best interests of your shareholders and stakeholders.

Taking the time to understand what fiduciary duty is will help you protect both yourself and your company. Our guide uncovers the types of fiduciary duties, how fiduciary duty relationships work, and what happens when you face a breach of fiduciary.

What is fiduciary duty?

Fiduciary duty essentially means that you are responsible for acting and doing things to benefit someone else. The person with a fiduciary duty is known as the fiduciary, and the person or persons they are responsible to are referred to as the principal or the beneficiary.

In a corporation, the board of directors and the officers have a fiduciary duty to the shareholders and the corporation itself. If you are part of a partnership, you and your partners have fiduciary duties to each other.

When you form your business, it's important to understand your responsibilities and to whom you owe them.

Laws surrounding fiduciary duty requirements can differ depending on the state and the type of fiduciary relationship. However, the general types of fiduciary duties are as follows.

Duty of care: The duty of care requires that you, as a fiduciary, use due diligence to get thorough information before making a decision that could impact your beneficiary. Use reasonable prudence when making decisions and taking any action for the company.

Duty of loyalty: This requirement means that you work in the interest of your beneficiary and not for your own gain. You should approach all professional responsibilities without personal conflict, and fully disclose any personal conflicts that arise.

Duty of good faith: A fiduciary must make all decisions in the best interest of the beneficiary. These decisions include keeping the company's information confidential, taking actions that benefit the corporation, and disclosing any conflicts of interest.

Duty of confidentiality: In the duty of confidentiality, the fiduciary must uphold the confidentiality of all information that pertains to the beneficiary and avoid using this information for personal gain.

Duty of prudence: The duty of prudence means that fiduciaries must make all decisions with the highest degree of care, caution, and skill.

Duty to disclose: This duty requires a fiduciary to disclose all information that could impact their beneficiary or their ability to uphold their fiduciary duties.

What is a fiduciary relationship?

A fiduciary relationship is when one party (the beneficiary) places trust and confidence in another party (the fiduciary) to act in their best interest and help them make important decisions—typically in business, finance, or managing assets.

Contracts, wills, trusts, and corporate settings can bind fiduciary relationships. For example, a board of directors has a fiduciary duty to act in the best interest of each other and the company's shareholders. Whereas a doctor has a fiduciary duty to always act in the best interest of their patients.

Fiduciary relationship examples

There are many different types of fiduciary relationships, but the general fiduciary duties always remain the same, no matter the scenario. That is, the fiduciary is responsible for upholding a duty of care, loyalty, and good faith.

Below are some common examples of fiduciary relationships.

Board of directors and a company

Trustee and a beneficiary

Agent and principal

Controlling stockholder and a company

Guardian and ward

Attorney and client

Doctor and patient

Real estate agent and buyer or seller

Developing and maintaining a healthy fiduciary relationship

For a healthy fiduciary relationship to work, trust must exist between the two parties. As a fiduciary, you have a responsibility to act in the beneficiary's best interest and ensure that trust is maintained. In some cases, you may represent another person as a fiduciary, like a lawyer to a client. In other cases, your responsibilities come with the role, like how directors on a company's board are responsible to each other and their stakeholders.

To maintain a healthy fiduciary relationship, you must always:

Act in the best interest of the beneficiary and never for personal gain

Disclose all information related to the fiduciary relationship

Always act honestly, fairly, and with the utmost care

Never allow personal conflicts to come in the way of the fiduciary relationship

What is a breach of fiduciary duty?

A breach of fiduciary duty happens when a fiduciary fails to uphold their duties and responsibilities and doesn't act in the beneficiary's best interest.

WE can recover ALL damages for ALL breaches by a fiduciary through a lawsuit.

Some examples of breach of fiduciary duty examples include:

Failure to disclose a conflict of interest

Failure to comply with your obligations and duties as a fiduciary.

Failure to act in the best interest of the beneficiary.

Failure to share important information with a beneficiary or partner

[Fiduciary Duties | Legal Guidance | LexisNexis](#)

The duties of some fiduciaries have been codified, for example, the statutory duty of skill and care which is imposed upon trustees by section 1 of the [Trustee Act 2000](#) (TrA 2000) and the relationship between company directors and the company under the [Companies Act 2006](#). I have not come this far nor been tortured for years by this EVIL SYSTEM to give up now, I will NEVER give up on my children who have ben kidnapped, sacrificed, abused, lied to and tortured for years, used as a weapon in an attempt to silence me based on lies of a bunch of crack head traffickers and murderers.

I am CC'ing in the UK ALLEGED criminal Barrister Chambers of the ALLEGED CRIMINAL (Justice) System who as you will discover not only have been sent by post legal documents pertaining to this emergency, these heinous and insidious crimes against us all, which they have ignored, a crime in and of itself, but they were further cc'd in on emails over the last 4 years of material evidence pertaining to this emergency, these heinous and insidious crimes against us all, which they chose to ignore, a crime, in and of itself. They are criminals and participants in crime that we can prove beyond any reasonable doubt and therefore cannot call themselves officers of the court or enforcers of the law.

You will further understand from the emails, material evidence, below and attachments I will send you, of emails sent to them and when, we can prove beyond any reasonable doubt with material / foundation / witness/ demonstrable evidence that the entire system of "law" is:

1. Based upon Fraud / Trafficking (Commercial exploitation of humans by way of force, threats, coercion, manipulation and abuse of power)
2. The Legal system of lawyers / barristers / Judges is riddled with paedophiles/vores (violent dangerous torturous criminals up to and including murderers) outlaws evading the law who protect all other peadophile/vores, they get special treatment in prison IF they are ever brought to Justice and we have AN EPIDEMIC OF THEM as per a child being sold into sex slavery/torture every 30 seconds and 3000 unlawfully taken by the system every day in the UK and other countries around the world.
3. The Legal System of lawyers / barristers / Judges is riddled with individuals with conflicts of interest and secret networks/societies like Freemasons etc who use the system they are in to financially benefit themselves and their associates within or out of the system, they decide the outcome of cases before they even begin
4. The Legal System of lawyers / barristers / Judges financially gain from other peoples misery, they stage, like a scripted play with costumes, a game of egotistical posing and posturing to drag cases on over decades to ensure they financially gain as much as possible from both sides.
5. The Legal System of lawyers / barristers / Judges will weaponise the system of law, in lawfare action, against any and all who expose them or their friends to silence them

6. The Legal System of lawyers / barristers / Judges will unlawfully arrest and unlawfully incarcerate innocents in a prison for profit system or as punishment for exposing them or their friends
7. The Legal System of lawyers / barristers / Judges believe they **WRONGLY** they are somehow superior to us, the peasants, the human animals, the useless eaters (their words not mine), they seek to **DOMINATE**, control, manipulate, deceive, defraud and punish all for their own pleasure and financial gain
8. The Legal System of lawyers / barristers / Judges are participants in State Sponsored Trafficking of Children, kidnap by way of fraud, using their own conspiracy of lies and their own fabricated evidence against innocent parents, their own use and uttering of false instruments to pervert the course of justice, their own contempt of court, their own abuse/torture/destruction of innocent children, innocent parents to line the pockets of themselves, their businesses and the businesses of their network of public-private associates, all to meet the KPI's of their profit making corporations whose goal is the stealing of children, each seen as a commodity with a hefty price on its head and us, the human breeders
9. The Legal System of lawyers / barristers / Judges is therefore, a serious organised criminal network and paedophile ring, **PROVEN**
10. The Legal System of lawyers / barristers / Judges take children from loving homes and place them either with the abusive parent or into a private setting where not only they will make anything from £5-£20K a week from this trafficking as well as interagency fees for taking the child, government own documents prove £27K+ bonuses **PER CHILD TAKEN**, they place them in homes / foster / adoption where they already know there is an abuser/narcissist/paedophile
11. We have testimony from a high ranking police officer who works on a team whose sole job it is to investigate the biological parents records the second any pregnancy is registered on the NHS they get notified, to find **ANY** reason they can either use or manipulate as the reason to be able to take that child, even before it is born.
12. The Legal System of lawyers / barristers / Judges are conwo/men in costumes reading scripts, in a secret language only they understand, on a stage, in a play, in a game and we have not been informed of the rules.
13. The Legal System of lawyers / barristers / Judges allow people with money, as well as themselves, to get away with whatever they want thereby proving the rule of law does not exist.
14. The Legal System of lawyers / barristers / Judges with their public-private associates constantly make up new nonsense that they do not follow but they enforce on the rest of humanity.
15. The Legal System of lawyers / barristers / Judges with their public-private associates pay themselves very handsomely at our expense to commit crimes against us and then throw a hissy fit when they are called out.
16. The Legal System of lawyers / barristers / Judges with their public-private associates/secret societies have practiced egoic rituals since the inception of the system designed solely to protect the interests and activities of the tyrants and barbarians from the peasants, all of us, it has not changed.
17. The Legal System of lawyers / barristers / Judges are engaged in heinous and insidious crimes against humanity, are prostitutes of the law with licences to lie and commit crime.
18. The Legal System of lawyers / barristers / Judges with their public-private associates/secret societies ignore all evidence against itself, its associates and their corporations/interests **UNLESS** it suits their agendas/goals

19. the Legal System of lawyers / barristers / Judges with their public-private associates/secret societies are provably committing WORSE crimes on a WORSE scale with INCONCEIVABLE numbers of victims than the vast majority of those they arrest/charge/incarcerate which lines all their pockets (see point 1.)

Their interest is ONLY in protecting their wealthy clients and their interests and NOT millions/billions of innocents, victims of their clients / associates frauds/crimes.

I am embarrassed to even have to coexist with their evil, to even have to share the same piece of land, to even have to share the same oxygen space as their fcking TITANIC EGOS.

Bet they wouldn't be so egoic if it was their child was raped and murdered in front of their face, stolen and sacrificed, or maybe they wouldn't care, because we can evidence they date rape drug their own children and pass them round their "big" boys club to be gang raped and of course all they care about is money and their ever so precious egos.

The Ego is the DEVIL, The devil is a liar and of course as we know, they just love a bit of devilling and devil masters being that they ARE ACTUAL AND LITERAL DEVIL'S ADOCATES since their inception.

JUDGEMENT: CORRUPT TO IT'S CORE AND HAS ALWAYS BEEN

JUDGEMENT: MENTAL STATUS - DELUSIONAL

There are good ones in there but unfortunately, in this system, devised by the Ultimate Devil Master / Grand Dragon / Grand Wizard / Grand Master / REX (Crown), if you aren't a fraud, a criminal, a paedophile, a narcissist, a murderer (favour child murderers), a trafficker, a crack head, satanic and demonic spirit, you ain't going no where fast as they promote, glorify, idolise, award, reward, pay handsomely those, like themselves, who will do exactly as they do and do exactly as they say, WITHOUT QUESTION and are happy to abuse and torture others for money.

They wear their costumes, masks and speak in tongues well, until now.

They could have stopped this all long ago, but they haven't which indicates they neither care for themselves, for their families, for their elders, for their children, for their country, for their world so they certainly don't care about any of us.

I wonder what it is like to be devoid of a soul, just a usury demon in a skin suit masquerading as a human, what a shallow, pathetic, pitiful and purposeless existence that must be.

GROWN UPS, PROTECT AND DEFEND the innocent, the vulnerable, the sick, the elderly, the defenseless, the poor, the tortured, the raped NOT find a way to profit off them.

They all seem to conveniently forget that the Magna Carta 1215, is still in force across the entire original commonwealth , as per Cabinet Manual 2011 pg 5 (they know because judges have it in their libraries, they pretend like they don't)

[The Cabinet Manual \(publishing.service.gov.uk\)](http://publishing.service.gov.uk)

Clauses 1, 13 , 39 & 40

1. IN PERPETUITY (FOREVER) 39 No free man is to be arrested, or imprisoned, or disseised, or outlawed, or exiled, or in any other way ruined, nor will we go against him or send against him, except by the lawful judgment of his peers or by the law of the land. 40. **That right and justice should not be sold, denied, or delayed to anyone.**

Article 61 provided for the presentation of grievances to the king, and required the king to redress grievances within 40 days or risk rebellion. The Magna Carta's Right to Petition includes, if the right is abridged, the right to wage whatever war against government needed to get just redress.

We The People, the majority, having been providing evidence, in our millions, proving beyond any reasonable doubt Genocides, War Crimes, Trafficking, Terrorism (bioterrorism), Torture, CIDT, Treason, Criminal Chain Conspiracy, SOC/RICO, Crimes Against Humanity and a long list of other crimes for 1539 days + straight.

The evidence below is the most recent email trail following regarding URGENT / IMPORTANT court case judgements with Astrazeneca and Pfizer and there are many many more ongoing and past that EVERYONE EVERYWHERE NEEDS TO BE AWARE OF FOR YOUR OWN HEALTH, SAFETY AND WELL BEING. They are being intentionally hidden from you and the reasons for that are outlined in detail below, in short because people are more concerned with saving themselves, their ego, their reputation, their job, their pride, their bank account than they are about saving billions lives and it is grotesque beyond imagination that we are here.

I have been emailing students and universities around the world regarding Israel and Palestine, Israel are lying, have always lied and we can prove this with material evidence and historical documents, including from the CIA archive, this links back to Zionist / Nazi / Satanic individuals / corporations / ideals leading the world off the edge of a cliff BLINDFOLDED WITHOUT INFORMED CONSENT with war mongering genocidal ambitions, goals, intentions and consequences past and present.

Please, for the sake of humanity, read all the emails below and attachments.

IF MONEY TRULY IS ALL THEY CARE ABOUT, THE TOP 400 LAW FIRMS AND BARRISTERS CHAMBERS SHOULD IMMEDIATELY DROP THESE CRIMINAL CLIENTS, UNITE FORCES, AND ASSIST ME TO ENSURE THE LEGAL COMMERCIAL LIENS I HAVE ALREADY FILED AGAINST ALL CRIMINAL CORPORATIONS ARE ENFORCED AT THE ADMIRALTY COMMERCIAL COURT WHERE I HAVE A CLAIM FOR HIGH TREASONS AND CRIMES

AGAINST HUMANITY AND EVERYONE WILL GET WHAT THEY ARE OWED BACK, INCLUDING THEIR FREEDOM, THEIR HEALTH, THEIR MINDS, THEIR CHILDREN, THEIR RIGHTS, THEIR LIVES AND THEIR FUTURES.

5.55 billion innocents have been administered without full informed consent, which includes being informed of all risks/side effects, a legal requirement for any medical treatment which equates to 5.55 billion cases of medical battery, assault and rape BEST CASE SCENARIO.

[AstraZeneca withdraws Covid-19 vaccine citing low demand \(msn.com\)](#)

Astrazeneca has recalled their vaccine worldwide after 3 billion doses administered, admitting blood clots and other side effects as per the High Court case where vaccine injured families sued them, which we have not only proven in the material evidence below are not rare but were known prior to roll out. They lied, they commit fraud and further to this, they have commit premeditated corporate murder/manslaughter as per the case briefing document from 2022 served to all parties and institutions along with Notices of War Crimes.

I have been to my local Dr Surgery to enquire whether they are still administering Astrazeneca, they did not know.

I asked if they were aware it had been recalled worldwide, they did not know.

I asked if they were aware of the side effects as admitted by Astrazeneca, they did not know.

I asked if they had informed all patients/staff of the court cases and judgements that will affect all 5.55 billion, that should be immediately informed for their safety, health, mental health and well being, they had not.

Either NHS know and are intentionally NOT informing it's own staff or any of it's patients putting them at risk, yet further crimes against tens of millions OR Astrazeneca / HMCTS / CPS has not informed NHS and expect them to by chance have caught the News. Which is fcking outrageous when you spent 24/7/365 forcing them to take it and forcing them to force it on others.

I have video footage from the Surgery, and will be doing hospital Dr/Nurses tomorrow.

We are in a Multi Concurrent Genocidal Twilight Zone and it's getting weird out here.

The Founding of the First Ivy League Institutions

The story of the Ivy League begins in the early days of American colonization when higher education was primarily associated with religious institutions. Harvard University, founded in 1636, claims the distinction of being the first institution of higher learning in the United States. Subsequently, other colonial colleges emerged, including Yale (1701), the College of William & Mary (1693), and the University of Pennsylvania (1740), among others. These institutions laid the foundation for what would later become the Ivy League.

A new report shows that Harvard's ties to slavery were transformative in the University's rise to global prominence, and included enslaved individuals on campus, funding from donors engaged in the slave trade, and intellectual leadership that obstructed efforts to achieve racial equality. The report of the Presidential Committee on Harvard and the Legacy of Slavery, released Tuesday, describes a history that began with a Colonial-era embrace of slavery that saw more than 70 people enslaved by Harvard presidents and other leaders, faculty, and staff. **The report** found that the institution of slavery was essential to Harvard's growth as an academic institution, serving as a key source of the University's wealth across three centuries. Harvard had "extensive financial ties" to slavery through key donors who built their wealth off of slavery, the report said — including some who are memorialized across the University today. The report is Harvard's most significant public acknowledgement of how it was supported and shaped by the institution of slavery. Its release comes more than two years after University President Lawrence S. Bacow **formed the Presidential Committee on Harvard and the Legacy of Slavery**. On Tuesday, the University pledged to allocate \$100 million to implement the report's recommendations. "Slavery—of Indigenous and of African people—was an integral part of life in Massachusetts and at Harvard during the colonial era," the report said.

Links to Bohemian Grove - CIA Archive document attached describes in detail all rituals, references the huge Owl. The owl is used in occult rituals by witches and warlocks.

The owl is associated with death, sorcery and the dark underside of life. To the ancient Egyptians, the owl represented night, death and cold. The Bible (Leviticus) says the owl is an unclean bird. The ancient Greeks, however, viewed it as the sacred symbol of wisdom, for the owl was the constant companion of Athena, goddess of wisdom.

The ancient romans considered the bird a bad omen, presaging death; Caesar's murder was announced by the screeching of owls. Besides death, the hooting of an owl foretells illness, bad weather and the loss of virginity of a village girl. In European and American folklore, various charms could counteract the owl: throwing Salt in a fire, turning one's pockets inside out or tying knots in a handkerchief.

The Aztecs equated owls with evil spirits, including one regarded as the enemy of the human race, whose name was “rational Owl.” In Africa, owls are feared because they are instruments of sorcerers (see [AFRICAn Witchcraft](#)). To North American Indians, the owl is a bird of ill omen, either the harbinger of death or a messenger from the dead. The Sauk believe that if an owl is seen at night, it will cause facial paralysis. Chippewa medicine men stuff the skin of an owl with magic ingredients and direct it to fly to a victim’s house and cause starvation. Folk healers in Peru use owls to combat negative sorcery. In Peruvian myth, the “owl woman” is associated with shamanistic rituals and magical curing (see [Shamanism](#)).

Demons in the forms of owls supposed attended witches, accompanying them on their broomstick flights and running errands of evil for them. magicians and healers used owl feathers as a charm to lull people to sleep. In some cultures, the owl has long been respected. In India, eating owl eyeballs is said to give a person night vision. The kiowa Indians of North America believe medicine men turn into owls at death.

MK-Ultra’s Humphrey Osmond (of MI6 & CIA) [Psychedelics and Fascism: From MK-Ultra, to Esalen and Silicon Valley — Ordo ab Chao](#)

The history of psychedelics begins with Aldous Huxley (1894 – 1963), a fascist who inspired the CIA’s MK-Ultra program. And ultimately, interest in psychedelics derives from **occult interest** in the ancient shamans of the Altai Mountains, which is believed to be the original religion **of the Aryans**. H.P. Blavatsky(1831 – 1891), who is considered the “godmother” of the New Age movement, despite the fact that she inspired the racial ideas of the Nazis, was inspired in her knowledge of Shambhala, a Tibetan Buddhist legend mentioned in the Kalachakra Tantra. Csoma de Körös (1784 – 1842), a Hungarian orientalist from Transylvania, was the first to report of the legend of Shambhala in the West, which he located in **“the land of the Yugurs (Uighurs)”** in Xinjiang, a province of Northwestern China. In an 1825 letter, Csoma de Körös wrote that Shambhala is like a Buddhist Jerusalem, and he believed it would probably be found in Kazakhstan, close to the Gobi desert, where it would later be situated by Blavatsky.[3] Others later would also locate it more specifically either in Xinjiang, or the Altai Mountains. Thus the Altai Mountains are the reputed source of the early form of spirit or “divine” communication known as shamanism, regarded among **occultists as the “Oriental Kabbalah,”** a supposed remnant of the migrations of **Aryan survivors of Atlantis.**

HOW THE CIA PLANNED THE DRUGGING OF AMERICA - LSD, Timothy Leary, Grateful Dead, Hippie Movement, Occult Religions, 60s and WW2 Mind Control Experiments (CIA archive 1979 attached)

Other documents indicated that Leary had received money channeled by the CIA through various government agencies. Iri all, he received eight government grants from 1953 to 1958, most of them through the National Institute of Mental Health, now known to have been one of the conduits for research under the MKULTRA program.

The idea that LSD could produce mental disorganization encouraged the CIA to start using it in experiments similar to those carried out by the Nazi doctors. CIA operatives began administering the drug in secret to different subject populations (or indeed to each other). Like the Nazis, the CIA used different populations of helpless individuals such as prisoners, drug addicts, and mental patients in their experiments, often with appalling results. The CIA not only performed experiments on individuals but also came up with schemes for contaminating the water supply of potential enemies with LSD so as to incapacitate entire hostile populations. For this they would need large amounts of the drug, at one point ordering the equivalent of 100 million doses from Sandoz. When they found out that obtaining such a large amount as this might be somewhat problematic they turned to Eli Lilly and Company, whose capable chemists broke the secret Sandoz patent and assured the CIA that they could produce LSD in tons or similar amounts.

Nevertheless, in the atmosphere of general paranoia that pervaded the postwar era, the CIA maintained an important role in manipulating the developing drug culture. CIA operatives acted as drug suppliers if they were interested in observing drug effects under particular circumstances, and infiltrated different drug-using groups with political points of view deemed to be of "interest" so as to relay information back to Washington.

Furthermore, all police forces were ORDERED not to investigate crimes of medical assault, battery and rape without informed consent by the Government/NHS/Big Pharma, a crime, in and of itself, going against their oaths, laws and policies with regards to victims code and the home office rules for reporting and recording crime. These cases further prove all those labelled, attacked, threatened up and down the country as "conspiracy theorists" were not only right but also informed all organisations with lawful notices from the start of 2020 to cease and desist which they ignored, therefore ALL INJURY, LOSS, HARM AND DEATH IS PROVABLY AND SOLELY LAYS ON THE HANDS OF THOSE WHOM WE CAN DEMONSTRATE IGNORED THAT EVIDENCE.

TO ALL STUDENT EMAIL GROUPS TODAY:

Dear GB NEWS (cc'd)

I saw your segment at Cambridge University with Suella Braverman (also CC'd) where the students blanked you both

I would imagine it might have something to do with the following facts.

1. The students are fully aware of the lies, frauds and crimes of mainstream media
2. The students are fully aware of the lies, frauds and crimes of Government
3. The students are fully aware of the lies, frauds and crimes of the Police
4. The students are fully aware of the lies, frauds and crimes of the Judiciary

6. The students are fully aware of the lies, frauds and crimes of Big Pharma
7. The students are fully aware of all lies, frauds, crimes and continued lying
8. The students are fully conscious and empathetic and not corrupt, like yourselves

No amount of BS you try and throw at students will work, no amount of crap you try to make the public believe based on your own lies about these students will work because all the evidence is on their side.

The emails below and all referenced documents I have been sending to all students and universities not just in the UK but around the world.

Suella Braverman is guilty of Treason, Sedition, Conspiracy to commit, cover up, aid and abet multiple frauds, state sponsored child trafficking, Genocide/democide, war crimes, bioterrorism, domestic terrorism, crimes against humanity, Medial Rape, battery and Assault without informed consent despite being informed thus this action is malicious and intentional on the populous including all students, teachers and staff, she was served notice of respondent, notice of conditional acceptance, notice of default and full indictments along with all members of the Houses of Parliament, House of Lords and Police for acts of High Treason.

As outlined and evidenced below to all students, it is you who are breaking all your own laws, all rules, all policies, all procedures, all conventions, all ECHR, international laws and the law of war.

So you have commit the heinous and insidious crimes, proven, here and abroad and now you see fit to try and publicly shame/bully/attack/threaten innocent children whom you've already threatened by way of lies, fear and fraud as per recent Astrazeneca case law, as per recent Pfizer case law, to take something without informed consent that could harm/kill them at a rate based on current numbers and evidence of as many as 28 million dead and 2.2 billion seriously injured out of 5.55 billion shots as compared to the 0.05% chance of dying from Covid, flu with a Genocidal Zionist Trillion dollar PR budget, their siblings, their families, their friends, their comrades, their teachers, their community, their country, their world, an act of war declared upon innocents of all nations, all races, all religions, all sexualities with a court proven gene editing bioweapon, High Treason, Terrorism, War crimes and Crimes Against Humanity.

Your public venom spitting and continued lies, deceptions and crimes are becoming crystal clear for all the world to see.

How dare you continue to insult and treat INNOCENT CHILDREN who YOU LIED TO, who YOU ABUSED, who YOU TORTURED, who YOU COMMIT PSYCHOLOGICAL WARFARE against, WHO YOU COMMIT HEINOUS AND INSIDIOUS CRIMES AGAINST, this way.

They are doing what you should all be doing if you had any honesty, honour or integrity, which is standing up against these crimes and these criminals.

You are vile and you are, without doubt, acting in the EXACT manner of the Nazi SS as per all material evidence against you.

Here's Andy Burnham speaking to Sky News about how the criminals involved in the blood scandal where people knowingly gave hiv infected blood to innocents infecting them should be held accountable, should go to prison. How, as a statutory duty of candour and care requires by law that you tell the truth and should tell the truth THE FIRST TIME you are informed of it.

Nazi Industrialism, Technocracy, Social Engineering: A History of

**OBEY
CONSUME
RESET**

Is the real Klaus Schwab a kindly old uncle figure wishing to do good for humanity, or is he really the son of a Nazi collaborator who used slave labour and aided **Nazi efforts to obtain the first atomic bomb**? Johnny Vedmore investigates.

On the morning of 11 September 2001, Klaus Schwab [sat having breakfast](#) in the Park East Synagogue in New York City with Rabbi Arthur Schneier, former Vice President for the World Jewish Congress and closely associate of [the Bronfman and Lauder families](#). Together, the two men watched one of the most impactful events of the next twenty years unfold as planes struck the World Trade Center buildings. Now, two decades on, Klaus Schwab again sits in a front row seat of yet a generation-defining moment in modern human history.

Always seeming to have a front row seat when tragedy approaches, Schwab's proximity to world-altering events likely owes to his being one of the most well-connected men on Earth. As the driving force behind the World Economic Forum, "the international organization for public-private cooperation," Schwab has courted heads of state, leading business executives, and the elite of academic and scientific

circles into the Davos fold for over 50 years. More recently, he has also courted the ire of many due to his more recent role as the frontman of the Great Reset, a sweeping effort to remake civilization globally for the express benefit of the elite of the World Economic Forum and their allies.

Schwab, during the Forum's annual meeting in January 2021, stressed that the building of trust would be integral to the success of the Great Reset, signalling a subsequent expansion of the initiative's already massive public relations campaign. Though Schwab called for the building of trust through unspecified "progress," trust is normally facilitated through transparency. Perhaps that is why so many have declined to trust Mr. Schwab and his motives, as so little is known about the man's history and background prior to his founding of the World Economic Forum in the early 1970s.

Like many prominent frontmen for elite-sponsored agendas, the online record of Schwab has been well-sanitized, making it difficult to come across information on his early history as well as information on his family. Yet, having been born in Ravensburg, Germany in 1938, many have speculated in recent months that Schwab's family may have had some tie to Axis war efforts, ties that, if exposed, could threaten the reputation of the World Economic Forum and bring unwanted scrutiny to its professed missions and motives.

In this *Unlimited Hangout* investigation, the past that Klaus Schwab has worked to hide is explored in detail, revealing the involvement of the Schwab family, not only in the Nazi quest for an atomic bomb, but apartheid South Africa's illegal nuclear programme. Especially revealing is the history of Klaus' father, Eugen Schwab, who led the Nazi-supported German branch of a Swiss engineering firm into the war as a prominent military contractor. That company, Escher-Wyss,

would use slave labor to produce machinery critical to the Nazi war effort as well as the Nazi's effort to produce heavy water for its nuclear program. Years later, at the same company, a young Klaus Schwab served on the board of directors when the decision was made to furnish the racist apartheid regime of South Africa with the necessary equipment to further its quest to become a nuclear power.

With the World Economic Forum now a prominent advocate for nuclear non-proliferation and ["clean" nuclear energy](#), Klaus Schwab's past makes him a poor spokesperson for his professed agenda for the present and the future. Yet, digging even deeper into his activities, **it becomes clear that Schwab's real role has long been to "shape global, regional and industry agendas" of the present in order to ensure the continuity of larger, much older agendas that came into disrepute after World War II, not just nuclear technology, but also eugenics-influenced population control policies.**

A Swabian Story

On 10 July 1870, [Klaus Schwab's grandfather](#) Jakob Wilhelm Gottfried Schwab, referred to later as simply Gottfried, was born in a Germany [at war with](#) its French neighbours. Karlsruhe, the town where Gottfried Schwab was born, was located in the Grand Duchy of Baden, ruled in 1870 by the 43 year old Grand Duke of Baden, Frederick I. The following year, the aforementioned Duke would be present at the proclamation of the German Empire which took place in the Hall of Mirrors at the Palace of Versailles. He was the only son-in-law of the incumbent Emperor Wilhelm I and, as Frederick I, was one of the reigning sovereigns of Germany. By the time Gottfried Schwab turned 18 years old, Germany would see Wilhelm II take the throne upon the death of his father, Frederick III.

In 1893, a 23 year old Gottfried Schwab would officially depart from Germany giving up his German citizenship and leaving Karlsruhe in order to emigrate to Switzerland. At the time, his occupation was noted as being that of a simple [baker](#). Here, Gottfried would meet [Marie Lappert](#) who was from Kirchberg near Bern, Switzerland and who was five years his junior. They would marry in Roggwil, Bern, on 27 May 1898 and the following year, on 27 April 1899, their child Eugen Schwab was born. At the time of his birth, Gottfried Schwab had moved up in the world, having become a Machine Engineer. When Eugen was around one year old, Gottfried and Marie Schwab decided to return to live in Karlsruhe and Gottfried reapplied for German citizenship again.

Eugen Schwab would follow in the footsteps of his father and also become a Machine Engineer and in future years, he would advise his children to do the same. Eugen Schwab would eventually begin working at a factory in a town in Upper Swabia in Southern Germany, capital of the district of Ravensburg, Baden-Württemberg.

The factory where he would forge his career was the German branch of a Swiss company named Escher Wyss. Switzerland had many [long standing economic ties](#) to the Ravensburg area, with Swiss traders in

th
the early 19th century bringing in yarn and weaving products. In the same period, Ravensburg delivered grain to Rorschach until 1870, alongside breeding animals and various cheeses, deep within the Swiss Alps. Between 1809 and 1837, there were 375 Swiss people living in Ravensburg, though the Swiss population had dropped to 133 by 1910.

In the 1830s, skilled Swiss workers set up a cotton factory with an incorporated bleaching and finishing plant owned and maintained by the Erpf brothers. The Ravensburg horse market, created in around 1840, also attracted many people from Switzerland, especially after the 1847 [opening of the railway line](#) from Ravensburg to Friedrichshafen, a town situated on nearby Lake Constance on the borderlands of Switzerland and Germany.

Rorsach grain traders would make regular visits to the Ravensburger Kornhaus and eventually this cross-border cooperation and trade also led to a branch of the Zurich machine factory, Escher-Wyss & Cie, opening in the city. This feat was made plausible once a train line connecting the Swiss to the German route network was completed between 1850 and 1853. The factory was set up by [Walter Zuppinger](#) between 1856 to 1859 and would begin production in 1860. In [1861](#), we can see the first official patent of the manufacturers Escher-Wyss in Ravensburg of "peculiar facilities on mechanical looms for ribbon weaving". At this time, the Ravensburg branch of Escher Wyss would be directed by Walter Zuppinger, and would be where he developed his tangential turbine and where he gained a number of additional patents. In 1870, Zuppinger along with others would also found a paper mill works in Baienfurt close to Ravensburg. He retired in 1875 and devoted all his energies to the further advance of turbines.

Founding Document of the Escher-Wyss Ravensburg Factory, dated 1860.

At the turn of the new century, Escher-Wyss had put the ribbon weaving to one side and begun to concentrate on much bigger projects like the production of large industrial turbines and, in 1907, they sought an "approval and concession procedure" for [the construction of a hydropower plant near Dogern am Rhein](#), which was reported in a Basel brochure from 1925.

By 1920, Escher-Wyss found themselves embroiled in [serious financial difficulties](#). The treaty of Versailles had restricted the military and economic growth of Germany following the Great War, and the Swiss Company found the downturn in neighbouring national civil engineering projects too much to bear. The parent branch of Escher-Wyss was located in Zurich and dated back to 1805 and the company, which still benefited from a good reputation and a history lasting more than a century, was deemed too important to lose. In December 1920, a reorganization was carried out by writing down the share capital from 11.5 to 4.015 million French Francs and which was later increased again to 5.515 million Swiss Francs. By the end of the financial year of 1931, Escher-Wyss was still losing money.

Yet, the plucky company continued to deliver large scale civil engineering contracts throughout the 1920s as noted in the official correspondence [written in 1924](#) from Wilhelm III Prince of Urach to the company Escher-Wyss and to the asset manager of the House of Urach, accountant Julius Heller. This document discusses the "General Terms and Conditions of the Association of German Water Turbine Manufacturers for the Delivery of Machines and Other Equipment for Hydropower Plants". This is also confirmed in a brochure on the "Conditions of the Association of German Water Turbine Manufacturers for the Installation of Turbines and Machine Parts within the German Reich", printed on March 20, 1923 in an advertising brochure from Escher-Wyss for a universal oil pressure regulator.

After the Great Depression in the early 1930s had laid waste to the global economy, Escher-Wyss announced, "as the catastrophic development of the economic situation in connection with the currency declines; The company [Escher-Wyss] is temporarily unable to continue its current liabilities in various customer countries." The company also revealed that they would apply for a court deferral to the Swiss newspaper *Neue Zürcher Nachrichten*, [which reported on 1 December 1931](#) that, "the company Escher-Wyss has been granted a stay of bankruptcy until the end of March 1932 and, acting as curator in Switzerland, a trust company has been appointed." The article stated optimistically that, "there should be a prospect of continuing operations." In 1931, Escher-Wyss employed around 1,300 non-contracted workers and 550 salaried employees.

By the mid-1930s, Escher-Wyss had again found itself in financial trouble. In order to rescue the company this time, a consortium was brought on board to save the ailing engineering firm. **The consortium**

was partly formed by the Federal Bank of Switzerland (which was coincidentally headed by a Max Schwab, who is of no relation to Klaus Schwab) and further restructuring took place. In 1938, it [was announced](#) that an engineer at the firm, Colonel Jacob Schmidheiny would become the new President of the Board of Directors at Escher-Wyss. Soon after the outbreak of war in 1939, Schmidheiny [was quoted](#) as saying, "The outbreak of war does not necessarily mean unemployment for the machine industry in a neutral country, on the contrary." **Escher-Wyss, and its new management, were apparently looking forward to profiting off the war, paving the way for their transformation into a major Nazi military contractor.**

A Brief History of Jewish Persecution in Ravensburg

When Adolf Hitler came to power, many things changed in Germany, and the story of the Jewish population of Ravensburg during that era is a sad one to tell. Yet, it was hardly the first time that anti-Semitism had first been recorded as having reared its ugly head in the region.

In the Middle Ages, a [synagogue](#), mentioned as far back as 1345 was located at the centre of Ravensburg, serving a small Jewish community which can be traced from 1330 to 1429. At the end of 1429 and through 1430, the Jews of Ravensburg were targeted and [a horrific massacre](#) ensued. In the nearby settlements of Lindau, Überlingen, Buchhorn (later renamed Friedrichshafen), Meersburg and Konstanz, there were mass arrests of Jewish residents. The Jews of Lindau were burnt alive during the 1429/1430 Ravensburg [blood libel](#), in which members of the Jewish community were accused of ritually sacrificing babies. In August 1430, in Überlingen, the Jewish

community was forced to convert, 11 of them did so and the 12 who refused were killed. The massacres which took place in Lindau, Überlingen and Ravensburg happened with the direct approval of the ruling King Sigmund and any remaining Jews were soon expelled from the region.

Ravensburg had this ban confirmed by Emperor Ferdinand I in 1559 and it was upheld, for example, in an 1804 instruction issued for the city guard, which read: "Since the Jews are not allowed to engage in any trade or business here, no one else is allowed to enter the city by post or by carriage, The rest, however, if they have not received a permit for a longer or shorter stay from the police office, are to be removed from the city by the police station."

Not until the 19th century were Jews able to settle legally in Ravensburg again and, even by then, their number remained so small that a synagogue was not rebuilt. In 1858, there were only 3 Jews recorded in Ravensburg and, in 1895, this number peaked at 57. From the turn of the century until 1933, the numbers of Jews living in Ravensburg had steadily decreased until the community was only made up of 23 people.

By the start of the 1930s, there were seven main Jewish families living in Ravensburg, including the Adler, Erlanger, Harburger, Herrmann, Landauer, Rose and Sondermann families. After the National Socialists seized power, some of the Ravensburg Jews were initially forced to emigrate, while others would later be murdered in Nazi concentration camps. Leading up to World War II, there were many public displays of hatred towards the small community of Jews in and around Ravensburg.

As early as March 13, 1933, about three weeks before the nationwide Nazi boycott of all Jewish shops in Germany, SA guards posted themselves in front of two of the five Jewish shops in Ravensburg and tried to prevent potential buyers from entering, putting up signs on one shop [stating](#) "Wohlwert closed until Aryanization". Wohlwert's would soon become "Aryanised" and would be the only Jewish-owned shop to survive the Nazi pogrom. The other owners of the four large Jewish department stores in Ravensburg; Knopf; Merkur; Landauer and Wallersteiner were all forced to sell their properties to non-Jewish merchants between 1935 and 1938. During this period, many of the Ravensburg Jews were able to flee abroad before the worst of the National Socialist persecution began. While at least eight died violently, it was reported that three Jewish citizens who lived in Ravensburg survived because of their "Aryan" spouses. Some of the Jews who were arrested in Ravensburg during Kristallnacht were forced to march through the streets of Baden-Baden under SS guard supervision the following day and were later deported to Sachsenhausen concentration camp.

Horrific Nazi crimes against humanity took place in Ravensburg. On 1 January 1934, the "[Law for the Prevention of Hereditary Diseases](#)" came into force in Nazi Germany, meaning people with diagnosed illnesses such as dementia, schizophrenia, epilepsy, hereditary deafness, and various other mental disorders, could be [legally forcibly sterilised](#). In the Ravensburg City Hospital, today called Heilig-Geist Hospital, forced sterilisations were carried out beginning in April 1934. By 1936, sterilisation was the most performed medical procedure in the municipal hospital.

In the pre-war years of the 1930s leading up to the German annexation of Poland, Ravensburg's Escher-Wyss factory, now

managed directly by Klaus Schwab's father, [Eugen Schwab](#), continued to be the biggest employer in Ravensburg. Not only was the factory a major employer in the town, but Hitler's own [Nazi party awarded](#) the Escher-Wyss Ravensburg branch the title of "[National Socialist Model Company](#)" while Schwab was at the helm. The Nazis were potentially wooing the Swiss company for cooperation in the coming war, and their advances were eventually reciprocated.

Escher-Wyss Ravensburg and the War

Ravensburg was an anomaly in wartime Germany, as it was never targeted by any Allied airstrikes. The presence of the [Red Cross](#), and [a rumoured agreement](#) with various companies including Escher-Wyss, saw the allied forces publicly agree to not target the Southern German town. It was not classified as a significant military target throughout the war and, for that reason, the town still maintains many of its original features. However, much darker things were afoot in Ravensburg once the war began.

Eugen Schwab continued to manage the "National Socialist Model Company" for Escher-Wyss, and the Swiss company would aid the Nazi Wermacht produce significant weapons of war as well as more basic armaments. The Escher-Wyss company

was a leader in large turbine technology for hydroelectric dams and power plants, but they also manufactured parts for German fighter planes. They were also intimately involved in much more sinister projects happening behind the scenes which, if completed, could have changed the outcome of World War II.

Western military intelligence were already aware of Escher-Wyss' complicity and collaboration with the Nazis. There are records available from western military intelligence at the time, specifically [Record Group 226](#) (RG 226) from the data compiled by the Office of Strategic Services (OSS), which shows the Allied forces were aware of some of the Escher-Wyss' business dealings with the Nazis.

Within RG 226, there are three specific mentions of Escher-Wyss including:

- [File number 47178](#) which reads: Escher-Wyss of Switzerland is working on a large order for Germany. Flame-throwers are despatched from Switzerland under the name Brennstoffbehaelter. Dated Sept. 1944.
- [File number 41589](#) showed that the Swiss were allowing German exports to be stored in their country, a supposedly neutral nation during World War II. The entry reads: Business relations between Empresa Nacional Calvo Sotelo (ENCASO), Escher Wyss, and Mineral Celbau Gesellschaft. 1 p. July 1944; see also L 42627 Report on collaboration between the Spanish Empresa Nacional Calvo Sotelo and the German Rheinmetall Borsig, on German exports stored in Switzerland. 1 p. August 1944.
- [File number 72654](#) claimed that: Hungary's bauxite was formerly sent to Germany and Switzerland for refining. Then a government syndicate built an aluminium plant at Dunaalmas on the borders of Hungary. Electric power was provided; Hungary contributed coal mines, and equipment was ordered from the Swiss firm Escher-Wyss. Production began in 1941. 2 pp. May 1944.

Yet, Escher-Wyss were leaders in one blossoming field in particular, the creation of new turbine technology. The company had [engineered a 14,500 HP turbine](#) for the [Norsk Hydro industrial facility's](#) strategically important hydroelectric plant at Vemork, near Rjukan in Norway. The Norsk Hydro plant, [part powered by Escher Wyss](#), was the only industrial plant under Nazi control capable of producing heavy water, an ingredient essential for making plutonium for the Nazi atomic bomb program. The Germans had put all possible resources behind the production of heavy water, but the Allied forces were aware of the potentially game-changing tech advances by the increasingly desperate Nazis.

During 1942 and 1943, the hydro plant was the target of partially successful British Commando and Norwegian Resistance raids, although heavy water production continued. The Allied forces would drop more than 400 bombs on the plant, which barely affected the operations at the sprawling facility. In 1944, German ships attempted to transport heavy water back to Germany, but the Norwegian Resistance were able to sink the ship carrying the payload. With help from Escher-Wyss, the Nazis were almost able to change the tides of war and bring about an Axis victory.

Back in the Escher-Wyss factory in Ravensburg, Eugen Schwab had been busy putting forced labourers to work at his model Nazi company. During the years of World War II, nearly [3,600 forced labourers](#) worked in Ravensburg, including at Escher Wyss. [According to the city archivist in Ravensburg](#), Andrea Schmuder, the Escher-Wyss machine factory in Ravensburg employed between 198 and 203 civil workers and POWs during the war. Karl Schweizer, a local Lindau historian, [states that](#) Escher-Wyss maintained a small special camp for forced labourers on the factory premises.

The use of masses of forced labourers in Ravensburg made it necessary to setup one of the largest recorded Nazi forced labour camps in the workshop of a former carpenter's at [Ziegelstrasse 16](#). At one time, the camp in question accommodated 125 French prisoners of war who were later redistributed to other camps in 1942. The French workers were replaced by 150 Russian prisoners of war who, it was rumoured, were treated the worst out of all the POWs. One such prisoner was [Zina Jakuschewa](#), whose work card and work book are held by the United States Holocaust Memorial Museum. Those documents identify her as a non-Jewish forced labourer assigned to Ravensburg, Germany, during 1943 and 1944.

Eugen Schwab would dutifully maintain the status quo during the war years. After all, with young Klaus Martin Schwab having been born in 1938 and his brother Urs Reiner Schwab born a few years later, Eugen would have wanted to keep his children out of harm's way.

Klaus Martin Schwab - International Man of Mystery

Born on 30 March 1938 in Ravensburg, Germany, Klaus Schwab was the eldest child in a normal nuclear family. Between 1945 and 1947, Klaus [attended primary school](#) in Au, Germany. Klaus Schwab recalls in a [2006 interview](#) with the *Irish Times* that: "After the war, I chaired the Franco-German regional youth association. My heroes were Adenauer, De Gasperi and De Gaulle."

Klaus Schwab and his younger brother, Urs Reiner Schwab, were both to follow in the footsteps of their grandfather, Gottfried, and their father, Eugen, and would both initially train as machine engineers. Klaus's father had told the young Schwab that, if he wanted to make an impact on the world, then he should train as a Machine Engineer. This would only be the beginning of Schwab's University credentials.

Klaus would begin studying his plethora of degrees at Spohn-Gymnasium Ravensburg between 1949 and 1957, eventually graduating from the Humanistisches Gymnasium in Ravensburg. Between [1958 and 1962](#), Klaus began working with various engineering companies and, in 1962, Klaus completed his [mechanical engineering studies](#) at the Swiss Federal Institute of Technology (ETH) in Zurich with an engineering diploma. The following year, he

also completed an [economics course](#) at the University of Fribourg, Switzerland. From 1963 until 1966, Klaus worked as Assistant to the Director-General of the German Machine-building Association (VDMA), Frankfurt.

In 1965, Klaus was also working on his doctorate from the ETH Zurich, writing his dissertation on: "The longer-term export credit as a business problem in mechanical engineering". Then, in 1966, he received his Doctorate in Engineering from the Swiss Federal Institute of Technology (ETH), Zurich. At this time, Klaus's father, Eugen Schwab, was swimming in bigger circles than he had previously swam. After being a well known personality in Ravensburg as the Managing Director of the Escher-Wyss factory from before the war, Eugen would eventually be elected as President of the Ravensburg Chamber of Commerce. In 1966, during the founding of the German committee for Splügen railway tunnel, Eugen Schwab [defined the founding](#) of the German committee as a project "that creates a better and faster connection for large circles in our increasingly converging Europe and thus offers new opportunities for cultural, economic and social development".

In 1967, Klaus Schwab gained a Doctorate in Economics from the University of Fribourg, Switzerland as well as a Master of Public Administration qualification from the John F. Kennedy School of Government at Harvard in the United States. **While at Harvard, Schwab was [taught by](#) Henry Kissinger, who he would later say were among the top 3-4 figures who had most influenced his thinking over the course of his entire life.**

© World Economic Forum

Henry Kissinger and his former pupil, Klaus Schwab, welcome former- UK PM Ted Heath at the 1980 WEF annual meeting.

In the previously mentioned *Irish Times* article of 2006, Klaus talks about that period as being very important to the formation of his present ideological thinking, [stating](#): "Years later, when I came back from the US after my studies at Harvard, there were two events that had a decisive triggering event on me. The first was a book by Jean-Jacques Servan-Schreiber, *The American Challenge* - which said Europe would lose out against the US because of Europe's inferior management methods. The other event was - and this is relevant to Ireland - [the Europe of the six](#) became the [Europe of the nine](#)." These two events would help shape Klaus Schwab into a man who wanted to change the way people went about their business.

That same year, Klaus's younger brother Urs Reiner Schwab [graduated from ETH Zurich](#) as a mechanical engineer, and Klaus Schwab went to work for his father's old company, Escher-Wyss, soon to become Sulzer Escher-Wyss AG, Zurich, as Assistant to the Chairman to aid in the reorganisation of the merging companies. This leads us towards Klaus's nuclear connections.

The rise of a technocrat

Sulzer, a Swiss company whose origins date back to 1834, had first risen to prominence after starting to build compressors in 1906. By 1914, the family-run firm had become part of "[three joint-stock companies](#)," one of which was the official holding company. In the 1930s, Sulzer's profits would suffer during the Great Depression and, like many businesses at the time, faced disruption and industrial actions from their workers.

World War II may not have affected Switzerland as much as her neighbours, but the economic boom that was to follow led to Sulzer growing in power and market dominance. [In 1966](#), just before the arrival of Klaus Schwab at Escher-Wyss, the Swiss turbine manufacturers signed a cooperation agreement with the Sulzer brothers in Winterthur. Sulzer and Escher-Wyss would begin to merge in 1966, when Sulzer purchased 53% of the company shares. Escher-Wyss would officially become Sulzer Escher-Wyss AG in 1969 when the last of the shares were acquired by the Sulzer brothers.

Once the merger had started, Escher-Wyss would begin to be restructured and two of the existing [Board Members](#) would be the first to find their service to Escher-Wyss coming to an end. Dr. H. Schindler and W. Stoffel would resign from the Board of Directors now headed by Georg Sulzer and Alfred Schaffner. Dr. Schindler had been a member of the Escher-Wyss Board of Directors for 28 years and had worked alongside Eugen Schwab throughout much of his service. Peter Schmidheiny would later take over as Chairman of the Board of Directors of Escher-Wyss, continuing the Schmidheiny family rule over the company's executives.

During the restructuring process, it was decided that Escher-Wyss and Sulzer would concentrate on separate areas of machine engineering with the Escher-Wyss factories primarily work on hydraulic power plant construction, including turbines, storage pumps, reversing machines, closing devices and pipelines, as well as steam turbines, turbo compressors, evaporation systems, centrifuges and machines for the paper and pulp industry. Sulzer would concentrate on the refrigeration industry as well as steam boiler construction and gas turbines.

On 1 January 1968, the freshly reorganised Sulzer Escher-Wyss AG was rolled out publicly and the company had become streamlined, a move deemed necessary because of several large acquisitions. This included a close collaboration with Brown Boveri, a group of Swiss electric engineering companies who had also worked for the Nazis, supplying the Germans with some of their U-boat technology used during World War II. Brown Boveri was also described as "defence-related electrical contractors" and would find the conditions of the Cold War arms race to be beneficial to their business.

The merger and reorganisation of these Swiss mechanical engineering giants saw their collaboration pay off in unique ways. During the 1968 Winter Olympics in Grenoble, Sulzer and Escher-Wyss used 8 refrigeration compressors to create tonnes of artificial ice. In 1969, the two firms combined to help in the building of a new passenger ship named "Hamburg", the first ship in the world to be fully air-conditioned thanks to the Sulzer Escher-Wyss combination.

In 1967, Klaus Schwab officially burst onto the scene of the Swiss business community and took a lead in the merger between Sulzer and Escher-Wyss, as well as forming profitable alliances with Brown Boveri and others. In December 1967, Klaus would speak at a Zurich

event to the top Swiss machine engineering organisations; the Employers Association of Swiss Machine and Metal Manufacturers and the Association of Swiss Machine Manufacturers.

In his talk, he would correctly predict the importance of incorporating computers into modern Swiss machine engineering, [stating](#) that:

"In 1971, products that are not even on the market today are likely to account for up to a quarter of sales. This requires companies to systematically research possible developments and identify gaps in the market. Today, 18 of the 20 largest companies in our machine industry have planning departments that are entrusted with such tasks. Of course, everyone has to make use of the latest technological advances, and the computer is one of them. The many small and medium-sized companies in our machine industry take the path of cooperation or use the services of special data processing service providers."

Computers and data were obviously seen as important to the future, according to Schwab, and this was further projected in the reorganisation of Sulzer Escher-Wyss during their merger. Sulzer's modern website reflects this noteworthy change in direction, [stating that, in 1968](#):

"Material technology activities are intensified [by Sulzer] and form the basis for medical technology products. The fundamental change from a machine-building company to a technology corporation starts to become apparent."

Klaus Schwab was helping to turn Sulzer Escher-Wyss into something more than just a machine building giant, he was transforming them into a technology corporation driving at high speed into a hi-tech future. It should also be noted that Sulzer Escher-Wyss changed another focus of their business to help them "form the basis for medical technology products," an area not previously mentioned as a target industry for Sulzer and/or Escher-Wyss.

But technological advancement wasn't the only upgrade Klaus Schwab wanted to introduce at Sulzer Escher-Wyss, he also wanted to change how the company thought about their business managerial style. Schwab and his close associates were pushing an entirely new [business philosophy](#) which would allow "all employees to accept the imperatives of motivation and to ensure at home a sense of flexibility and manoeuvrability."

It is here in the late 1960s where we see Klaus begin to emerge as a more public figure. At this time, the Sulzer Escher-Wyss company also became more interested in engaging with the press than ever before. In January 1969, the Swiss giants setup a public advisory session entitled the "[Press Day of the Machine Industry](#)", which mainly concerned questions on company management. During the event, Schwab would state that companies using authoritarian styles of business management are "unable to fully activate the '[human capital](#)'", an argument he would [use on many](#) separate occasions during the late 1960s.

Plutonium and Pretoria

Escher-Wyss were pioneers in some of the most important tech in power generation. As the US Department of Energy [points out in their paper](#) on Supercritical CO2 Brayton Cycle Development (CBC), a device used in hydro and nuclear power plants, "Escher-Wyss was the first company known to develop the turbomachinery for CBC systems starting in 1939." Going on to state that 24 systems were built, "with Escher-Wyss designing the power conversion cycles and building the turbomachinery for all but 3". [By 1966](#), just before the

entrance of Schwab into Escher-Wyss and the start of the Sulzer merger, the Escher-Wyss helium compressor was designed for the La Fleur Corporation and continued the evolution of the Brayton Cycle Development. This technology was still of importance to the arms industry by 1986, with [nuclear powered drones](#) being equipped with a helium-cooled Brayton cycle nuclear reactor.

Escher-Wyss had been involved with manufacturing and installing nuclear technology at least as early as 1962, as shown by [this patent](#) for a "heat exchange arrangement for a nuclear power plant" and [this patent](#) from 1966 for a "nuclear reactor gas-turbine plant with emergency cooling". After Schwab left Sulzer Escher-Wyss, Sulzer would also [help to develop](#) special turbocompressors for uranium enrichment to yield reactor fuels.

When Klaus Schwab joined Sulzer Escher-Wyss in 1967 and started the reorganisation of the company to be a technology corporation, the involvement of Sulzer Escher-Wyss in the darker aspects of the global nuclear arms race became immediately more pronounced. Before Klaus became involved, Escher-Wyss had often concentrated on helping design and build parts for civilian uses of nuclear technology, e.g. nuclear power generation. Yet, with the arrival of the eager Mr. Schwab also came the company's participation in the illegal proliferation of nuclear weapons technology. By 1969, the incorporation of Escher Wyss into Sulzer was fully completed and they would be rebranded into Sulzer AG, dropping the historic name Escher-Wyss from their name.

It was eventually revealed, thanks to a review and report carried out by the Swiss authorities and a man named Peter Hug, that Sulzer Escher-Wyss began secretly procuring and building key parts for nuclear weapons during the 1960s. The company, while Schwab was

on the board, also began playing a critical key role in the development of South Africa's illegal nuclear weapons programme during the darkest years of the apartheid regime. Klaus Schwab was a leading figure in the founding of a company culture which helped Pretoria build six nuclear weapons and partially assemble a seventh.

In the report, Peter Hug outlined how Sulzer Escher Wyss AG (referred to post-merger as just Sulzer AG) had supplied vital components to the South African government and found evidence of Germany's role in supporting the racist regime, also revealing that the Swiss government "was aware of illegal deals but 'tolerated them in silence' while supporting some of them actively or criticised them only half-heartedly". Hug's report was eventually finalised in a work entitled: "Switzerland and South Africa 1948-1994 - Final Report of the NFP 42+ commissioned by the Swiss Federal Council" which was compiled and written by Georg Kreis and published in 2007.

By 1967, South Africa had constructed a reactor as part of a plan to produce plutonium, the SAFARI-2 located at Pelindaba. SAFARI-2 was part of a project to develop a reactor moderated by heavy water which would be fuelled by natural uranium and cooled using sodium. This link to developing heavy water for the creation of uranium, the same technology which had been utilised by the Nazis also with the help of Escher-Wyss, may explain why South Africans initially got Escher-Wyss involved. But by 1969, South Africa abandoned the heavy water reactor project at Pelindaba because it was draining resources from their uranium enrichment program that had first begun in 1967.

A South African nuke in storage

In 1970, Escher-Wyss were definitely deeply involved with nuclear technology, as [seen in a record](#) available in the *Landesarchivs Baden-Württemberg*. The record shows details of a public procurement process and contains information about award talks with specific companies involved in the procurement of nuclear technology and materials. The companies cited include: NUKEM; Uhde; Krantz; Preussag; Escher-Wyss; Siemens; Rheintal; Leybold; Lurgi; and the infamous [Transnuklear](#).

The Swiss and South Africans had a close relationship through this period of history, when it was hardly easy for the brutal South African regime to find close allies. By 4 November 1977, the United Nations Security Council had enacted [resolution 418](#) which imposed a mandatory arms embargo against South Africa, an embargo that wouldn't be fully lifted until 1994.

Georg Kreis pointed out the following in his detailed assessment of the Hug report:

"The fact that the authorities assumed a *laisse-faire* attitude even after May 1978 comes to the fore in an exchange of letters between the Anti-Apartheid Movement and the DFMA in

October/December 1978. As the study by Hug explicates, the Anti-Apartheid Movement of Switzerland pointed to German reports according to which Sulzer Escher-Wyss and a company called BBC had supplied parts for the South African uranium enrichment plant, and to repeated credits to ESCOM, which also included considerable contributions by Swiss banks. These assertions led to questions of whether the Federal Council - in light of fundamental support of the UN embargo, ought not to instigate the National Bank to stop authorising credits for ESCOM in the future."

Swiss banks would help to fund the South African race to nukes and, by [1986](#), Sulzer Escher-Wyss were successfully producing special compressors for uranium enrichment.

The Founding of the World Economic Forum

In 1970, the young upstart, Klaus Schwab wrote to the European Commission and asked for help in setting up a "non-commercial think tank for European business leaders". The European Commission would sponsor the event as well, sending French politician Raymond Barre to act as the forum's "intellectual mentor". Raymond Barre, who was at that time European Commissioner for Economic and Financial Affairs, would later go on to become French PM and would [be accused of](#) making anti-Semitic comments while in office.

So, in 1970, Schwab left Escher Wyss to organise a two-week business managerial conference. In 1971, the first meeting of the World Economic Forum - then called the European Management Symposium - convened in Davos, Switzerland. Around 450 participants from 31 countries would take part in Schwab's first

European Management Symposium, mostly made up of managers from various European companies, politicians, and US academics. The project was recorded as organised by Klaus Schwab and his secretary Hilde Stoll who, later the same year, would become [Klaus Schwab's wife](#).

Klaus's European symposium was not an original idea. As writer Ganga Jey Aratnam [stated quite coherently](#) in 2018:

"Klaus Schwab's "Spirit of Davos" was also the "Spirit of Harvard". Not only had the business school advocated the idea of a symposium. Prominent Harvard economist John Kenneth Galbraith championed the affluent society as well as capitalism's planning needs and the rapprochement of East and West."

It was also true that, as Aratnam also pointed out, this was not the first time Davos had hosted such events. Between 1928 and 1931, the Davos University Conferences took place at the Hotel Belvédère, events which were co-founded by Albert Einstein and were only halted by the Great Depression and the threat of looming war.

The Club of Rome and the WEF

The most influential group that spurred the creation of Klaus Schwab's symposium was the Club of Rome, an influential think tank of the scientific and monied elite that mirrors the World Economic

Forum in many ways, including in its promotion of a global governance model led by a technocratic elite. The Club had been founded in 1968 by Italian industrialist Aurelio Peccei and Scottish chemist Alexander King during a private meeting at a residence owned by the Rockefeller family in Bellagio, Italy.

Among its first accomplishments was a 1972 book entitled *"The Limits to Growth"* **that largely focused on global overpopulation, warning that "if the world's consumption patterns and population growth continued at the same high rates of the time, the earth would strike its limits within a century."** At [the third meeting](#) of the World Economic Forum in 1973, Peccei delivered a speech summarizing the book, which the World Economic Forum website remembers as having been the distinguishing event of this historical meeting. That same year, the Club of Rome would publish a report detailing [an "adaptive" model](#) for global governance that would divide the world into ten, inter-connected economic/political regions.

The Club of Rome was long controversial for its obsession with reducing the global population and many of its earlier policies, which critics described as influenced by eugenics and neo-Malthusian. However, in the Club's infamous 1991 Book, *The First Global Revolution*, **it was argued that such policies could gain popular support if the masses were able to link them with an existential fight against a common enemy.**

To that effect, [The First Global Revolution](#) contains a passage entitled "The common enemy of humanity is Man", which states the following:

"In searching for a common enemy against whom we can unite, **we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like,**

would fit the bill. In their totality and their interactions these phenomena do constitute a common threat which must be confronted by everyone together. But in designating these dangers as the enemy, we fall into the trap, which we have already warned readers about, namely mistaking symptoms for causes. All these dangers are caused by human intervention in natural processes, and it is only through changed attitudes and behaviour that they can be overcome. **The real enemy then is humanity itself."**

In the years since, the elite that populate **the Club of Rome and the World Economic Forum** have frequently argued that **population control methods are essential to protecting the environment**. It is thus unsurprising that the World Economic Forum would similarly use the issues of climate and environment as a way to market otherwise unpopular policies, such as those of the Great Reset, as necessary.

The Past is Prologue

Since the founding of the World Economic Forum, Klaus Schwab has become one of the most powerful people in the world and his Great Reset has made it more important than ever to scrutinize the man sitting on the globalist throne.

Given his prominent role in the far-reaching effort to transform every aspect of the existing order, Klaus Schwab's history was difficult to research. When you start to dig into the history of a man like Schwab, who sits aloft other shadowy elite movers and shakers, you soon find lots of information has been hidden or removed. Klaus is somebody who wants to stay hidden in the shadowy corners of society and who will only allow the average person to see a well-presented construct of their chosen persona.

Is the real Klaus Schwab a kindly old uncle figure wishing to do good for humanity, or is he really the son of a Nazi collaborator who used slave labour and helped the Nazi efforts to obtain the first atomic bomb? Is Klaus the honest business manager who we should trust to create a fairer society and workplace for the common man, or is he the person who helped push Sulzer Escher-Wyss into a technological revolution that led to its role in the illegal creation of nuclear weapons for South Africa's racist apartheid regime? The evidence I have looked at does not suggest a kindly man, but rather a member of a wealthy, well-connected family that has a history of helping create weapons of mass destruction for aggressive, racist governments.

As Klaus Schwab [said in 2006](#) "Knowledge will soon be available everywhere - I call it the 'googlisation' of globalisation. It's not what you know any more, it's how you use it. You have to be a pace setter." Klaus Schwab considers himself to be a pace setter and a top table player, and it must be said that his qualifications and experience are impressive. Yet, when it comes to practising what you preach, Klaus has been found out. One of the three biggest challenges on the priority list for the World Economic Forum is the non-proliferation of nuclear weapons, yet neither Klaus Schwab nor his father Eugen lived up to those same principles when they were in business. Quite the opposite.

In January, Klaus Schwab announced that 2021 is the year that the World Economic Forum and its allies must "rebuild trust" with the masses. However, if Schwab continues to hide his history and that of his father's connections to the "National Socialist Model Company" that was Escher-Wyss during the 1930s and 1940s, then people will have good reason to distrust the underlying motivations of his overreaching, undemocratic Great Reset agenda.

In the case of the Schwabs, the evidence doesn't point at simply poor business practices or some sort of misunderstanding. The story of the Schwab family instead reveals a habit of working with genocidal dictators for the base motives of profit and power. The Nazis and the South African apartheid regime are two of the worst examples of leadership in modern politics, yet the Schwabs obviously couldn't or wouldn't see that at the time.

In the case of Klaus Schwab himself, it appears that he has helped to launder relics of the Nazi era, i.e. its nuclear ambitions and its population control ambitions, so as to ensure the continuity of a deeper agenda. While serving in a leadership capacity at Sulzer Escher Wyss, the company sought to aid the nuclear ambitions of the South African regime, then the most Nazi adjacent government in the world, preserving Escher Wyss' own Nazi era legacy. Then, through the World Economic Forum, Schwab has helped to rehabilitate eugenics-influenced population control policies during the post-World War II era, a time when the revelations of Nazi atrocities quickly brought the pseudo-science into great disrepute. Is there any reason to believe that Klaus Schwab, as he exists today, has changed in anyway? Or is he still the public face of a decades-long effort to ensure the survival of a very old agenda?

The last question that should be asked about the real motivations behind the actions of Herr Schwab, may be the most important for the future of humanity: Is Klaus Schwab trying to create the Fourth Industrial Revolution, or is he trying to create the Fourth Reich?

Dear Public Servants / Students / Universities / Churches / Press / Newspapers / Organisations of
Florida

I am a whistle-blower and I can prove to you beyond any reasonable doubt with material /
foundation / demonstrable / witness evidence that your Governor Ron De Santis is a Liar, A fraud
and a criminal aiding and abetting very serious crimes.

The contents of the emails below have been served around the world, to courts, to military, to
agencies, 100,000's as part of "The Ark Project-War Diaries 2020-2024-Emails from Hell to
Heaven" (break the silence, break the chains) including yesterday, as you will see, to the
Pentagon, in an email entitled "DEAR PENTAGON A LOT OF PEOPLE ARE IN DEEP SH*T"

The evidence below pertains to War Crimes, Terrorism, Bioterrorism, Genocides, Crimes Against Humanity, Treason, Criminal Chain Conspiracy, Misconduct in Public Office, Abandonment of Oaths and Offices, Frauds and the list goes on and on.

The CIA archive documents along with all other referenced documents prove that the land known as Palestine was called such up until it was changed and incorporated to "State of Israel" in 1948 by Zionist incestuous Satanic Paedo dynasty and financier of both sides of war going back a very long time as per the Balfour Declaration 1917 at the behest of the UK. Multiple census data proves unequivocally the populous was 97% Muslim/Christian Palestinians up until this point and genocide/ethnic cleansing has been occurring there for 76 years.

[Nakba - Wikipedia](#)

Please also read the Oslo Accords, 1993 peace treaty between Israel and Palestine that everyone is conveniently ignoring.

The data below further pertains to other concurrent Zionist/nazi/satanic genocides which can also be proven beyond any reasonable doubt.

I urge you to take this very seriously indeed.

I have filed claims for High Treason and Crimes Against humanity at the highest commercial court and all documents are attached.

Yesterday Ron De Santis was on Forbes (CC'd) saying no country called Palestine has ever existed and that is an outright lie proving that he not only a putrid liar and manipulator of minds on mass but he is also an ignorant hateful imbecile and has no place dictating anything to any of you.

There is a very sinister undercurrent to his venom spitting at innocent students standing up against war, against genocide, against crimes against humanity, which as you will discover he has been party to, his irrational and illogical hatred of Palestinian race also seems to spread to the black populous in that he doesn't think teaching black history is important.

Well, I beg to differ on that as well.

I have been emailing students all over the world with this evidence and any slander, defamation, attacks, threats against students can be met by counter suing every single moronic one of them and the students will win hands down every single time as per legal precedence and ALL MATERIAL EVIDENCE OF THE ABOVE PROVEN CRIMES.

They are lashing out because they are desperate and they ARE BUSTED.

Anyone who knowingly, intentionally and maliciously engages in, covers up, ignores or profits from heinous and insidious crimes against innocents, especially children, is a DEVIL.

I BEG TO DIFFER

Demonic Activity in the End Times

There are several passages in Revelation that refer to demons (fallen angels) and their activities.

Matthew 24:24

For false Christs and false prophets will arise and will show great signs and wonders, so as to mislead, if possible, even the elect.

1 Timothy 4:1

But the Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons,

2 Timothy 4:3-4

For the time will come when they will not endure sound doctrine; but wanting to have their ears tickled, they will accumulate for themselves teachers in accordance to their own desires, and will turn away their ears from the truth and will turn aside to myths.

2 Thessalonians 2:3

Let no one in any way deceive you, for it will not come unless the apostasy comes first, and the man of lawlessness is revealed, the son of destruction,

Suddam Hussein - HUNG FOR CRIMES AGAINST HUMANITY FOR ALLEGEDLY KILLING 143 CALIPHATE

I have reviewed the cases online at the International Criminal Court and it seems very very racially biased to me in that, OF THE 31 cases listed not one of them is white, none of the white PROVEN war criminals of UK / US / EU are EVER held accountable for their proven concurrent war crimes/crimes against humanity past or present.

I will make reference to 2 cases:

1. GUILTY VERDICT FOR WAR CRIMES AND DESTRUCTION OF HISTORICAL / RELIGIOUS SITES - 9 YEARS

On 22 August 2016, the trial in the case The Prosecutor v. Ahmad Al Faqi Al Mahdi opened before Trial Chamber VIII at the International Criminal Court (ICC) in The Hague, the Netherlands. Mr Al Mahdi admitted guilt as to the war crime consisting in the destruction of historical and religious monuments in Timbuktu (Mali), between around 30 June 2012 and 11 July 2012. This is the first international trial focusing on the destruction of historical and religious monuments, and the first ICC case where the defendant made an admission of guilt.

3. ONGOING - 31 CHARGES OF WAR CRIMES AND CRIMES AGAINST HUMANITY AGAINST SUDANESE COLONEL FOR CRIMES OF MURDER, TORTURE, CIDT, THEFT OF SUDANESE TRIBE - Ali Muhammad Ali Abd-Al-Rahman

They are doing the EXACT same thing with Ukraine, in that it is a money laundering operation by way of fraud to steal money from the public into their own back pockets, to commit and cover up other crimes they have been committing there including BIOWEAPON GAIN OF FUNCTION LABS AND CHILD TRAFFICKING.

In terms of Israel, the attached CIA archive documents confirm the 75 year genocide/ethnic cleansing in the land known as Palestine up until 1948 when it was incorporated, that was stolen by way of Zionist decree "The Balfour Declaration" at the behest of the UK by the Zionist incestuous satanic paedo bloodline and financier of all wars, both sides going back a very long time (as per emails below). Multiple census reports from the Ottoman Empire and in 1948 confirm the majority of residents in Palestine were 97% Palestinian Muslims/Christians and it is a JOKE to even suggest anything otherwise, again, confirming the Zionist / Nazi / Satanic leadership, their corporations (Banks/Media/ Social Media/BigPharma/ Blackrock / Blackmailed Politicians and Paedos in positions of power including media / judiciary / police pawns) as Proven Liars / Frauds engaged in premeditated concurrent war crimes, terrorism, torture, cidt, treasons, theft, crimes against humanity, genocides for fun, for hate, for greed. MOSSAD motto "By deception thou shalt wage war" and The Devil is a Liar.

Israel / Mossad are inextricably linked to Epstein / Maxwell / Elite Paedophiles and Child trafficking (Proven)

I would therefore be urgently and immediately investigating the tech / communications / finances / accounts / associations of ANY AND ALL BLACKMAILED PUBLIC MOUTH PIECES OF THE BEAST who are VEHEMENTLY PRO ISRAEL, VEHEMENTLY ANTI PRO PALESTINIAN PROTESTORS, and who are on a tour of ZIONIST OWNED mainstream media to incite hatred towards muslims / islam / innocent students of all race/faith based on provable lies just as they have done over and over and over and over again.

UK Intelligence agencies & associates were also involved in the London Bombings / Manchester Bombings / Grenfell Cover up.

Now, I would URGE the International Court of Justice and the International Criminal Court to not only issue arrests for ALL conspirators REGARDLESS, just as THEY SAW FIT TO EXECUTE SUDDAM HUSSEIN for 143 deaths, AS THEY SAW FIT TO EXECUTE THE NAZI'S IN OCTOBER 1946 for millions slaughtered, THEY EXACT SAME SHOULD APPLY EQUALLY TO EVERY SINGLE ONE OF THEM.

They all knowingly, consciously, intentionally and maliciously IGNORED all evidence of all crimes against themselves and the associated harm and death from those crimes and therefore ALL DEATHS AND HARM ARE DIRECTLY LINKED TO THEM AND ALL BLOOD OF ALL INNOCENTS EVERYWHERE IS SOLELY ON THEIR HANDS FOR THEIR FAILURE TO DO THE JOBS THEY ARE PAID BY WE THE PEOPLE TO DO.

These are all premeditated and proven to be vicious, vexatious and nothing short of demonic bioterrorism/terrorism/psychological warfare attacks on innocents in their billions using a court proven gene editing bioweapon as per testimony under oath and all material evidence everywhere to the tune of millions dead and billions seriously injured all of which they are knowingly and intentionally ignoring.

At Nuremberg 2, they hung Doctors, Nurses, Soldiers and Media executives. All the real orchestrators were rescued and sent to US / UK and redeployed within the system to continue their work.

This time however, Every single one of them should pay with their lives and with immediate effect, as per the Law of War Manual cc'd, as per legal precedence's THEY SAW FIT to inflict on others, as per all Law everywhere.

Anything less is an insult to the billions of innocent victims of all their heinous and insidious crimes against humanity past and present.

Bill of Indictments for High treasons.

The money from the UCC liens will be returned to those it has been stolen from as per the contents of the liens in default, as per the Committee 300 treasury Certificate and associated lien that was attached to my previous email and the other 25+ filed.

WE THE PEOPLE HAVE HAD ENOUGH.

Justice Delayed is Justice Denied

Justice must not only be done but be seen to be done

FRAUD NULLIFIES ALL

The mere appearance of PREJUDICE AND BIAS is enough to overturn any judicial decision

As I said, happy to testify against every one of them and present all evidence from the 40,000+ hours of review of said evidence of all conspirators engaged in a criminal chain conspiracy to commit and cover up these crimes.

NEVER AGAIN IS NOW, not tomorrow, not next week, not in a month, not in 6 months.

WE ARE BOTH IN A PREMEDITATED GENOCIDE AGAINST US WHILST SIMULTANEOUSLY BEING FORCED TO WATCH A PREMEDITATED GENOCIDE OF INNOCENT CHILDREN.

Evil only exists because good men and women do nothing.

To ignore evil is to be an accomplice to it.

These hateful tyrants and barbarians who profit off the blood sacrifice and slavery of innocent children have held dominion here for centuries too long.

Execution is a lawful kindness to put them out of their insanity.

Dear President Ramaphosa

Some months ago, I sent you and some of your colleagues in the SA Government recorded delivery some legal documents. I wish to support you and all the other countries backing your genocide case against Israel, including the 143 listed as supporting Palestine joining the UN as a full member, in any way I can. I have rescinded all association to the UK and USA for their crimes. I have a further claim in Admiralty / Commercial Court, they have yet to acknowledge despite being on these emails, for High treasons and Crimes Against humanity attached. That bundle is with all courts, and 600+ around the world including but not limited to all commonwealth countries. I would further like, upon successful enforcement of the legal Commercial liens against criminal corporations and criminal directors, transfer of all assets, payment of all outstanding invoices, enforcement of all copyright infringements, compensation and return of my personal property, my children and all our trusts, all in default for crimes proven with material evidence, use some of this to support and join the Freedom Floatilla that you and Mandela's son are supporting. I ideally would like to turn it into a Freedom Armada.

I am past bored of these INSIDIOUS criminals having been informing them of so many crimes since 2020, including the kidnap, abuse and sacrifice of my 3 sons by criminals connected to and protected by Lord Walker of the House of Lords & Associates. I have not seen them since and they allow actual murders to walk their streets. I can prove with material evidence criminal chain conspiracy to the very top.

Please watch Dog the Bounty hunter discuss what he calls "The Devil's Herd - Demonically possessed and oppressed" evidently we have a legion of them over here in positions of power and they will not cease and desist because they are straight bat sh*t crazy. <https://youtu.be/Fv4qWpF5kE4?si=8QmXk98rLfVV5p0a>

Please read all emails below and all attachments urgently. I am happy to testify in ALL LEGAL ACTION AGAINST ALL CONSPIRATORS TO GENOCIDES / CRIMES AGAINST HUMANITY ANYWHERE which includes Israel, UK, USA and all Zionist/Nazi/Satanist cultist corporations and individuals.

I have taken the time to peruse all Judgements and Decisions available on the ECHR / ICC website as further backing to all claims, all crimes, all evidence proven beyond any reasonable doubt for the enforcement of all lawful commercial liens in default.

The Origins of Ketamine as a Treatment for Major Depression

First synthesized in 1962, ketamine was approved by the U.S. Food and Drug Administration (FDA) in 1970 for use as an anesthetic, according to a [research article](#). But when doctors noticed that some depressed patients who had been given ketamine as anesthesia for routine procedures experienced relief from their symptoms, [study](#) of its cognitive effects on animals, and, eventually, humans, began.

[John Krystal, MD](#), a psychiatrist at Yale School of Medicine, is credited with spearheading research into ketamine as a treatment for depression in 2000, when he and his team led the [first randomized trial](#) on depressed patients.

When Dr. Krystal began studying the drug, he thought its effects on cognition and behavior seemed profound. "When we observed the antidepressant effects of ketamine, we were shocked by the rapidity and magnitude of its antidepressant effects," Krystal says. "The more we studied ketamine, the deeper we seemed to go in learning about fundamental aspects of brain function, the biology of psychiatric disorders and addictions, and the treatment of these conditions."

By 2010, some psychiatrists were using ketamine as an off-label medication for treatment-resistant depression. But ketamine-assisted therapy gained mainstream traction in 2019 when the [FDA](#) approved a nasal spray medication called esketamine (Spravato), a form of ketamine, to be used with an oral antidepressant for people with [major depressive disorder \(MDD\)](#).

Though not a classic plant-derived psychedelic like [psilocybin](#) (magic mushrooms), peyote, or ayahuasca, ketamine has been classified as a “[hallucinogenic agent](#)” or [nonclassic psychedelic](#). And the [latest research](#) on the mechanisms of ketamine, as well as other recent studies published in [JAMA Psychiatry](#) and the [American Journal of Psychiatry](#), show positive effects on people with treatment-resistant depression.

One hallmark of ketamine therapy is the feeling of dissociation it may engender — a feeling of disconnection from the physical body, thoughts, or emotions. This altered state may then help people suffering from depression and other mental health disorders to examine traumatic memories, painful emotions, or stuck patterns from a fresh perspective, under the guidance of a licensed therapist, notes [research](#).

Dear Students

Following on from yesterday's topics.

I forgot to add that Harry is manufacturing a Medbed based on his Tesla knowledge from the Tesla family, Medbeds and Tachyon Chambers are already available. He further infuses all his products with healing frequencies, such as 432Hz & 8Hz.

[TACHYON CHAMBER - Tachyon Chamber](#)

The Tachyon Chamber is a unique place where a portal of Tachyon Particles (Quantum Mechanics) is permanently opened to pour Tachyon particles in at **very high levels**. These intense fields of Tachyon are like being underneath a waterfall of 'energy.'

Tachyons are faster than light particles, working at the sub-atomic level. They have a profound effect on the human body, energy field, emotions as well as the mental and spiritual makeup of a person. Tachyon works directly with your DNA to initiate repair and upgrade the body's template. Tachyon also works to assist in manifesting the life you want and amplifies your desires and intentions. It's the Zero Point field of high vibration where neutral energies clear blockages and accelerated frequencies into spiritual dimensions are attainable. The Tachyon field culminates almost effortlessly into higher light and knowledge...into higher vibration and truth! (Tachyon PDF Attached)

432 Hz. The magic number everybody is talking about. It is said to be the natural frequency of the universe, to have cosmic healing powers.

The Schumann Resonance – The Earth's Heartbeat

To understand the popularity behind 432 Hz, we need to first learn about the Schumann Resonance. This will ultimately explain the number's importance.

A German physicist, Winfried Otto Schumann, documented the Schumann Resonance in 1952.

He understood that global electromagnetic resonances exist within the cavity between the Earth's surface and the inner edge of the ionosphere.

He determined that the frequency of these electromagnetic waves is very low, ranging from 7.83 Hz to 8 Hz.

The Earth used to resonate at a steady average of 7.83 Hz, but in recent years we've seen a shift more towards an average of 8 Hz.

This frequency range is referred to as the Earth's heartbeat, or vibration.

The Link Between 432 Hz and 8 Hz

So what's 432 Hz got to do with the Schumann Resonance of 7.83 – 8 Hz?

Well, musically speaking, the two resonate with each other.

Here's a fairly simplified explanation of how this came about, without too much math.

In 1713, a French physicist named [Joseph Sauveur](#) came upon a new concept:

Rather than tuning music at 440 Hz or other variations, he noted that by placing middle C at 256 Hz, you could create a system where each octave (or factor) of C lands on an even integer (whole number), instead of containing awkward decimals.

It is those awkward decimals he alluded to that make conventional music tuning (440 Hz) not sound as nice as music played at 432 Hz.

So, when we tune an instrument to 432 Hz, we get a C note at 256 Hz, which, due to the sympathetic resonance of the note overtones, will produce another C at exactly 8 Hz.

This frequency of 8 Hz – which is at the top end of the Theta brainwave state – is the brainwave state that makes us feel relaxed but conscious and open to intuitive learning.

So 432 Hz and 8 Hz are intrinsically linked in this way.

On a more primitive and spiritual level, one would presume it optimal to play music in alignment with our planet, with nature.

We know that prolonged exposure to certain frequencies can cause us to feel adverse physical effects.

Think for a moment about all the frequencies that travel through your brain on any given day: from cell phones, Wi-Fi, 5G, radio, and microwaves.

All these devices transmit at different frequencies. These manmade inventions are constantly penetrating our brains with different frequencies.

It is no wonder that devices that emit artificial electromagnetic radiation have been linked to cancer, depression, insomnia, and even miscarriage.

Also consider the repelling frequencies of car alarms, speaker or microphone feedback and the dental drill.

Then consider natural frequencies, such as birds singing, leaves rustling, rain, an ocean breeze. Do these things bother you, or comfort you?

These everyday vibrations made by Mother Nature resonant with our being.

They have, over the centuries, inspired the creation of instruments: think of the wind whistling through a hollow tree, and then consider the creation of the flute.

It makes sense that listening to music tuned to 432 Hz (8 Hz) would make us feel more calm and balanced; because it's in our DNA. We come from the Earth. We are part of the Earth.

The purpose of this is undoubtedly to promote a meditative state and subsequent healing.

Additionally, According to international researcher and musician Ananda Bosman, the majority of instruments unearthed from ancient Egyptian and Greek sites are tuned to A=432 Hz.

Indeed, sacred sites all over the world are encoded with the sacred geometry and number of 432.

The fact that musical greats and ancient societies preferred 432 Hz, but the US and UK ignored this and chose 440 Hz, was bound to make people suspicious.

The Zionist / Nazi / Satanic Incestuous Paedo Bloodline RothsChild Theory

Most theories centre on the belief that the 440 Hz frequency was deliberately adopted by governments/regimes as a way to manipulate and control the masses.

Over time it is said to make people lethargic and borderline depressed, and therefore easily influenced.

It is claimed that in 1910, John Calhoun Deagan, an alleged member of US Naval Intelligence, was funded by the **Rothschild's family** to convince the American Federation of Musicians to endorse a standard of A=440 Hz tuning for orchestras and concert musicians.

[Exhibitions < Rothschilds & the First World War :: The Rothschild Archive](#)

[Profiting from World War One: The Fortunes of the Bankers Who Financed Both Sides \(revisionist.net\)](#)

This was accepted by the US government in 1917 and became the International standard concert pitch in 1953.

The Nazi Theory

It is suggested that the Nazi regime used 440 Hz and experimented with other influential frequencies alongside it designed to assist in the control of people's minds.

Joseph Goebbels, prime minister of propaganda for the Third Reich, and whose job was to spread the Nazi message, supposedly directed this mission.

He apparently used music containing concentrated 440 Hz frequencies and others to induce fear and hostility in the masses.

People listening to this music were essentially prisoners of their own aggressive consciousness.

Nazis changed the universal musical pitch from A=432Hz to A=440Hz in order agitate their enemies' brains

In 1939, at an international conference in London organized by the British Standards Institute, a group of European nations first issued a joint recommendation to set the standard for concert pitch at A=440Hz (meaning the note a', the second note a above middle c, should be set at 440 Hz).

According to a 1939 Nature article, the recommendations, which also established that such value "shall be maintained within closest limits possible" by all musical performances and in recorded music, was forwarded for submission to the International Standards Association (ISA) - which became the International Organization for Standardization in 1947 (ISO by its acronym in French) - and other international committees.

This pitch for the note a', appears to have been first proposed by Johann Heinrich Scheibler at the Stuttgart Congress of Physicists in 1834, according to Cross.

By 1917, this "standard pitch" of A=440Hz was already being followed by the American Federation of Musicians, according to Halmrast.

"Musical Cult Control: The Zionist / Nazi / Satanist Bloodline **Rockefeller** Foundation's War on Consciousness through the Imposition of A=440HZ Standard Tuning,"

"the A=440Hz frequency was instituted at the precise time WWII preparations were being finalized by the petrochemical-pharmaceutical war financiers. Hitler's Germany invaded Poland officially starting WWII on Sept 1, 1939. Only three months earlier, following widespread rejection of the A=440Hz frequency vibration by musicians worldwide, Nazi propaganda minister Joseph Goebbels argued on behalf of this, apparently very important, intrusion into musical artistry, effectively persuading Hitler's supposed enemies in Britain to adopt this allegedly superior standard tuning for the 'Master Race'"

At a time when much of our news and entertainment media is controlled by a handful of corporations, "The Goebbels Experiment" is a cautionary reminder that equal access to the machinery of ideas may be society's most critical goal.

[Perfect Pitch | Journal of Popular Music Studies | University of California Press \(ucpress.edu\)](#)

After analyzing the effect of the sounds on the human being. In particular, it has been noted that, during the war, one more acute tuning fork (between 440 and 450 Hz) gets the soldiers to be instable and aggressive, a very useful behavior to fight. Later, the Nazis adopted this kind of effect on human mind to incite the army as best they could do it [17]. The Minister of the propaganda Joseph Goebel imposed the its adoption in the whole Europe for artistic aims, but this decision raised several protests in France (in fact, he ignored a contrary referendum, promoted in France by 25.000 musicians) [18]. Later, during some phantom conferences made by phantom experts as well, the 440 Hz tuning fork has been completely confirmed for global musical practice. Therefore, a too much acute tuning fork uses to get soldiers too much irritable and aggressive in the fight. This phenomenon gets us to understand how and how much the history, the politics and the historical events deeply influence our musical world. In particular, the sound tuned on the 440 Hz's would create "Beta" brainwaves... during its normal daily activity, our brain produces a series of infrasound, and in the specific, this kind of Beta sound is a status for infrasound (between 14 and 30 Hz), related to anxiety, danger and reaction. In other words, what it is confirmed by several scientists, artists and researchers is that the choice of 440 Hz is one of the worst "legitimated" mistake of the musical history.(research gate paper attached)

So they have been manipulating our brain waves and ultimately our behaviour for a very very long time not only with lies but also disturbingly, frequency.

Here's a breakdown of the different types of brain waves and their associated frequencies:

- Beta Waves (12-30 Hz) – These brain waves are associated with alertness and wakefulness.
- Alpha Waves (8-12 Hz) – These brain waves are associated with relaxation and calmness.

- Theta Waves (4-8 Hz) – These brain waves are associated with meditation, creativity, and dreaming.
- Delta Waves (0.5-4 Hz) – These brain waves are associated with deep sleep and unconsciousness.

Scalar Energy: A Hidden Force for Healing

Scalar energy is a **subtle and powerful force** that originates from the sun and the stars and can heal the human body and mind. It is not electromagnetic, but scalar, meaning it has no direction, frequency, or polarity, and can travel faster than light and through any solid object. Nikola Tesla, the genius inventor, was the first to discover and harness scalar energy, but his work was suppressed and forgotten by the mainstream science. Scalar energy can create a balanced and harmonious field that enhances the vitality, immunity, and well-being of living beings and protects them from negative influences. **Scalar energy products**, such as pendants, bracelets, stickers, and devices, claim to use scalar waves to improve health, performance, and productivity.

Every healthy cell, every healthy organ has an optimal energy, a frequency, a vibration. Bioresonance therapy is a **holistic, complementary, alternative, non-invasive, non-clinical, and non-medical energy therapy or energy medicine** ¹. It uses a machine to measure the frequency of energy wavelengths coming from the body, which are then used to diagnose and treat disease ^{2 3}. The therapy aims to restore balance within the body by using its frequency patterns ⁴. The idea behind this therapy is that unhealthy cells create electromagnetic waves that are notably different from healthy cells ¹.

Food colouring pigments are generally unstable and become modified during processing, in order to maintain or restore product colour uniformity, colourants are added to food products around the world. They are still widely used, synthetic food colorants, due to their potential hazards, Indeed, numerous side effects and toxicities, at both the medium and long-terms—namely allergic reactions, and behavioral and neurocognitive effects—have been related to the use of synthetic colourants.

Food colours are usually applied to edible ices, desserts, pastry and fine bakery products, decorations and the coatings of pastry, confectionary products, sauces, fruit juices, snacks and soft drinks, and alcoholic beverages. Nevertheless, some synthetic colour additives may present health problems, namely allergenic problems, which in children can cause hyperactivity and even mutagenic and/or carcinogenic pathologies.

Which leads to the Questions:

1. How long have they been used?
2. Were they aware of the side effect before they used them like with LITERALLY EVERYTHING ELSE.
3. Why are they still used?
4. How many illnesses can be directly related to these ingredients and these foods and these brands but Doctors / Victims have not made that PROVEN association?
5. Have any of these brands ever been held accountable for using toxins in their food that can lead to endocrine / hormonal / behavioural / neurological / carcinogenic illness/disease/health issues? We both know the answer

eg. Sunset yellow is one of the most common synthetic food colors the biggest concern is the claims of hyperactivity in children.

A 2007 British study led by Jim Stevenson from Southampton University looked into this. The European Food Standards Agency (EFSA)-funded research involved 153 3 year-old kids and 144 8-year old kids from Southampton. For six weeks, these children were given a drink each day, which made up of two mixtures. The samples looked and tasted identical.

The test included the food colors: sunset yellow (E110), carmoisine (E122), tartrazine (E102), ponceau 4R (E124), and the preservative sodium benzoate (E211).

The result of the study revealed that there is a connection between the consumption of foods that contained these food colors and preservatives and the increased hyperactivity in children.

These studies support a relationship between food dye exposure and adverse behavioral outcomes in children. Animal toxicology literature provides additional support for effects on

behavior. Together, the human clinical trials and animal toxicology literature support an association between synthetic food dyes and behavioral impacts in children.

In terms of Testing the science then, early 2023 I met Harry Rhodes.

Harry Rhodes is a scientist and inventor, it was reported in the Diaries as absolutely EVERYTHING has been, documenting daily the material evidence on email/social media as previously explained.

The state tried to kill Harry, like they do ANYONE, who a)they don't like b)exposes them c)has something that will help or heal the populous because they want everyone sick because healthy people don't make them any money and sick/paranoid/fearful/offended/traumatised people are EASY TO CONTROL AND MANIPULATE - Narc Game 101 (Also please see attached one the many many thousands of letters/documents/bundles I have written to thousands of people/corporations and sent recorded delivery around the world, this one to Secret Service)

In the bundle is included the Satanic Cult Awareness documents because people need to understand how this Top Down, Team Delulu, Genocidal sentiments across the board, as previously discussed, intertwines with Nazi / Zionism of the Elites that control everything, as evidenced below, going on for a very very very long time. In that they use DRUGS, Torture, Trauma, Abuse, Violence, Threats, Lies, to disable, discombobulate, confuse their victims from childhood to mind control them into submission to their domination, to accept their abuse without question and to ultimately get you to abuse others, all without your knowledge or consent.

Yes, they are this psycho, they are next level bat sh*t cray cray.

Back to Harry, Harry Studied with Tesla's family and has access to never before seen Tesla documents and inventions which Harry is making, including free energy which is why they tried to kill him in a car crash.

Following this, his insurance initially refused to pay, despite the state leaving him disabled.

Harry eventually got paid out, Harry also used to work for patent office and is VERY aware of all the technology they have and are using as weapons against us without our knowledge and consent. (Come back to this later)

Harry then got cancer, which he cured himself of. I know lots of people who have cured themselves, using the products/protocols I have already provided you, without any bigHARMA intervention whatsoever. IT IS NOT A DEATH SENTENCE.

Remember 100 + years ago, 1900, before the Nazi / Zionist Rockefeller took over the medical industry and banded all natural medicine which had been around since THE DAWN OF TIME, our diets and lifestyles were radically different. Everything was organic, everything was homemade, nothing was processed in any way, everyone was healthy and exercised etc, we did not have the very very very very long list of diseases we have to day which are, a direct result of all the crap they put in everything we consume. Why? Evil and wicked people who seek to profit from misery, torture and death make no sense because they are insane. To them it makes sense as capitalists at the top of the evil ponzi scheme because obviously if they create an industry out of thin air, ie. pHARMAceuticals which are just drugs (as previously outlined) they need a stream of customers to make their money. Money, Status, Fame is all they care about, they do not care about what they have to do to get it.

Remember the movie 6th Sense? The little boy sees dead people, he see's a little girl covered in sick and he uncovers she was being poisoned by her mum a little bit everyday by putting bleach in her food? Why did she do it? For attention, she was prepared to make her own child sick and ultimately kill her own child to get lots of attention. Some people suffer from psychiatric disorder called Munchausen syndrome.

People with factitious disorder are willing to risk their lives to be seen as sick. They frequently have othe
The point being, this is essentially what they are doing to all of us.

On this note, you should also look at the by products from WW1 / WW2 explosives, other chemical processes and other petrochemicals they decided would be nice for us, the peasants, to

consume.

Because obviously it is always targeted at people under a certain wealth bracket as everyone above that eats organic non processed foods. One rule for them, another for the rest of humanity.

I digress....

Then the state, as a mean of LAWFARE, to attempt to destroy him, to try and shut him up, waste his money, time, energy, have been trying to take his son and put the son with his narcissistic psychopath abuser ex wife, despite all evidence against her including crime reports to police, all of which they ignore because the court system IS NOT WHAT YOU THINK IT IS, standard modus operandi, as they are just TRAFFICKERS OF HUMANS FOR COMMERCIAL EXPLOITATION AND ABUSE BY WAY OF FRAUD, as can be proven by material evidence, cases in every town and city across the ENTIRE COUNTRY, always.

Harry has this site onlyresultscount.com

We organised a training day with Harry and this is where we come to "Test The Science"

I have done this, I know it works, Harry has done this with loads of people, not only that day but before and after.

I am guessing as Universities you have more than one microscope available. Copy this experiment exactly and you and your fellow students/staff are going to bare witness to how powerful you really are.

Need a Lancer, slides, microscope hooked up to a big screen

Need a structured hydrogen water kit & borax found on onlyresultscount.com and elsewhere (mineral like salt, decalcifies pineal gland and **short circuits nanotechnology** they put in their Satanic Matrix - "Vax/meds" (drug poisons by any other name) and food, much like everything else, you do not want anything that is a creation or inception of zionist / nazi / satanic genocidal psychopaths inside your body) https://youtu.be/wIAi3KleTN8?si=MZG_6kJE1h3QLk46

So you lance a finger on one hand, put the blood on the slide and under the microscope (NOTHING TO FEAR)

When we did this, everyone's initial slide was very similar. What we are looking to observe is the status and structure of your blood cells.

Why is this important?

Ball shaped blood cells are healthy, Blood carries oxygen and nutrients to living cells and takes away their waste products. It also delivers immune cells to fight infections and contains platelets that can form a plug in a damaged blood vessel to prevent blood loss. Through the circulatory system, blood adapts to the body's needs.

So your blood cells and the water 💧 it's in are essential being that we are 70% water.

Water itself holds memory, structure and energy.

So when you look at your first slide what most people will see is what looks like stacks of slow moving coins. This is the beginnings of micro-clotting. If 5's or 10's are stuck together then that's reducing the surface area of the cells for oxygen and nutrients to get to all your organs, take toxins away and changes the viscosity of the blood, this will lead to serious healthy issues if left untreated

Where the ball shaped blood cells flatten, become sticky and very slow it's because of changes in electromagnetic charge in the cells due to the **positive ions around us that come from various technologies**

There is nothing to fear, if you then stand 5 feet away from the scope still with your slide on the big screen and drink a glass of structured hydrogen water (with or without a sprinkle of Borax)

You will witness with your own eyes a miracle

In that because you are standing within the electromagnetic field of your blood sample, as the negative ions from the water immediately start to flow inside you, blood talks to blood, charge to charge, your blood cells on the slide, on the screen will start to return to healthy football shaped red blood cells and move faster

Wait 5 mins, take a second sample from a finger on the other hand and poof...voila...your blood will be perfect healthy shaped footballs moving fast, getting all those nutrients and oxygen to your cells STAT 🤖🧬👨‍🔬

You can HEAL!

Next, Test the Math

See what they did as the evil geniuses they are with access to centuries of secret knowledge and secret technology, was started lies so long ago, it's like inception, a lie, within a lie, within a lie, within a lie. A nightmare within a nightmare, within a nightmare and so on.

One of the biggest lies that is easy to prove is Over Population. This base lie, opened the door for them to create lots of other lies, to create lots of other insidious concepts and industries, to sell us more lies, to make them more money at our expense.

And so;

World Population: 8,108,075,694

World Land Mass in Km² (not including water): 148,940,000km²

<https://www.worldometers.info/geography/largest-countries-in-the-world/>

[List of countries and dependencies by area - Wikipedia](#)

Ok so now let's use the continent of Africa as an example to start with: 30,300,000Km²

So $30,300,000\text{Km}^2 / 8,108,075,694 = 0.004\text{Km}^2 = 4000 \text{ Sq Meters per person}$, we can all easily fit in Africa with lots of space.

So why do we believe we are overpopulated?

It's a lie and it's told to distort your perception of reality so you believe all lies that stem from this one. In that resources are plentiful and abundant however they are sadly under the control of guess who?

Zionist / Nazi / Satanist psychopaths with genocidal ambitions as per all material evidence of all concurrent genocides and crimes against humanity past and present.

Until nest time Warriors.

Be bold, be brave

Hope

The Americans who funded Hitler, Nazis, German economic miracle, and World War II -- by Nikolay Starikov Wed, 6 Oct 2010-- Photo by DoD -- Seventy years ago the greatest massacre in history began – with the financing from the **Bank of England and the Federal Reserve System** of the United States. A recent resolution by the parliamentary assembly of the OSCE declared that the Soviet Union and Nazi Germany held equal roles in unleashing WWII. Furthermore, the resolution has the purely pragmatic goal of pumping Russian money into a few bankrupt economies while seeking to demonize Russia as the successor to the Soviet Union and prepare the legal groundwork for depriving Moscow from opposing this revisionist view the war. But if we are to debate the culpability for the war's outbreak, then we need to begin by answering this key question: who accommodated the Nazis' rise to power, who directed them towards global catastrophe? Germany's entire prewar history shows that the "necessary" policies were all provided for by guided financial turmoil – the same situation, by the way, that the world finds itself in today.

The key structures of the West's post-war strategy were the central financial institutions of the United States and Great Britain – the Bank of England and the Federal Reserve System – coupled with financial-industrial organizations, who set out to establish absolute control over the financial system in Germany to manage the politics of Central Europe. The implementation of this strategy included the following steps:

1st: 1919-1924 – Preparing the grounds for massive American financial investments in the German economy.

2nd: 1924-1929 – Establishing control over the financial system and funding the National-Socialist movement.

3rd: 1929-1933 – Inciting and unleashing a deep economic crisis ensuring the Nazis would rise to power.

4th: 1933-1939 – Financial cooperation with the Nazi government and support for its expansionist foreign policy, aimed at preparing and unleashing the new world war.

In the first stage, the major leverage for the penetration of American capital into Europe came from war debts and the closely related issue of German reparations. After the United States' formal entry into WWI, the U.S. provided its allies (primarily England and France) with loans amounting to \$8.8 billion. The total sum of war debt owed to the U.S., including loans offered between 1919 and 1921, amounted to \$11 billion. To solve their own financial problems the debtor countries went after Germany, forcing it to pay an enormous sum in reparations under extremely difficult conditions. The resulting flight of German capital abroad and refusal by companies to pay their taxes resulted in such a state deficit that all the government could do is mass produce German marks without backing. The German currency collapsed as a result. During the hyperinflation of 1923, the inflation rate reached 578,512% and one dollar was worth 4.2 trillion Deutsch marks. German industrialists began to openly sabotage all attempt to pay the reparations, which eventually sparked the famous "Ruhr crisis" — a Franco-Belgian occupation of the Ruhr valley in 1923.

This is exactly what the ruling elite in Britain and America had been waiting for. Having allowed France to get bogged down in the Ruhrland adventures and showing its inability to solve the problem, they took the situation into their own hands. U.S. Secretary of State Charles Evans Hughes said, "We must wait until Europe is ripe to accept the American proposal."

A new project was developed in the bowels of J.P. Morgan and Co. at the behest Montague Norman, head of the Bank of England. At the heart of the project were Dresdner Bank representative Hjalmar Schacht's proposals, which had been formulated in March 1922 at the request of John Foster Dulles, future Secretary of State under Eisenhower, and legal advisor to President Woodrow Wilson at the Paris Peace Conference.

Comment: Brothers in Armchairs [\[link\]](#), John Foster Dulles and Allen Dulles (CIA director 1953 – 1961).

Dulles passed the proposals to the chief trustee of J.P. Morgan and Co., who then gave recommendations to Schacht, Norman and – at last – to Weimar officials. In December 1923, Schacht became the director of Reichbank and played an instrumental role in bringing together the Anglo-American and German financial circles.

In the summer of 1924, the project, known as the "Dawes Plan" (named after an Charles G. Dawes, the American director of one of Morgan's banks, who chaired the committee of experts who preparing the proposals) was adopted at the London Conference. He called for halving the reparations to be paid, and also settled how Germany would pay them off. However, the primary goal was to provide favorable conditions for U.S. investment, which could only be made possible by stabilizing the German mark.

To that end, Germany was granted \$200 million in loans, half of which were provided by Morgan's banks. In doing so, Anglo-American banks established control over not only Germany's payments,

but also its budget, monetary system and, to a large extent, its credit system. By August 1924, the old German mark had been made anew, the financial situation in Germany stabilized, and, as researcher G.D. Preparta wrote, the Weimar Republic was prepared for "the most striking economic aid in history, followed by the most bitter harvest in world history. [...] [T]he uncontrollable gushing of American blood flooded into Germany's financial core."

The consequences of this quickly made themselves noticed.

Firstly, due to the fact that the annual reparations payments were to cover the allies' total debts, the so-called "absurd Weimar cycle" developed. The gold that Germany was using to pay war reparations was heaped up and sold to the U.S., where it disappeared. From the U.S., according to the plan, gold was going to Germany in the form of "aid", which was then paid back to England and France, who then sent it back to the United States to pay off their war debts. The U.S. then placed a heavy interest rate on it and sent it back to Germany. In the end, Germany lived off of debt, and it was clear that should Wall Street withdraw its loans, then the country would suffer a complete meltdown.

Secondly, although the loans were officially given to Germany to ensure the payment of reparations, in reality, they were designed to restore the country's military-industrial potential. In fact, the Germans paid off the loans with shares of German companies, allowing American capital to actively integrate itself into the German economy. The total amount of foreign investment in German industry from 1924-1929 amounted to nearly 63 billion gold marks (the loans accounted for 30 billion of this), and 10 billion in reparations was paid off. American bankers – primarily J.P. Morgan, provided Seventy percent of Germany's financial income. As a result, as early as 1929, Germany's industry was second in the world, but to a large extent it was in the hands of America's leading financial-industrial groups.

Thus, I.G. Farben, the company that became the German war machine's key component, was under the control of Rockefeller's Standard Oil at the time it funded 45 percent of Hitler's election campaign in 1930. Through General Electric, J.P. Morgan controlled the German radio and electrical industry in the form of AEG and Siemens (by 1933, General Electric owned a 30 percent stake in AEG). Through telecom company ITT, he controlled 40 percent of Germany's telephone network and 30 percent of aircraft manufacturer Focke-Wulf. Opel was taken over by the Dupont family's General Motors. Henry Ford held a 100 percent stake in Volkswagen. In 1926, with the participation of Rockefeller bank, Dillon Reed and Co., the second largest industrial monopoly emerged – metallurgical firm Vereinigte Stahlwerke (Unified Steel Trusts) of Thyssen, Flick, Wolf, Fegler, etc.

American cooperation with Germany's military-industrial complex became so intense and pervasive that, by 1933, American capital had reached key sectors of German industry and even major banks like Deutsche Bank, Dresdner Bank, Donat Bank, etc.

Comment: Germany presented an incredible investment opportunity. A well-educated, motivated population in a key geographic location available for pennies on the dollar. Perhaps some investors were not concerned about other agendas.

Simultaneously, a political force was being financed that would be called upon to play a crucial role in the Anglo-American plans – the Nazi party and Adolf Hitler himself.

German Chancellor Brüning wrote in his memoirs that beginning in 1923, Hitler received large sums of money from abroad – from where exactly is unknown, but it passed through Swiss and Swedish banks. It is also known that in 1922, Hitler met with U.S. Military Attaché Capt. Truman Smith in Munich – a meeting Smith recounted in a detailed report to his Washington superiors (in the Office of Military Intelligence), saying he thought highly of Hitler.

It was through Smith's circle of acquaintances that Hitler came into contact with "Putzi" (Ernst Franz Sedgwick Hanfstaengl), a Harvard University graduate who played an important role shaping Hitler into a successful politician, giving him substantial financial support and connections among senior British figures.

Comment: Ernst Hanfstaengl, a historically quiet influence with some remarkable connections
[link]

Hanfstaengl was the son of a successful art dealer and had dual U.S. – German citizenship. He was born in Bavaria, and graduated from Harvard University in 1909. The half-German tranquilly spent the whole of WWI in America. Not only was he, as a German citizen, not arrested – even after the United States declared war on Germany – but after promising "not to engage in any anti-American activities," he was left alone. Why? Because his lawyer, was U.S. Secretary of State Theodore Roosevelt!

... Ernst earned the nickname "Putzi" among the Nazis, meaning "kid" (and "funny" and "amusing"). Under this name he entered German history books in the Nazi movement. Historians remember nothing, and paint Hanfstaengl as a joker, forgetting that such a role is the most convenient for the hidden influence of a puppet master.

... Putzi's true value in forming the Nazi's into a party and Hitler into a leader is still not fully appreciated.

... Putzi Hanfstaengl was rich and could afford to help out a novice politician – to direct, and put on the right path.

... in 1923, Hanfstaengl holds a series of geopolitical discussions with Hitler, enlightening the future fuehrer and expanding his horizons. And already in 1924, "the student" writes his own

book, word for word repeating the thesis of his friend. So who is the real author of Mein Kampf? It turns out it was an American spy.

... In the summer of 1932, an extremely influential British politician came on a personal visit – Winston Churchill. ... [Hitler] didn't even go to the meeting with Churchill, in spite of Ernst Hanfstaengl's many persuasions!

... in February 1934, [Hanfstaengl] left without the Fuhrer's consent to meet with ... Benito Mussolini. The modest press secretary's mission was to nudge El Duce to normalize relations.

Mission accomplished:

[Hanfstaengl] left Germany in March 1937. More precisely, snuck out, supposedly after getting into conflict with some in Hitler's inner circle and felt his life was threatened.

... During the Second World War, Hanfstaengl would work ... as an advisor to President Roosevelt!

More on Hanfstaengl [\[link\]](#).

Hitler was preparing himself for big-time politics, but, as long as prosperity reigned in Germany, his party remained on the periphery of public life. This situation changed dramatically with the onset of the crisis.

After the U.S. Federal Reserve engineered the collapse of the stock market in the autumn of 1929, the third phase of the Anglo-American strategy began.

The Fed and J.P. Morgan decided to cease lending to Germany, spurring a banking crisis and economic depression in Central Europe. In September 1931, England abandoned the gold standard, deliberately destroying the international payment system and completely cutting off the financial oxygen of the Weimar Republic.

But, the Nazi Party experienced a miraculous boom: in September 1930, thanks to large donations from Thyssen, I.G. Farben, and Kirdorf, the party collected 6.4 million votes – putting it in second place in the Reichstag. Shortly thereafter appeared a generous infusion of funds from abroad. Hjalmar Schacht became the key link between the major German industrialists and the foreign financiers.

On January 4, 1932, at a meeting between Adolf Hitler, German Chancellor Franz von Papen and Montague Norman, a secret agreement was reached securing funding for the Nazi Party. The American politician, Dulles, was also present at this meeting – something his biographers don't like to mention. On January 14, 1933, Hitler held a meeting with Kurt von Schroeder, a Nazi-sympathizing banker, von Papen and Kepler, where the Hitler's program was fully approved. It was

here that the final path for the Nazis' rise to power was laid, and on January 30, Hitler became chancellor.

Then began the fourth stage of the strategy.

The relationship between the new government and the Anglo-American ruling circles became extremely benevolent. When Hitler refused continued payment of reparations, which naturally raised questions about the payment of war debts, neither Britain nor France forced him to pay up. Moreover, after Reichsbank head Hjalmar Schacht traveled to the U.S. in May 1933 to meet with the president and major Wall Street bankers, America provided Germany with new loans totaling \$1 billion. And in June, during a visit to Norman in London, Schacht requested an addition \$2 billion in loans as well as a reduction and eventual cessation of payment on old loans. Thus, the Nazis got something that the previous government could not.

In the summer of 1934, Britain signed the Anglo-German Transfer Agreement, which became one of the foundations of British policy towards the Third Reich, and by the end of the 1930's, Germany developed into Britain's primary trading partner. Schroeder's bank turned into Germany's and Great Britain's main agent, and in 1936, its New York branch merged with a Rockefeller holding to create the investment bank "Schroeder, Rockefeller and Co.", which the New York Times described as "economic-propagandist axis of Berlin-Rome". As he admitted himself, Hitler viewed foreign credit as the financial basis of his four-year plan, so this didn't raise the slightest alarm.

In August 1934, American oil giant Standard Oil purchased 730,000 acres of land in Germany and built large oil refineries that supplied the Nazis with oil. At the same time, the United States secretly provided Germany with the most modern equipment for airplane factories, which would soon produce German aircraft. Germany received a large number of patents from American firms Pratt and Whitney, Douglas, and the Bendix Corporation, and the "Junker-87" dive-bomber was built using purely American technology. By 1941, when the second world war was in full-swing, American investment in the German economy totaled \$475 million, Standard Oil invested \$120 million alone, General Motors — \$35 million, ITT — \$30 million, and Ford — \$17.5 million.

The intimate financial and economic collusion between Anglo-American and Nazi businessman was the backdrop against which the policy of appeasement to the aggressor took place – leading directly to World War II.

Today, while the global financial elite has embarked on a plan of "Great Depression part II" with the subsequent transition to a "new world order", it is imperative to identify its key role in organizing crimes against humanity in the past.

You need to understand.

It is urgent.

What you need to truly comprehend is these Genocidal Sentiments of the Zionists in Israel are held by the Zionists/Satanists/Team Delulu at the top of the evil pyramid ponzi scheme against all of us everywhere, including Jews because as we said, Zionism and Judaism are CATEGORICALLY not the same thing, "human animals" "useless eaters" we are the carbon they seek to eliminate, their words.

Why is it they are threatening these kids today so violently using police as weapons which they didn't in the 70's, same protests, same universities, same principles to divest from companies engaged in the slaughter and sacrifice of innocents, which they then did, the protests worked.

Why is it they are ILLEGALLY threatening them with deportation by those engaged in war and slaughter of innocents, calling children "national security" threats for simply speaking truth when they have legal precedence of protected beliefs.

Proving once again you are the liars, the destroyers of children, the destroyers of lives, destroyers of innocence, destroyers of truth, destroyers of the law.

It is disgusting.

Have you seen this Team Delulu rich desperate vampire? He likes to ingest his sons blood to make him young and have the erection of an 18 year old, because that's not weird, or coercive or abusive? Which leads us nicely onto the blood trade, the very very very secret past time of the uber rich, uber psycho, uber delulu who will do anything and pay any amount of money to get their hands on the blood of children. Remember I told you we have a GCHQ witness/whistle-blower who has the names of Black Ops Military who work in human slaughter houses. Yeah about that though.

Have you seen the HMCTS and Supreme Court, who are cc'd on here, Twitter posts lately? They are an absolute joke. Talking about how amazing they are LOL, how they are democracy in action, how Lord Reed is going to go around and tell everyone how great they are at doing their job. Oh what they Lords that were involved in the £15 Trillion Bank Fraud, those Lords? LOL

What gibberish is this? Are you even on the same planet as the rest of us? Hunger Games 101

See you're hiring for magistrates, what more ignorant mind controlled buffoons and criminals to do your bidding, to steal from the poor to give to the rich to commit yet more crimes against us all.

Haven't you all given yourselves yet more pay rises at the public expense, what for? You do nothing for us, you serve Devil masters who do the devilling, it's all right there in black and white by your own admissions, texts and training.

Perhaps you should read all the books available to purchase written by retired judges exposing the corrupt judicial system, or the retired police exposing the corrupt police, or the retired military exposing the crimes of the military, or the NHS whistle-blowers or the social worker whistle-blowers and on and on and on, confirming absolutely everything I have ever said. "Rogues in Black Robes" or "The Secret Barrister" or simply the many many testimonies, including from a retired Judge, already included in the legal bundles in your possession clearly that's all too much like hard work for you all, too much like having to look in the mirror and face the monsters you have become.

The entire system is based on Fraud, Proven with material, foundation, witness and demonstrable evidence that should put every single one of you in prison for life if the rule of law exists but conveniently you seem to think it doesn't apply to you.

What an absolute embarrassment you are to humanity.

There is nothing that tickles me more than watching war criminals, genocidal psychopaths, satanic paedophiles, traffickers, corrupticons, decepticons and all their many many mind controlled enablers giving themselves and each other public awards, pats on the back, for how great they think they are whilst simultaneously engaged in domestic terrorism, bioterrorism, psychological warfare, slaughter of innocents here and abroad whilst lining their pockets.

Grotesque doesn't even cover it.

What delusional fantasy are you all living in right now.

You think we are ever going to forget any of the heinous and insidious crimes you have and continue to commit against us? You think your violence, your irrational, illogical, ignorance and hate will make anyone forget? All it does is expose your true nature more to anyone with eyes to see, ears to listen and a mind to learn.

The phrase "Lest We Forget" exists for a reason and we are going to ensure every fucking day for the rest of eternity is Remembrance day.

God knows all, god sees all, god is with you behind closed doors, god is inside you and hears your thoughts, your intentions.

God is the only Judge.

You steal children, you abuse children, you kill children, you steal from children, you lie to them and you corrupt them, you cover up and participate in heinous and insidious crimes for money, for fame, for status, for awards, for pleasure, for torture and it is all based on lies, frauds, total and utter bulls*t.

When all is said and done, our spirit comes here through the portal of the mothers womb into this realm and is pure upon arrival.

When it is your time to go, whatever skeletons you may have, whatever you harm you have said and done and not repented for, will already be at the gates waiting and you will not be allowed in if

you knowingly, intentionally, maliciously participated in Psychological Warfare by fraud/deception, Genocides or Trafficking and commercial exploitation of humans for your own gain or War Crimes or Crimes Against Humanity and you are beyond insane to think that you will.

There is only one place you will go, because you have not learned the lessons those tests were sent to teach, you will be sent back to hell, to purgatory, to do it all again.

Dear Students

Yesterday I went to visit one of the encampments.

Here is what I learnt and can confirm as FACT for the record as material evidence in my cases for High Treasons and Crimes Against Humanity at Commercial Court and against those seeking to destroy you based on their own irrational, illogical, ignorant hateful spirit.

The entire system, whether we like it or not, was the creation and inception of racist, white supremacists with enslaving, trafficking, genocidal, war mongering, terrorising, raping, murdering, thieving intentions, ambitions and goals for their own financial or otherwise gain. History proves it so. History further proves it's unwavering emotional commitment to such ignorance, hate and genocide denial.

1. The protestors are being financially supported by the public
2. The protestors and teachers/staff/public are supporting each other
3. The donations of equipment, food, necessities etc is coming from the students, staff, public
4. The protestors are made up of all races, all faiths and they are building a community and having General Assemblies where all are welcome to discuss all issues facing our country
5. They have students from all subject areas and are articulate, intelligent and not only being insulted but massively underestimated
6. As a collective of souls, they have pure hearts and pure intentions
7. They are categorically not trying to turn the country to Islam, or turn people Muslim or any such radical behaviour they are being accused of
8. They are organised, clear, empathetic and feel duty bound to do whatever they can to stop premeditated, merciless and senseless slaughter of innocents

9. They have a welfare team, an admin team, a Camp Paper, lots of space to sit and chat
10. I attended alone and was made to feel very welcome, they all seemed, despite the circumstances, very happy.
11. They have speakers everyday on all kinds of subjects including protection, self defence, anti-semitism and islamophobia
12. The way they are being portrayed, treated and spoken about in Mainstream media v Reality is waking the students, staff, lecturers, professors and public up at the rate of knots.
13. I started to inform them about the other heinous and insidious crimes of state/zionists/paedophiles/police/judiciary etc and they were not shocked, they suggested to come back and do a teach in, which I am going to do and live stream with material evidence.
14. I was honoured to be in the presence of such bright and brave students fighting for what is right to the point it made me feel proud to be British again, something I have not felt utter disgust to be since 2020 because of it's crimes towards me, my children, my family and against 67 million innocents in UK.
15. I have CC'd in Sheffield University Leadership Team because I want them to know, they too, should be eternally proud of their Students who, display more courage, than most adults and are dedicating all of their free time to such a worthy cause as spreading awareness and trying to save lives.
16. Let me be very very clear, there was NO, I repeat NO hatred towards Jews present in any way, shape or form, any portrayal that there is by Zionist owned Mainstream Media in Public Consciousness or spread by nefarious individuals in Public eye/power blackmailed or funded by Zionists trying to cause a race/religion war and division are LYING and they are the criminals for inciting hate, slander and defamation towards innocent students.
17. The students are armed with all material evidence to back up any and all claims and demands they are making which pertain solely to the actions of the Zionist government of the State of Israel.
18. They have had ZERO trouble at their encampment and ZERO trouble at protests and to date ZERO trouble with the police as they are peaceful, factual and inclusive.
19. I was not aware so many universities had financial ties to Israel, to Zionists, to War and the profiting off slaughter of innocents. The University I went to had leaflets:

UNIVERSITY OF SHEFFIELD COMPLICITY IN THE WAR ON PALESTINE: ARMS TRADE AND ACADEMIC ENTANGLEMENTS

BREAKING: The university of Sheffield Stands accused of explicit complicity in the ongoing bombardment of Gaza, functioning as an accomplice to Israel in the Genocide of Palestinian People. Shockingly since 2021 the university has proudly held the dubious honour of leading British universities in accepting funds from the arms trade.

The university's financial ties to the industry have exceeded £72 Million since 2012, surpassing even the combined investments received by Oxford and Cambridge. This stands in direct opposition **to their endowment investment policy which prohibits investments in the arms trade.**

Government research bodies consistently co-sponsor programs at University, often backed by weapons companies and the Ministry of Defence. Public funds are channeled into projects that propel military technology forward. **To top it off, the MOD hosted a conference at the AMRC last year, featuring the unsettling slogan "If we can't make it, the war fighter can't have it"**

In so far the AMRC appears to have kept true to their promise, having worked on **streamlining the development of a wide array of weaponry, from bullets to nuclear war heads.**

Most insidiously, the AMRC has worked extensively with BAE systems and Lockheed Martin in developing an advanced production line process for the F-35 aircraft. Despite receiving numerous awards for their efforts, its crucial to confront the harsh reality of this collaboration: **these self-same aircrafts are currently being used by Israel in it's ruthless campaign to carpet bombing and ethnic cleansing of Gaza.**

The Majority of said investments go to the advanced manufacturing research centre (AMRC) which opened 2 decades ago with the support of Aerospace giant BOEING. Currently, the centre now boasts partnerships with **BAE Systems and Rolls -Royce.** Each of these partners has worked to **supply arms and defence systems to Israel.** Doctoral researchers and engineering students on the AMRC work on projects like using robotics to enhance manufacturing capacities of BAE Systems - a company for which arms account for **97% of total sales**

Demand:

We, The impassioned students and staff of the University of Sheffield, demand swift Justice, unwavering accountability and an immediate and unequivocal divestment from the arms trade

The extent of the collaboration does not end at the AMRC, nor indeed with the engineering department, for even the management school has collaborated with the weapons manufacturing industry, having offered their expertise to the likes of **BAE Systems.** **In fact, academic staff across multiple departments are sponsored by weapons manufacturing companies, with many receiving grants that are worth several millions.**

We The People do not want war, we do not want to fund war, the people are speaking in ever increasing numbers around the country, around the world and you are ignoring the Majority.

WHAT, THEREFORE, IS YOUR PURPOSE? YOU ARE STEALING OUR MONEY TO FUND AND CONDUCT CRIMINAL ACTIVITIES THAT WE DO NOT WANT, DO NOT AGREE WITH, THAT DO NOT BENEFIT US OR ANYONE ELSE, THAT DO NOT REFLECT OUR MORALS, OUR ETHICS, OUR STANDARDS, OUR PRINCIPLES, OUR VALUES OR OUR CONCISENCE

In 2022 78 Judges wrote an Open Letter to express their concern and a warning regarding the incoming Government:

[78 retired judges warn against incoming government's judicial reforms | The Times of Israel](#)

Dozens of retired judges have signed an open letter warning that legislative moves planned by the incoming government endanger Israel's democracy, threaten internal damage, and could damage Israel's moral standing in the eyes of the world, including those of Jewish communities in the Diaspora.

The Tuesday letter, signed by 78 former judges, charged that planned legislation to curb the judiciary will erode citizens' rights and eliminate the checks and balances on government power.

Among the signatories was former Supreme Court justice Ayala Procaccia, who has been a vocal opponent of the planned reforms, and former attorney general Michael Ben-Yair, who also served on the Supreme Court.

If you are neither listening to the people who pay you, nor enforcing the rule of law, nor preventing mass murder of innocents here and around the world.

WHAT ARE YOU?

Many of these individuals CLAIM to be ZIONIST (Christians) and ZIONIST (Jews) and CLAIM to be believers and followers of God however a review of the 10 commandments clearly shows these individuals are the antithesis of God.

The Ten Commandments (Exodus 20:2-17 NKJV)

- 1 *"I am the Lord your God, who brought you out of the land of Egypt, out of the house of bondage. You shall have no other gods before Me."*
- 2 *"You shall not make for yourself a carved image, or any likeness of anything that is in heaven above, or on the earth below, or in the waters beneath. For I, the Lord your God, am a jealous God, visiting the iniquity of the fathers on the children, and I will love Me and keep My Commandments."*
- 3 *"You shall not take the name of the Lord your God in vain, for the Lord will not hold him guiltless who takes His name in vain."*
- 4 *"Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Lord's day: you shall not do any work, you, nor your son, nor your daughter, nor your male servant, nor your female servant, nor your cattle, nor your stranger who is within your gates. For in six days the Lord made heaven and earth, the sea, and all that is in them, and rested the seventh day. Therefore the Lord blessed the Sabbath day and hallowed it."*
- 5 *"Honor your father and your mother, that your days may be long upon the land which the Lord your God gives you."*
- 6 *"You shall not murder."*
- 7 *"You shall not commit adultery."*
- 8 *"You shall not steal."*
- 9 *"You shall not bear false witness against your neighbor."*
- 10 *"You shall not covet your neighbor's house; you shall not covet your neighbor's wife, nor his male servant, nor his female servant, nor his ox, nor his donkey, nor anything that is his."*

The Ten Commandments

The covenant at Sinai

The *Torah* teaches Jews about the *covenant* God made with all Jewish people at *Mount Sinai*. God gave *Moses* a set of ten laws that they should follow in order to please him. God told Moses that if these rules were not followed, God would punish people who disobeyed them. Today these laws are known as the *Ten Commandments*.

The Ten Commandments are found in the book of *Exodus*. They are:

1. Do not have any other gods.
2. Do not make or worship idols.
3. Do not disrespect or misuse God's name.
4. Remember the Sabbath and keep it holy.
5. Honour your mother and father.

6. Do not commit murder.
7. Do not commit *adultery* .
8. Do not steal.

9. Do not tell lies

10. Do not be envious of others.

These very basic principles PROVE they are not who they say they are, they are LIARS and the Devil is a Liar.

Dear Students

Below are 2 emails I sent yesterday, PLEASE URGENTLY READ.

Please find attached referenced evidence.

Please also find attached what is called a Unilateral Contract which outlines the fees for breaches of your unalienable rights.

Please type up, add a crest of your family if you have one, or design one, or leave black if you choose.

Please follow the format exactly, change the values into your own currency.

At the top, address it to all Police forces, all Agencies not just one, All officers present and future to hold a position as officer or similar.

Please include at the top that:

"Pro-Palestinian and Antizionist" views are protected fundamental beliefs in law ratified by United Declaration of Human Rights to freedom of speech, freedom of expression, freedom of conscience, freedom of religion, freedom to protest and reference the case law, legal precedence where a substantial payout was given to a student for breaching these protected beliefs (referenced below) and should any of them attack/threaten/bully/unlawfully arrest you from todays date onwards you will be be filing a claim against them in both their individual capacities and as a corporation for breaching these rights thereby committing crimes against you as per the fines for violations outlined in the terms of the unilateral contract which stands in law.

Please also add in it the following:

"As per unrebutted, undisputed, unequivocal, damning foundation / material / demonstrable / witness evidence in the form of legal bundles, that is now fact and judgement in commerce and law, as per Guilty verdicts of reasonably minded jury's of peers in full knowledge of the facts from Courts around the world, you and your associates are proven beyond any reasonable doubt to be aiding and abetting Frauds, Genocides, War Crimes, Biological & Psychological Warfare, Terrorism, Torture, CIDT, Crimes Against Humanity, Paedophiles, Trafficking, Criminals Chain Conspiracy, Treason, Sedition, Abuse of Power, Misconduct in office, Abandonment of Oaths and Offices, plus a long list of associated crimes"

Once the notice is typed, print and send a copy back to yourself in a Brown Envelope with COPYRIGHT ORIGINAL-DATE on the back and thumb print in ink over it.

The next thing you want to do is right an Affidavit of Truth which outlines how as a victim of their crimes, all of this has impacted you, emotionally, financially, psychologically, your relationships, your family, your friends.

Go back through your mind, write in chronological order the sequence of events in as greater detail as you can.

Anyone or any organisation, who has ever wronged you, from the system, name and shame.

I have a template/examples, I will dig out and send to you.

These Affidavits Should accompany the Unilateral Contracts and copyright notices to Police / Courts and when serving them electronically, you want to download each email sent as a pdf copy as evidence, you also want to state in the body of the email you "are offering them 7 days to consider and rebut point by point the Affidavit of Truth, Copyright Notice in Accord with Copyright Law and the Unilateral Contract terms after which they become fact and judgement in commerce and law in accord with the rules of law"

Make sure you add your document reference as a header at the top of each page of each document: INITIALS_Date EG 090524_SA (MEANS SECURITY AGREEMENTS - THIS IS FOR FUTURE DOCUMENTS) Eg. HL_090524_SA

Remind them of the legal maxims and legal maxims of commerce already provided in the emails below.

Please then serve both these electronically to every police force in your state/country, and, if you can afford to do so, also send via recorded / signed for mail. (Might work out cheaper to all send them together)

Please then also serve both these to all courts in your state or country electronically, and, if you can afford to do so, also send via recorded / signed for mail. (Might work out cheaper to all send them together)

Keep all records/receipts/proof of who its has been served to and when.

It's just getting worse and worse and worse and worse and worse for you lot.

Astrazeneca has announced the recall of it's COVID Vaccines as they are not fit for humans, blood cots ARE NOT RARE. Howbad.info

I will remind you all AGAIN for the GAZILLIONTH TIME, as per material evidence "The Ark Project-War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence break the chains) the government knew about the blood clots in 2021 and continued. I will remind you all AGAIN for the GAZILLIONTH TIME, as per material evidence "The Ark Project-War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence break the chains) the Government have been served notices for Treason as per the attached Indictments.

I will remind you all AGAIN for the GAZILLIONTH TIME, as per material evidence "The Ark Project-War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence break the chains) the government and all criminal corporations have been noticed of War Crimes, and bioweapons are a war crime and we have testimony under oath this is a Gene editing bioweapon as per the Cripsr / Mrna gene editing element which can cut out, Delete, switch on, turn off Genes and add in SYNTHETIC MATERIALS.

I will remind you all AGAIN for the GAZILLIONTH TIME, as per material evidence "The Ark Project-War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence break the chains) Andrew Bridgen served upon the Houses the side effects and has multiple debates that NONE bar a handful have attended as per attached letter.

I will remind you all AGAIN for the GAZILLIONTH TIME, as per material evidence "The Ark Project-War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence break the chains) you are making a GRAVE mistake if you do not IMMEDIATELY ARREST ALL THE CONSPIRATORS TO GENOCIDES by way of medical battery, rape and assault without informed consent forced upon 5.55 BILLION innocent souls.

I will remind you all AGAIN for the GAZILLIONTH TIME, as per material evidence "The Ark Project-War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence break the chains) in the 1970's roll out of swine flu vaccine, they IMMEDIATELY halted the roll out after ONLY 25 deaths.

"ATLANTA, Georgia (CNN) -- The man who led the response to the 1976 swine flu outbreak is defending the vaccination campaign that led to more deaths than the disease, but says **he's sorry** for the people killed or sickened."

"Federal officials urged widespread vaccinations after swine flu broke out among soldiers at Fort Dix, New Jersey, killing one of the 14 diagnosed with the illness. But the program was suspended after at **least 25 people died from vaccine reactions**. Other estimates put the death toll at 32 people, while about 500 others later suffered from Guillain-Barre syndrome, which damages nerves and can lead to paralysis."

"The results cost Dr. David Sencer his job as director of the Centers for Disease Control and Prevention. He was fired in 1977, after 11 years on the job. Now 84 and retired, he said this week that health officials **"acted on the best knowledge that we had and believed that we were doing the right thing."**

"Asked about those hurt by the vaccine, he said, **"If you're not sorry, you're not a human being."** But he said the government paid settlements to those hurt, "So that we tried to make at least reparations in that standpoint."

I will remind you all AGAIN for the GAZILLIONTH TIME, as per material evidence "The Ark Project-War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence break the chains) Please find attached the Pfizer report 30.04.21 which has 9 pages of KNOWN side effects which no one was informed about.

I will remind you all AGAIN for the GAZILLIONTH TIME, as per material evidence "The Ark Project-War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence break the chains) Please find attached the Pfizer report to the FDA 2020 proving the efficacy FRAUD (AS PER EXISTING HIGH COURT CASE THEY LIED) and Buried within the FDA's [briefing document](#) for the Vaccines and Related Biological Products Advisory Committee (VRBPAC) meeting on December 10, 2020, for the Pfizer-BioNTech COVID-19 Vaccine- there is alarming data and a concerning issue which should be addressed.

Firstly, it's worth pointing out that Pfizer used a 'central laboratory' (see page 13 of the document) of its choice, to confirm COVID-19 cases using a PCR test. *'If, at any time, a participant develops acute respiratory illness, an illness visit occurs. Assessments for illness visits include a nasal (mid-turbinate) swab, which is tested at a central laboratory using a reverse transcription-polymerase chain reaction (RT-PCR) test.'*

I've previously written an in-depth investigative report on the [PCR test](#). The cycle threshold (CT) value used, greatly impacts the outcome of a test.

According to a [study by Jaafar et al.](#), the authors found that when running PCR tests with 35 cycles or more – **the accuracy dropped to 3%, meaning up to 97 % of positive results could be false positives.**

A key section buried within this document, which alludes to possibly the real VE at that time, is the following damning data below (found on page 42).

These were people showing actual symptoms. If you calculate the VE from these numbers, **it's a staggeringly low 12%!**

VE is calculated by dividing the difference between the case numbers in the placebo and vaccine groups, by the case number in the placebo group x 100 = VE of 12 %

Honourable Michelle Sisco, Honourable Justice Thomas & your Honourable Associates

Unfortunately Michelle I am going to have to withdraw my offer from Florida following discovering the backers of Ron De Santis, Koch Brothers who are serial blue collar criminals profiting from destroying the lives of innocents and made their money in Nazi Germany. Plus his threats, and any person anywhere making threats/attacks/violence on the students, children, children you force vaccinated, I find utterly repulsive, especially when he knows the vaccine is a bioweapon following your Surgeon General confirming such a year ago.

The police forces everywhere, the Judiciary, the CRIMINAL (pretend justice) system, the traffickers, the poLIETicians, the Paedos and the UK military make me nauseous to the point I want to projectile vomit in their faces as soon as I see them

I am also going to have to rescind all association to the United States as well as the United Kingdom.

I will however be looking to use funds as previously outlined and to financially support any and all students standing up against Genocide.

I had my heart set on coming to America but now not so much, not seeing how grotesquely ignorant and hateful so many of you are.

Now i'm thinking Africa is where it is at, my social distancing rules are I will not be within 1000 miles of any of you ever again.

As these emails are material evidence that will accompany my N1 file against all enemy combatants for their high treasons and crimes against humanity for the immediate enforcement of official legal commercial liens at commercial court in accord with the law and in accord with Queen Elizabeth's UCC filing attached.

I have attached the Committee 300 Treasury Certificate, proving they extorted money under the direction of the Crown.

I have attached the UCC I have filed against the Committee 300, The UN, The World Bank and all members for these proven crimes against humanity.

The ALLEGED Attorney General has blocked this email and clearly does not care about these crimes, the flagrant and blatant ignoring of serious crimes and criminals is aiding and abetting these serious crimes and criminals, proven, and is a Crime.

Everything I am about to reference is following a video I watched last night of an unhinged Zionist threatening to bankrupt all students protesting with "Lawfare" which I thought was funny as I specifically referenced yesterday that "Lawfare" was their method of terrorising innocents in my email which Jewish Organisations are CC'd in, and again here now. Who will be removed from future emails.

That video can be found here.

The following information, legal maxims, laws, crimes, offences, evidence, will reiterate to Students, who, if they are sued, they will win. Not only will they win but the person who sued them will have to pay them substantially and I ask you to share this far and wide.

It is important to remember that THIS IS NOT ABOUT RELIGION, they are trying desperately to make it about religion USING THE ZIONIST OWNED TRILLION DOLLAR PROPAGANDA MACHINE AND ALL IT'S PAID AGENTS as a distraction technique, but what it is very simply about is the PREMEDITATED MASS MURDER OF INNOCENT CHILDREN.

Which is a crime.

Arthurs Law - Section 125: premeditated child murder

Under 'Arthur's Law', anyone who carries out the murder of child will receive a minimum whole-life sentence.

The UK's previous Prime Minister, Boris Johnson, backed Arthurs Law, and said, *"Anyone who plans, then carries out the murder of a child should never be released from prison. So, we're toughening the law to make whole life orders the starting point for such abhorrent crimes."*

Premeditated Murder

Premeditated murder was originally and historically the predominant form of murder in any first-degree murder statute. A common statutory definition of first-degree premeditated murder is a willful, deliberate, premeditated killing (Mich. Comp. Laws, 2010).

Definition of Willful, Deliberate, and Premeditated

Most jurisdictions define **willful** as a **specific intent to kill, purposely**, or *express malice*. Jurisdictions differ when interpreting **deliberate** and **premeditated**. A minority of jurisdictions equate express malice or purposely with deliberation and premeditation, which means that the prosecution need only prove specific intent to kill for a first-degree premeditated murder conviction (Hawthorne v. State, 2010).

18 U.S. Code § 1111 - Murder

(a) Murder is the unlawful killing of a human being with malice aforethought. Every murder perpetrated by poison, lying in wait, or any other kind of willful, deliberate, malicious, and premeditated killing; or committed in the perpetration of, or attempt to perpetrate, any arson, escape, murder, kidnapping, treason, espionage, sabotage, aggravated sexual abuse or sexual abuse, child abuse, burglary, or robbery; or perpetrated as part of a pattern or practice of assault or torture against a child or children; or perpetrated from a premeditated design unlawfully and maliciously to effect the death of any human being other than him who is killed, is murder in the first degree.

As the students are wise, they are filming absolutely everything as material evidence. As the students are wise, their protests are publicly multi-faith peaceful communities and there is video evidence of them saying their prayers together, Jews, Muslims, Christians and all other denominations any other narrative being portrayed to control the masses is a lie.

So all they are demonstrating with their threats and use of the Police as their private violent mob at our expense, is exactly what we have said for the last 4 years and have 4 years of material evidence of is in fact correct, true and proven beyond any reasonable doubt. Police are publicly bullying and beating up children who are peaceful and committing crimes against them. This level of brutality is not only a crime but also warrants further investigation into each officer because if they will so easily beat up children who are factually correct in their standing as per the material evidence and are acting within the law, with morals, ethics, principles, values, standards, honesty, integrity, valour and Truth this vicious and venomous action against them for simply highlighting crimes as serious as Genocide should be applauded not vilified, what do those officers, engaged in beating up children publicly, get up to behind closed doors with their own families and children?

The children are doing the job the police should have done in 2020 and every day since so its showing them up as complete and utter failures in their jobs to enforce the law which I imagine is triggering to their egos.

GLOBAL FORECLOSURE

<https://archive.org/details/OPPTUCCFILINGS/A01-2000043135-ucctitleandownership>

There are about 70 deposits made by a London BAR prosecutor who was commissioned to investigate a bank merger: Heather Ann Tucci Jarraf. He denounced the corrupt system for high treason, bank fraud and reduction of the only people on earth, The One People. The investigation has converged in the Final Bullet Paradigm Report in which the evidence and the names and surnames of the culprits are collected According to the UCC rules, once the terms for refuting the accusations have expired, the Affidavit becomes law, a final sentence, a firm resolution in the trade. Since no rebuttal has been received, the global foreclosure of the 200 States/Corporations registered in the SEC since 1933 has been triggered. In particular there are 2 Lien: A47-2012114586 Commercial Lien and A48-2012114776 True Lien. All of the global foreclosure has been merged into a trust whose name is ETERNAL ESSENCE, for the benefit of every living man and woman who requests it. is deposited with the Bank for International Settlements in Basel, which is owned by ETERNAL ESSENCE: Rif. UCC Doc #2013031779-2013032026 ETERNAL ESSENCE Debt Release, Rif UCC Doc #2013032035 Since 2012, thousands of alive men and women have been giving notice of global foreclosure and the end of the slave system.

Forcing anyone to contract with and or fund criminals engaged in Terrorism / Genocide / War Crimes / Crimes Against Humanity and any other criminal activity is a CRIME.

As Genocide is Terrorism, and bioweapons are Terrorism and both are War Crimes

Financing terrorism / war crimes is a crime as per:

The Terrorism Act 2000

• **Part 3 of the Terrorism Act 2000 criminalises terrorist financing and makes it an offence to: use, possess, or raise funds for the purposes of terrorism, or enter into arrangements to provide funds or property for that purpose. The Anti-Terrorism Crime and Security Act 2001 allows for the seizure of terrorist cash.**

18 U.S.C. §§ 2339A–C

The United States has many laws specifically designed to criminalize terrorist financing. Under 18 U.S.C. §§ 2339A–C (Titled Providing Material Support To terrorists) and 21 U.S.C. § 960a (Titled Foreign Terrorist Organizations, Terrorist Persons and Groups), it is a crime in the United States to fund any terrorist activity.

All concurrent genocides are proven to be premeditated with material evidence, ongoing, despite being provided with the material evidence and thus both actus reus and mens rea are established for criminal charges and cases to be filed against all named orchestrators, conspirators and criminal corporations for their proceeds of crime.

As everyone is already provided with the documented evidence that proves Palestine's existence right up until the profit making corporation "State of Israel" was incorporated in 1948 and that Palestinians as per census were the 85% majority, the 75 year siege, ethnic cleansing, genocide, war crimes are proven. Hamas is a resistance group that have a right to self defence as per the law of war. The reason for the war is over the oil under Gaza which they are prepared to mercilessly slaughter innocents to get.

They are intentionally starving innocent children, they are intentionally killing tens of thousands of innocent children, women and men for all the world to see.

They are exposed by themselves, their own irrational, illogical, ignorant hatred and their own actions and lies, they are threatened, they are publicly acting like unhinged serial killers.

Hamas has agreed to the mediated ceasefire which Israel is ignoring and continuing to kill innocents regardless.

Students, Here's how you deal with BS threats like this from Blackmailed Autobots, Agents Smiths and potential "employers" of the Matrix

"Ermmmm thank you ever so much for your threats, they are clearly indicative of the type of individual you are, the type of spirit you are, your true malicious intentions, the type of business you are, the ethos you have, upon reflection of weighing up all available facts and material evidence. I've come to the rational and factual conclusion I wouldn't want to work for any of your organisations as a debt slave, under your dominion and control, to be forced to participate in such activities, in that you are provably discriminatory, unethical, immoral, have no standards, values, principles, you commit Frauds, deceptions, spread lies That lead to the destruction of lives and are provably engaged in a conspiracy to commit and cover up crime and or profit from crimes against innocents. These are toxic and catastrophic behaviours that I simply want no part of nor be associated to. So what I'm going to do is think ahead, is to focus 100% of my time, my energy, my talent, my skills on starting something for myself, that aligns to my beliefs and my principles, become an entrepreneur. Thank you again for exposing your true nature to me. It is noted and will never be forgotten."

You do not have to work for them, you do not have to buy from them, you do not have to follow the orders or finance criminals as it is a crime, you have protected rights and beliefs in law, you have freedom of religion and conscience and their attack of you continues to publicly demonstrate their hate, their true intentions, their malicious and venomous soul.

Stay Honourable and Respectful in all your endeavours and you will not fail.

Pax Vobiscum

You have more than likely had some experience with the Police or at least seen their behaviour on social media.

Police, ARE NOT, our friends.

Police, DO NOT, work for us despite what we are taught to believe.

Police, ARE COMPLICIT, in crimes, the covering up of crimes, aiding and abetting crimes, knowingly and unknowingly.

Police, HAVE BEEN TAUGHT, lies, these lies, thinking they are doing the "right thing" is what has lead them to be participants in crimes as well as blindly following orders without questioning a single thing and they spread those lies believing they are truth.

This is pretty standard, eg. If my partner (could be anyone you trust) lies to me, I believe those lies, because I am under the impression that he loves me, has my best interests at heart and would not lie to me, I will share the lies he has told me to my circle as Truth. We are brought up to believe without question, adults, especially adults in positions of Trust / Authority.

How do I know this?

I have yet to tell you part 2 of my story which will come, it's long. First let me cover this.

My Ex is a very violent, dangerous convicted criminal of Jamaican Descent. His family moved to the UK in Windrush. His mother is one of 9. He is her only son, the rest have 3/4/5+ children. Each of those children have 3/4/5/6+ children. On this side of the family my Ex is one of 52. His father's side is bigger. A lot of them are criminals and have long criminal records, convictions and prison sentences for a wide range of serious organised crime. My Ex started a drug racket at school in the Wimbledon area of London at 15 with the assistance of elder criminals in his family. Wimbledon is a rich area, this area has a lot of rich white families, being the drug dealer, being violent, being from an enormous network of the same, he became the fixer for rich white entitled children, the kind who go to private schools and top universities, the ones who are almost predetermined to turn into our current leadership whether in Secret Societies, CEO's of private business or Leaders of Politics/Nations, he moved in those echelons of society and this is how he met the daughter of Lord Walker. He sold that echelon of society drugs and in return for favours, favours from the network of that echelon of society which would include strings they can pull within their Network, the entire system, to cover either himself or his associates, he would "sort

out" / "Fix" any issues they had with people they did not like, this would include violence. He is classified as a MAPPA following committing GBH against his ex before me, who his network intimidated out of the country so she did not testify against him, he got 2 years of what should have been 7-9 year sentence and of that he served 9 months, when released he was only on tag for a matter of couple of months if that, MAPPA is a status which stays with you for life, means you are the most dangerous, most violent and engage in sexual violence. It means you cannot go to certain countries. It means that should any allegation be made against you, you are or should be, by law, remanded to prison immediately as you are already classified a danger to the public. Their network spans the length and breadth of the UK, if you include all associates, foot soldiers, fixers and the like there's easily well over a 1000. I went to a funeral once and there was thousands of people there. The crimes they have commit, as per their own records include Murder, Rape, Sexual Assault, Drug Trafficking, Sex Trafficking, Conspiracy, Fraud, GBH etc

Prior to meeting my Ex I thought I knew it all, I thought I was big and clever when in reality I was stupid, ignorant and naive. I was a people pleaser, I wanted everyone to like me, it was this about myself that ultimately lead to my own destruction.

I tell you my story as a cautionary tale, as I would not want what has happened to me, what they have done to me and my family, to happen to anyone else anywhere ever.

So, I met my Ex before this one at Uni, I was with him for 10 years, 5 years longer than we should have stayed together, however we bought a house in Basingstoke, and we had a son.

As I told you in part one, I came from a wealthy family, my father was a freemason, he was due to be the Grand Master of the Grand Old Lodge in London, the Oldest Lodge in the World. The freemasons turned on him, for what reason, i do not know. It lead to his downfall, he had to spend his fortune defending himself in what we call "Lawfare" where they weaponise the system against you to destroy you as Freemasons are also found spread withing the system like a conflicts of interest, pull whatever strings, get whatever they want, virus. They fcked around with his cases, they kept changing judges, they ignored his evidence, they fabricated evidence, the cases were brought based on lies and this is, as you will learn, the standard practice of what we call the Criminal Justice System today, that we can prove beyond any reasonable doubt with material evidence.

In that it's existence is not to enforce the rule of law, but to commit crimes against you and to cover up the crimes being commit against you for money. In that it is used as a weapon by those who own it by position and those with money to penalise any who expose them and protect all the worst criminals committing all the worst crimes. People with money can and do pull every string in their network, and the associates of their network in return for money or favours, quid pro quo.

Shortly after having my son, my ex left me for a stripper he met at a stag do. Don't feel sorry for me, I had cheated on him previously so this was my Karma, because what goes around comes around and it is only when you experience cheating from both perspectives does your comprehension of it change. What upset me was not that he cheated, it was the manner in which he did it and how he left. After the stag do, he was always working late, working weekends etc. So here I am, with a newborn. I was working in London at this time, as I explained to you in Part 1. My son was at nursery. I was at an IT event at Excel in London and due to collect my son and go and stay at a friends house. I got a text saying "check your emails" so I checked my emails and

he had emailed me to inform me, he didn't love me anymore, he was moving out and he would not be at home when I got back.

Now as I explained to you, I was around drugs and people who did drugs since I was 13. Everyone was doing it, no exception, the children, their parents, the entire social groups. People still have this misconception that drugs are only a problem for certain sections of society, generally associated to poorer people. This is a total lie, its a top down problem. The next lie is that people separate how they view drugs so they put a negative association to street drugs and on their high horse look down on people who do them without understanding the trauma, troubles, battles or circumstances that individual may have experienced to lead them to take drugs because no one wakes up and goes "Oh please, I want to be a drug addict" and they also put no negative association to prescription drugs or people addicted to them or the side effects they have. In fact we actively encouraged to take them, Alcohol is, by its side effects, one of the most destructive drugs there is but we have no issue In using it. In todays society, the % of people on any kind of drugs is at an all time high and it's usually a cocktail of drugs and addicts, refuse to look at themselves as addicts.

So now we must look at the facts of drugs in general. A drug is a drug is a drug is a drug. If you look at the list of the most dangerous drugs of all time by numbers of victims and side effects including death, the top 15 are pharmaceutical drugs and their damage is more than all street drugs combined.

Again, we are brought up to Trust Doctors, Nurses, Health professionals without question. We assume, assumption being the mother of all fck ups, that they know best and that their piece of paper confirming their qualification means they can tell us about ourselves. But let's be real, when you go to the GP, what do they do? You go in you say I'm depressed, I'm anxious, I'm stressed, they don't bother to find the root cause, they flip through their bible of drugs, find the "depression" section and prescribe you the drug the drug bible tells them to prescribe. That is it, in and out, that's how it works in the UK. The appointment slots are 5 minutes, they are on a tight schedule and they are paid per appointment, per prescription. So they are just glorified drug dealers with a licence. There is absolutely no difference between them and street dealers. None. They are pumping us full of drugs from the second we are born, do you think it is for your benefit? I am going to prove to you it 100% is not.

Do you ever look at the list of side effects associated to the drugs you have been prescribed? I never used to.

It was only when I decided to take myself off an anti depressant "Sertraline" because it made me feel like dog sh*t, like a dead woman walking, I was utterly horrified at the long list of side effects, and a lot of them I had experienced but when you'd previously gone back to the Dr, the Dr who prescribed you the drug and you list the effects you were experiencing they would not make the association the drug they had prescribed but say it is something else to prescribe another drug. Sertraline was making me depressed, it made everything 10x worse, it had no benefits whatsoever other than to numb you. I'd even told my Dr about my ex and his abuse, her response was to increase the dosage. So drug me up more to silence me to continue to be abused? That is "Care"? That is "Health"? That is "Mental Health"?

When you look at the list of side effects of that new drug, they too are long and outrageous, often saying this one should not be taken with the previous one they have subscribed so now you left

questioning what GP's know at all, are they just there to sell drugs regardless of the consequences to your health and mental health. Is the money all they care about? Do they even care about their patients at all or is it just a 9-5 like everyone else and they are just counting down the seconds till home time and what they do in between is on autopilot just to pay the bills?

All of these things we experience, 9 times out of 10 can be fixed by a change of diet, a change in exercise, a change in the people we surround ourselves with that are hell bent on making our lives hell, a change in the things we consume intellectually, a change in our mindset, just a change. Replacing toxic people, places and things with healthy / natural ones. I was young once, it's not to say don't drink or don't party, it's part of your journey and I am a Raver till I die, just a soberer one. It's just an awareness of the human condition.

I know people who have been on a long list, a cocktail, of highly addictive, prescription drugs for a condition they have, it has destroyed them. Firstly they should only be prescribed certain drugs for 3 months and they are 10 years down the line, they shouldn't be prescribed together, they haven't had prescription reviews, the side effects all make each thing worse and why? Because they are just using them as a cash cow for their profit making business and she's an addict so she is happy they are refilling her prescriptions, it's rotted her teeth, she's gained 100lb, she's either in pain or off her face, they've made her constipated to point she can't move, she might not make it to her daughters 18th birthday. Are they Doctors? Are they drug dealers? Are They Psychopaths?

In "The Ark Project - War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence, Break the Chains) I have shared many of these real experiences, real testimonies from real people.

All have been distressing and shocking because once you understand what they really do to people, you see them, you see them as they actually are and not the mask of lies, or costumes that they wear, or scripts that they read, or titles they have, or the balance of their accounts. It is heart breaking honestly. One such example is a Serving Major in the army that I met.

He was a Major of Parachute regiment, the Elite in Military terms. He had served his country for 28 years at the time I met him, he had served his country in multiple wars, wars based on lies, just like now. He had been awarded one of 23 medals for Bravery since WWII. He had been forced under threat of court martial to take the "vaccine" along with 300 other Elites. I met him at court as he was a friend of another man I was working with who was being attacked using Lawfare by the state for exposing state sponsored child trafficking in Middlesbrough/Nationwide and you can find him at <https://lcs.news>. They take 3000 children a day via a conspiracy of lies, fabricated evidence, fraud, no orders and funnel them through courts where they all financially gain, into the private hands of their associates where they financially gain again making ridiculous amounts of money, at the tax payers expense some care homes, care homes owned charge between £5K to £20K a WEEK. They get abused in these environments by these same people and they cover it up. They get inter-agencies fees to the tune of 10's if not 100,000's of thousands for taking children, they view as their commodities. They provably take children from loving homes and place them with abusers either the parent that's the abuser/paedophile or into a home where there are abusers/paedophiles. As I said, we can prove this with material evidence.

The Major, firstly had his 3 children taken by the state for "PTSD" "Future emotional harm", like minority report, imaginary crimes you have not would not commit but they have given themselves the power and authority to say they can label you with whatever they want to do whatever they

want to you, they can and will use everything against you to achieve their financial goals at your expense. They made £100,000+ from stealing his children.

Mi5 raided his house at gun point for bringing victim parents of state sponsored child trafficking together. You can find that on LCS News, "Blood Money" podcast.

He wasn't feeling well, he went to the doctor. The doctor took his blood pressure, it was highest they'd ever seen. They prescribed him drugs, he thought, to lower it. They had misprescribed him drugs for low pressure which would increase it. He hadn't checked, he took the drugs and started having a heart attack. He complained about the Doctor and the Doctor's Ego was hurt so he then threatened him with a stay in a "Special Hospital" (psyche ward) for simply making a valid complaint about the misprescription of drugs that could have killed him, a mistake that would have killed the average man. He had blood tests and was sent for a brain scan due to his relentless headaches. The Dr doing the scan, went and got a 2nd Dr, then they went and got a 3rd. He asked what was going on and their response was "You have to wait until your consultants appointment" which was weeks way.

The next day, the military having direct access to his records emailed him his brain scan and blood test results, which I have, which I shared on the War Diaries to all those people you can see cc'd in on the emails I sent you and thousands more. The blood tests came back as toxic with heavy metals and his scan showed a brain tumour and a message saying "Why the fck aren't you in hospital"

He contacted his private medical and was rushed into hospital to have detox treatments as they could not treat his tumour until his blood was clear.

Since then, early 2023, he has gone through invasive treatments.

The private doctor of the private hospital informed him this was a vaccine side effect, he had seen many with the same and that his staff knew it was lethal and had advised all their staff not to take it and prescribed them Ivermectin instead.

The Major is a man of great honour, he was in peak physical fitness his entire life due to his job, he did not drink or smoke or party, he served his country quite literally to the point of Death on many occasions.

This is how they treated him, the best of the best, whilst working for the State. Which is, by all material evidence, nothing more than a Serious Organised Criminal Network and Paedophile ring engaged in heinous and insidious Crimes Against Humanity.

The Rule of Law states that no one is above the law, all are equal under the law and there are no special privileges however it is a proven fact that this is not the case, proven time and time and time and time again by case law and testimony since it's inception and this is what many of you are witnessing and experiencing now.

Therefore, whilst we may be shown on TV Justice being done, in actuality top down there is no material evidence that the rule of law exists because criminals, outlaws are enforcing laws on others that they themselves do not follow.

So, after the email from my Ex, I finished my day, went to collect my son and went home first to collect our bags to stay at my friends. Sure enough he had left, packed a hold all and gone. Been together 10 years and he immediately that day changes his facebook status from in a relationship with me, to in a relationship with her, in front of all our friends before i'd even had chance to tell anyone.

Part 3 of my story is for another day.

Over the years, just like this one, I have set up email groups and emailed them all evidence:

All Councils
All NHS Trusts
All Police
All Barristers Chambers
Top 400 Law Firms
All Courts
All Funeral Homes / Crematoriums
All Chambers of Commerce / Institutes of Directors
All Schools
All Universities UK
All Prisons UK & US
Private Investigators
All parents / children / family associated groups
All Freemasons
And so many others it is actually ridiculous.

Not a single one of them has helped, not a single one of them has acted or read the evidence, not a single one of them has stopped committing the crimes proven with evidence with the laws they have broken.

They have continued, like mindless ignorant controlled autobots without the capability of reflection or accountability and still now to this day.

I went to Catterick, the main Military base, and other bases, to report these crimes to the Military Police at the start of 2023 and again this year. Those videos can be found on my social media.

THEY DO NOT CARE, THEY DO NOT CARE ABOUT YOU, THEY DO NOT CARE ABOUT THEIR OWN. THEY DO NOT CARE ABOUT GENOCIDE. THEY DO NOT CARE ABOUT TRAFFICKING / RAPE / MURDER OF CHIDLREN. THEY DO NOT CARE ABOUT CRIMES AGAINST HUMANITY.

Why?

Because they planned it and they are all complicit.

I'm so very sorry for what they have done to you.

Attached is a Notice sent to all Police October 2020.

They started this, we must be the ones to finish it.

In my cases they started it and not a single one of these corrupt cowards can face me or what they have done.

If they had returned all my lawful property to me as per the law, as per my documents, as per the evidence, we would not be here. Until they do, until they enforce the law, I am committed to you to expose and destroy every single one of them. They have no right whatsoever to do any of this to any of us.

The woman who won one of the biggest whistle-blower cases against the NHS in court for their crimes and gross negligence, they did the exact same thing to her. They kidnapped her children without documents after she reported their crimes, they were put in care where they were abused, they destroyed her career, her life, she had a mental breakdown as a result of what they did to her which they then used against her, they drained her finances being sent round and round and round the courts for years so they could make as much money off her misery and their crimes as possible until she won, they returned her children afterwards, traumatised, fcked up with no apology.

Post Office knowingly falsely accused 9000 innocent people of crimes that they did not commit, that were the fault of a third party software, software they still use, charged, arrested, trafficked through courts, thrown in prison and they all made MILLIONS and MILLIONS off them, 23 years later, the still await Justice.

There are innocent people rotting in prisons for crimes they have not commit, that they were scapegoated for, that they were accused of to silence them to destroy their lives to cover the asses of rich criminals, of people in positions of power and / or to have a steady stream of customers for their prisons for profit service that you pay for with your taxes.

I know thousands of people who have been trying to report or expose these and many other crimes in the last 4 years and every single one of them has been silenced, censored, attacked, threatened, brutalised, bullied, discriminated against by the state using Lawfare and by other people for standing up for humanity.

This is who they are.

I come to you with urgent news / information / material / demonstrable / foundation / witness evidence that pertains not only to Israel v Palestine but many other crimes occurring in our Nation and every Nation.

I come to you because I have zero faith in our leadership, because we can prove they have lied and liars are not trustworthy but furthermore those lies have and are endangering the lives, liberties and futures of not only you but all children. I will be able to prove to you that our nations, their leadership, their institutions and alleged public servants are engaged in the mass state sponsored/RICO/SOC trafficking of children for commercial exploitation and abuse. I will be able to prove to you beyond any reasonable doubt there are paedophiles in every organ of state top down, Royals, Judiciary, MPs, Lords, Councillors, Social Workers, Police, Barristers, Lawyers, Care Homes, Media etc and they pass children between themselves classified as commodities, with a value on your heads, to intentionally abuse for profit and pleasure.

I come to you because you have been reliably and intentionally misinformed.

At such a critical time in history, it is critical to think critically about all things.

I cannot stand lies and liars, they destroy people's lives. The Devil is a Liar.

Lies distort your perception of reality, manipulates your mind, emotions, behaviours and psyche. Overtime, because of their lies, you become changed, just a shell, blindly following someone else's nonsense which they have told you solely to use, abuse you in some way, shape or form, or intentionally and maliciously hide things from you for their own gain, like in a narcissistic/abusive/cheating relationship.

They have kept secrets for thousands of years and lied to us about EVERYTHING.

For the last 4 years I have been reporting on, collecting, reviewing 40,000 hours worth of evidence of so many heinous and insidious crimes occurring in our Nation and around the world.

"The Ark Project - War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence, break the chains) a daily diary of emails / social media posts of material evidence is available for you to review along with all associated evidence, I did this to document every crime against the people as it occurred following my sons being kidnapped by criminals connected to Lord Walker, House of Lords in 2020 for exposing their crimes against me, against my family and against the people, including you and your families. I have not seen them since for exposing these criminals.

You need to know how serious the situation actually is and I believe you are now in a position to best understand this.

You need to know the level of the crimes, the number of the crimes, the number of victims, the length of time the crimes have been occurring.

You need to be able to put offence and any differences aside and review the evidence objectively from a place of neutrality.

You need to be able to look at the bigger picture, because like a puzzle, you require every piece to be able to see the full picture.

You need to be able to understand how everything actually works and how everything is connected.

You need to understand who the criminals are and what their true intentions (mens rea) actually are.

You need to understand all this to be able to prepare and protect yourself from the madness that is happening and has always been happening.

I have put in a N1 claim and legal commercial liens at the Admiralty/Commercial Court for High Treasons and Crimes Against Humanity on behalf of We The People as Power of Attorney In Fact to act on everyone's behalf against the criminals/enemy combatants engaged in these crimes for the immediate foreclosure and transferral of all proceeds of crime in their names / corporations.

Please firstly urgently read the attached email trails, see who is cc'd on those emails.

Please share amongst you sphere of influence online and in person.

We must be brave, we must stand united.

I want you to know, I and millions of others have fought for you all for 4 years all day everyday and will never stop fighting to get justice for these crimes.

I will warn you the content is distressing, I will warn you my spelling is atrocious and I take no offence to anything / jokes etc and I recommend you become the same for your own sanity, I will warn you I have a potty mouth because the heinous and insidious crimes occurring against so many are utterly disgusting to my soul.

I do not associate or identify with any label / ideology created by the leadership in charge and I am going to be able to explain / evidence why.

I believe all labels are intentionally divisive at best.

I do not fit into a Religion, I do however believe in the power of the Holy spirit / God and The Universe because it is a miracle that not only am I alive still to share this with you but that You are and I am going to be able to prove this to you also.

I see things as follows, the largest part of us is spirit having a human experience in a divine biological masterpiece that provably has the capability to heal itself.

Our highest selves is God Consciousness and our Ego is The Devil.

Therefore, as spirit in a meat suit, it is the character of the spirit that is important and not all labels (race/religion/sex/sexuality etc) given to the vessel to distract and divide us from our Chamber of Reflection at our core.

V.I.T.R.I.O.L is an alchemical acronym for “**Visita Interiora Terrae Rectificando Invenies Occultum Lapidem.**” Roughly translated meaning “Visit the interior of the earth and rectifying, or purifying, you will find the hidden stone.”

It is in self reflection and observation of the human condition we discover the philosophers stone and the keys to eternal life and immortality.

It is often hard to accept oneself as incorrect or wrong on subjects and issues because what that may mean for ourselves, but that is very selfish and egoic response.

Much like how Britain must face the facts on it's long history of Provable Slavery, Tyranny, Colonisation, Occupation, Barbarism, Genocides, Torture, Rape, Theft and other Crimes Against Humanity it has continued to deny and sweep under the carpet despite the evidence proving the facts, it is time for you to do the same.

Zionism and Judaism are categorically not the same thing, Zionism is a rebellion against God as confirmed by Rabbi's around the world, furthermore you get Zionist Christians.

The Zionist Satanic Incestuous Paedophile family Rothschilds who own everything, were tasked by the UK Government to CREATE and incorporate the profit making "State of Israel" from the land known until that point as Palestine as per the Balfour Declaration this is A FACT. Zionists Stole the land of Palestine and colonised / occupied / terrorised and commit genocide/ ethnic cleansing there for 75 years.

The demographic study – based on analysis of more than 2,500 censuses, surveys and population registers – finds 2.2 billion Christians (32% of the world's population), 1.6 billion Muslims (23%), 1 billion Hindus (15%), nearly 500 million Buddhists (7%) and 14 million Jews (0.2%) around the world.

The Zionist Movement has long called Palestine “A land without a people, for a people without a land,” an outright lie and slogan that galvanised Jews to move to Palestine and eventually led to the large-scale displacement of indigenous Palestinians.

The Ottoman census of 1878 indicated the following demographics for the Jerusalem, Nablus, and Acre districts:

<u>Census Group</u>	<u>Population</u>	<u>Percentage</u>
Muslim	403,795	85.5
Christian	43,659	9.2
Jewish	15,001	3.2

The CIA archives hold millions of documents, I have taken the time to peruse these. There are newspaper articles, memos, reports that prove all conspiracies and conspirators including documents I have downloaded which prove the mass slaughter of innocent Palestinians across this period of time. It further proves that Israel has killed allies, killed US soldiers, US Ships, destroyed anyone or anything who tries to come to their aid or expose their crimes.

I find it ridiculous that Zionists (Not Judaism Jews) are so vehemently ok with being Anti Muslim and promoting Anti-Muslim Rhetoric whilst forcing censorship on anyone who dare speak the Truth as "Anti-Semetic" So one rule for you and a different rule for everyone else?

95% of Israeli's are protesting against the Zionist Israeli Government and these protests can be found online.

The Zionist Israeli Government is currently attacking mercilessly and without cause Innocent Jews, Innocent Christians, Innocent Muslims, Innocent Children and actually always has. This would make them the terrorists with genocidal ambitions for financial gain and pleasure.

This war is said to actually really be over the oil that is in Gaza, that they want and they are prepared to live stream killing and starving everyone to get it.

The next thing you need to understand is that Genocidal Zionism / Nazism / Satanism / Paedophilia Tyrannical Terrorist Cult are a top down problem that permeates everything.

The leadership of Blackrock are Zionists, The leadership of Banks are zionists, the leadership of Media/Social Media are zionists, the leadership of big pharma are zionists, the leadership of Entertainment/Music are zionists, the leadership/Gov of different countries are zionists, the leadership of Military Contractors and Manufacturers are Zionists they do not hide this, they are openly and proudly Zionist and this information is widely available to all to search and find confirmation of FACT.

Which brings us to the court proven gene editing bioweapon as per testimony under oath, as per all material evidence of side effects/deaths to the tune of tens of millions and billions seriously injured, as per High Court decisions and verdicts easily found online to read, as per the insurance

industries reports on the inexplicable and gargantuan rise in claims and pay outs for death and severe injury since the roll out, as per Pfizer admitting they lied, as per Astrazeneca confirming blood clots which lead to strokes, heart attacks, death "suddenly and unexpectedly", as per the reports of turbo cancers around the world including never before seen in history in children, as per the excess death reports in every country since roll out, as per the reports of millions of victims, funeral homes, funeral directors, doctors, nurses, politicians, experts.

All hidden from you by who? Zionist owned propaganda and brainwashing machine known as Mainstream Mockingbird Media

MOSSAD Motto "By Deception thou shalt wage war" are proven to cover up and be engaged in the trafficking of children for Elite paedophiles to torture, rape and sacrifice, the silencing of any who come forward to report these crimes by any and all tools at their disposal including weaponising the law against victims or simply killing them, the entrapment and blackmail of paedophiles in positions of power and influence around the world to do their bidding for their own gain as mouth pieces to push their agendas and lies on the mind controlled masses who would quite literally agree to kill themselves if they said so, proven.

Let us take Tommy Robinson for an example, minimal research into this man clearly shows that he has backing from 1. Tories (There are proven paedophiles within houses of parliament, Lords, Royals, Judiciary etc that they protect and have always protected) 2. He is backed by a global network of openly Zionist Elites who are vehemently antimuslim and think that's ok but no one can be antizionist, to such an extent they want to make it a crime, to tell the truth 3. A study of statistics on paedophiles concludes that 86% of paedophiles are white, we have an epidemic of paedophilia in the UK and crimes against children, therefore if he was truly concerned in the best interests of the rape victims, of children, and exposing paedophilia was his main concern he would be exposing his own white race and exposing all paedos, including in power, the majority, however his paedo puppet masters direct him to only expose Pakistani Rape Gangs and ignore the majority of victims as well as incite muslim hate across the nation as a distraction from the real problem.

They are committing genocide, trafficking and war crimes in this country against innocents we just have less bombs.

Genocidal narcissistic psychopaths masquerading as your our own kind lied to you, the ultimate spiritual betrayal.

Please understand I mean you no harm or distress, the situation is urgent and in War it is absolutely critical that all allies are fully briefed on the details of the many concurrent situations at hand so as best to plan.

I would also recommend watching all videos of US Marine - Kevin O'Keefe

No weapon formed against us will prosper.

There should be NO discord between Jews, Christians, Muslims or any other faith or denomination for we are all children of God, we are all creators, we all have the power to heal, for if there is, that is the spirit of the devil and his demons, the antithesis of God and what faith is about.

Judgement is being called upon all conspirators who knowingly, intentionally and maliciously commit these crimes, lied to humanity, to traumatise, to harm, to kill innocents.

Anyone anywhere whose preoccupation is saving their own ego, their own pride, their own back pocket over the lives of innocents is a blackmailed agent of the Satanic matrix and a Disciple of the Devil.

I will bid you good day warriors.

Know you are loved, you are cherished and you are protected.

Until next time.

My name is Hope Faith Love, I am a Reverend of the Universal Life Church, I am a Plenipotentiary Judge, President and hold all Powers of Attorney in Fact for House of Love Law Enforcement Agency, Justice and Judicial Services for We The People Worldwide and have the legal documents to prove this and I will share those with you.

I am of royal lineage, I can and will prove this to you with copies of my scrolls. I am the descendant of Kings, Queens, Lords, Ladies, Sir's including but not limited to William The Conqueror, Sir Alexander Seton, John of Gaunt and have a DNA test, that proves my lineage via mitochondrial eve to 1 of 5 original women on earth who all came out of Africa.

I identify, and have un rebutted legal documents which are fact and judgement in law and commerce in accord with the rules of law as of 27.07.23, as a Non Resident Alien, A Sovereign Galactic Diplomat, A Citizen of all Countries and inhabitant of all realms.

I come to you with urgent news / information / material / demonstrable / foundation / witness evidence that pertains not only to Israel v Palestine but many other crimes occurring in our Nation and every Nation.

I come to you because I have zero faith in our leadership, because we can prove they have lied and liars are not trustworthy but furthermore those lies have and are endangering the lives, liberties and futures of not only you but all children.

I come to you because I trust you implicitly to do the right thing because you have and continue to demonstrate empathy for humanity something that our leadership is utterly devoid of.

At such a critical time in history, it is critical to think critically about all things.

I cannot stand lies and liars, they destroy people's lives.

Lies distort your perception of reality, manipulates your mind, emotions, behaviours and psyche. Overtime, because of their lies, you become changed, just a shell, blindly following someone else's nonsense which they have told you solely to use, abuse you in some way, shape or form, or intentionally and maliciously hide things from you for their own gain, like in a narcissistic/abusive/cheating relationship.

For the last 4 years I have been reporting on, collecting, reviewing 40,000 hours worth of evidence of so many heinous and insidious crimes occurring in our Nation and around the world. "The Ark Project - War Diaries 2020-2024-Emails from Hell to Heaven" (Break the silence, break the chains) a daily diary of emails / social media posts of material evidence is available for you to review along with all associated evidence, I did this to document every crime against the people as it occurred following my sons being kidnapped by criminals connected to Lord Walker, House of Lords in 2020 for exposing their crimes against me, against my family and against the people, including you and your families. I have not seen them since for exposing these criminals.

You need to know how serious the situation actually is and I believe you are now in a position to best understand this.

You need to know the level of the crimes, the number of the crimes, the number of victims, the length of time the crimes have been occurring.

You need to be able to put offence and any differences aside and review the evidence objectively from a place of neutrality.

You need to be able to look at the bigger picture, because like a puzzle, you require every piece to be able to see the full picture.

You need to be able to understand how everything actually works and how everything is connected.

You need to understand who the criminals are and what their true intentions (mens rea) actually is.

You need to understand all this to be able to prepare and protect yourself from the madness that is happening and has always been happening.

I have put in a N1 claim at the Admiralty/Commercial Court for High Treasons and Crimes Against Humanity on behalf of We The People as Power of Attorney In Fact to act on everyone's behalf against the criminals engaged in these crimes.

Please firstly urgently read the attached email trails, see who is cc'd on those emails.

Over the course of the next 30 days I will be emailing you all evidence.

Please share amongst you sphere of influence online and in person.

We must be brave, we must stand united.

I want you to know, I have fought for you all for 4 years all day everyday and will never stop fighting to get justice for these crimes.

I will warn you the content is distressing, I will warn you my spelling is atrocious and I take no offence to anything / jokes etc and I recommend you become the same for your own sanity, I will warn you I have a potty mouth because the heinous and insidious crimes occurring against so many are utterly disgusting to my soul.

I do not associate or identify with any label / ideology created by the leadership in charge and I am going to be able to explain / evidence why.

I believe all labels are intentionally divisive at best.

I do not fit into a Religion, I do however believe in the power of the Holy spirit / God and The Universe because it is a miracle that not only am I alive still to share this with you but that You are and I am going to be able to prove this to you also.

I see things as follows, the largest part of us is spirit having a human experience in a divine biological masterpiece that provably has the capability to heal itself.

Our highest selves is God Conciousness and our Ego is The Devil.

Please understand I mean you no harm or distress, the situation is urgent and in War it is absolutely critical that all allies are fully briefed on the details of the many concurrent situations at hand so as best to plan.

In addition to the material evidence I will be sending you, I will also provide whiteboards / mind maps / notes and ideas.

Included in the email's attached is some imperative facts on Israel v Palestine.

I would also recommend watching all videos of US Marine - Kevin O'Keefe

I will bid you good day warriors.

Know you are loved, you are cherished and you are protected.

I am emailing all universities in all countries.

Until next time.

Dear Students

I'm creating yet another separate email for just students/universities.

I emailed all UK Universities before years ago. I'm collating the lists of emails and as you can imagine, there's a lot of Countries and a lot of universities but the time is now, as they say.

I'm doing this because they are trying to throw me in prison for contempt for exposing their crimes to destroy my life even more than they have already. This will come in part 2 of my story.

If you have seen what's happening with Boeing, they have had 2 whistle-blowers of their intentional and nefarious safety practices die "suddenly and unexpectedly" after coming forward and testifying against them.

Well, the pure evil crimes and pure evil criminals I'm exposing are way way way worse.

You are doing such an amazing job of spreading awareness and protecting innocent children and people in Palestine, I feel you are the only ones who can be trusted with the evidence I am going to give you.

I no longer have any faith and zero respect for any of these people who work in the "system" whatsoever with the exception of a handful I am aware of in the UK and I pinky promise I can prove to you beyond any reasonable doubt why this is a statement of fact.

I can prove it with material evidence, the very serious crimes and criminals I have reported with material evidence, to whom, when, how many times. Thousands of times to thousands and thousands of people and have been met with nothing but a strange mix of a deathly corrupt silence on one hand and 24/7/365 relentless attacks on the other.

I have been doing this so long, all day every day for many years and I'm exhausted but I carried on not only for my children but for you, for all children, because what is happening here is happening where you are and always has.

See me, I cannot stand lies and liars.

It distorts your perception of reality, manipulates your mind, emotions, behaviours and psyche. Overtime, because of their lies, you become changed, just a shell, blindly following someone else's nonsense which they have told you solely to use, abuse you in some way, shape or form, or intentionally and maliciously hide things from you for their own gain, like in a narcissistic/abusive/cheating relationship.

Once you see through all the lies, the levels, the length of time, the number of crimes, there's no going back.

This is what's happened to me after reviewing 40,000 hours worth of evidence on all issues.

So, just in case, I wish to pass this knowledge on to you, pass the baton, in the hope that should they continue their current course of action despite my Cases against them for their crimes against me, my children, my mum and everyone everywhere, I will rest easy knowing it is in the best possible hands.

Dearest Students

Often we learn things too late in our lives that have been intentionally hidden or not taught for nefarious reasons and a large proportion of people don't learn at all, don't want to.

I don't want this for any of you. I know you aren't stupid. Your actions clearly indicate you are most definitely not stupid.

I don't want to teach you to suck eggs or patronise you in anyway, i'm just sharing some thoughts in the hope it may help you.

I will share a brief synopsis of my life so you can understand where I am coming from.

I was born into a wealthy family, a "narcissistic family cult". They were never really there, I was always the odd one, being the youngest. My "alleged" blood brothers are 10 and 12 years older than me, they were at boarding school and then straight to university. I rarely saw them. My parents were rich and always out. We have a driver, a cleaner, a pool man, a garden and I had a nanny. "Oh you had it all" they say, well no not really. At 9 I met paedophile. At 9 my mother, having returned from one of their many holidays they went on and left me at home, woke up and couldn't get off the loo. She was paralysed from the waist down, just like that. They said it was an "unknown virus" she caught on holiday. I had always been allowed to eat whatever I want, to shut me up more than anything else. I was fat. At 13, my brothers were at university and they had a pool party at our house, one of their friends stood next to me and laughed that my thigh was the same as his. My friend, at the time, and I decided that we would become bulimic at the same time. This combined with exercising daily meant I lost weight very very quickly to the point teachers would pull me aside and ask if I was ok. "Yes" i'd say. A battle with food I continued to have until my late 30's, still have just not sick anymore. I had body dysmorphia, i'd look at myself and no matter how thin I got, I'd still see the fat me staring back at me. I started smoking at 13. I was always into swimming because we had a pool, I convinced myself I was a mermaid at one point because I could sit on the bottom of the deep end for what felt like forever at the time but in all reality was probably a minute, also singing, dancing, acting. I started cutting my arms, a physical expression of the pain of my inner turmoil that no one cared about, those scars are still there. I was put forward for external theatre groups with much older people and got lead roles. I started doing drugs at this time also as I was hanging out with older people. Started as pills but progressed to other things. At 17 I asked my Dad if I could use the money my God Father left me to buy a car, he gave me the account details stupidly and rather than be wise and invest that money to secure my future, I proceeded to blow the lot, it was a lot of money, on taking people

who really weren't friends but were users on holiday, buying them gifts, taking everyone on meals and nights out, buying everyone drugs. When all my peers were going straight to University from school, I decided I wanted to do a gap year of voluntary work with a charity. I went with Project Trust first to teach biology in an agricultural school in the bush near Kanye, Botswana and then to look after children in an orphanage in the Red light district, Rosetenville, South Africa. I was there for over a year, spent 6 months in each place and had months travelling all over Southern Africa. It was an experience that fundamentally changed me. They made me feel so at home, so welcome, like a long lost family member. I felt more at home there than I ever did at my own home, with my own family. They were all so happy. They didn't have much in the eyes of the west but somehow they actually had a lot more. I returned home and went to University to study Law. I was the worst possible kind of student and took my University years as a party, and did so many stupid things thinking I was big and clever. After this life goes on as it does for all of us, you join the rat race and hamster wheel of life, a slave to someone else's dream, a cog in someone else's wheel, making other people lots of money. First I was a recruitment consultant, a very successful one. However as a traumatised soul never having healed from any issues and masking them with drugs and alcohol to escape them rather than deal with them, money just brought more alcohol and drugs and with it stupidity. I was head hunted to work for one of my clients that I was recruiting for, a Mergers and Acquisitions company, buying and selling privately owned medium sized business's, the largest sale I worked on was £200 Million chain of shops. You get into a rhythm, you get up, you get washed, you brush your teeth, you get ready for work, you work, you come home, you cook, you watch tv, you have a drink, you go to bed and at weekends you binge drink and binge drugs, at least that is my story, that's the circles I was in and everyone was the exact same so it was just "Normal". It is only with hindsight from a place of sober clarity that you truly understand and clearly see how not normal any of this actually is. After this I got a Job selling IT Infrastructure to medium to enterprise size business in London. This is where things got really messy. Even more money, even more drugs, even more business meetings and nights out with alcohol, even more stupidity, even more abuse but now you no longer care because you're just numb to it all. Numb to life. Numb to everything going on around you. No longer caring or paying attention to anything because it's all too painful...the darkness surrounds you like a cocoon and you convince yourself that alcohol and drugs and partying makes you feel better but that's not you speaking, that's something else.....

Part 2 to follow another day

See people focus on IQ, which is of course important but what is actually far more important than IQ is EQ. Emotional Intelligence.

You are clearly demonstrating to the world that you do care, that you have empathy and this triggers them because it shines a light on their insecurities, the fact that not only do they not care about the premeditated, intentional, malicious slaughter of innocent men, women and children the world over, they have no empathy but they are all actively involved in promoting and profiting from such activities as mass murder in cold blood and so on. So then what does that say about them? What does that say about what morals or ethics or standards or values or principles they have or more importantly, do not have. What role models are these? And they wonder why we have problems?

People with high EQ, You've seen them: The people who appear to be cool as a cucumber on deadline. Those who handle awkward family dinners with grace. The ones that get where you're coming from, without you having to say a lot.

That's because they may possess a certain skill set in spades — emotional intelligence.

Intelligence, in the general sense, is the ability to learn new concepts and apply your knowledge to problems. Emotional intelligence (EQ) is similar. It's the ability to learn about yourself and apply that wisdom to the world around you.

[ResearchTrusted Source](#) suggests that a high EQ is associated with an array of [benefits](#), from improved mental health and relationships, to higher job satisfaction and academic performance.

[Emotional intelligence \(EQ\)](#), refers to a person's ability to recognize, use, understand, and manage their emotions in a positive way.

People who display emotional intelligence may seem composed under pressure and can understand where other people are coming from in a situation.

When you think of someone with a high EQ, they may be that friend or co-worker who seems to empathize with other people effortlessly and keeps their own emotions in check during stressful situations.

Psychologist Daniel Goleman popularized the term “emotional intelligence” during the 1990s with his book “[Emotional Intelligence: Why It Can Matter More Than IQ.](#)”

In his book, Goleman outlines five key components of high EQ:

- **Self-awareness.** [Self-awareness](#) relates to having an understanding of how you behave and react to situations and people and how those impact others in your life, while also understanding your own limitations.
- **Self-regulation.** Managing your emotions and thinking before you react to situations, especially in difficult circumstances, is known as [self-regulation](#).
- **Motivation.** [Motivation](#) is the drive for self-growth and development.
- **Empathy.** [Empathy](#) is the ability to understand others' feelings without judgement, even when a person is different from you.
- **Social skills.** Having awareness of other people and how to communicate with them by listening, engaging, and making others feel welcome to talk to you are all [social skills](#).

Some elders of earth had written you off as a lost generation, they mock you, just as they mock me for choosing a path of trying to do the right thing, trying to make the world a better more harmonious place from the darkness that has consumed it for thousands of years. However they are mocking from the darkness, where they lurk and hide afraid of their own shadow, afraid of what they have done.

It is in the understanding of their intentions behind their mocking where peace can be found.

It's not you, you standing on your principles in reflecting back to them they have none.

Don't let their anger become yours, don't let the shade they cast upon you affect or destroy your soul. This is what they want. They want to beat your soul into submission so they can control you.

The right to freedom of speech, freedom of thought, freedom of expression, freedom of conscience, freedom of faith are protected by law, see attached United Declaration of Human Rights.

Anyone who tries to take these things from you is a Tyrant, a Bully, a Terrorist, a Psychopath.

There are a lot of wicked and evil people in this world, don't ever let their actions, words or abuse of you make them turn you like them. They are unhealed and refuse to heal. That is on them.

You are precious, this does not mean you should be entitled but that you have the great power within you to change the world and create the life of your dreams. With great power, comes great responsibility.

THE STAR FISH STORY

by: Loren Easley

One day a man was walking along the beach when he noticed a boy picking something up and gently throwing it into the ocean. Approaching the boy, he asked, What are you doing? The youth replied, Throwing starfish back into the ocean. The surf is up and the tide is going out. If I don't throw them back, they'll die. Son, the man said, don't you realize there are miles and miles of beach and hundreds of starfish? You can't make a difference. After listening politely, the boy bent down, picked up another starfish, and threw it back into the surf. Then, smiling at the man, he said, I made a difference for that one.

Be the difference

Be the one

Be the change you wish to seek in this world

Blessings will always follow you when you work from a place of heart-mind coherence.

May all your dreams come true.

And please, stay safe.

When trouble comes looking for you, wherever possible you walk away calmly, peacefully and should they get violent first, you have every right to self defence.

Deagel came into focus in 2014 for their list of population reduction predictions in many countries on the planet, with very severe reductions in some countries. Archives indicate that the website started with no such forecasts in 2007. By the 2010s a forecast for 2025 predicted a reduction from 307 to 264 million in the US. As of March 2022 **Deagel** is still publishing articles about **military** technology; the predictions about reduced populations have been removed however I have a copy attached.

The **Deagel** corporation is a minor branch of US **military** intelligence, one of the many secretive organisations which collects data for high-level decision-making purposes and prepares confidential briefing documents for agencies like the National Security Agency, the **United Nations**, and the World Bank. **Deagel** is known, for example, to have contributed to a Stratfor report on North Korea. With this kind of pedigree, **Deagel** should be seen as a legitimate player in the intelligence community and not merely a disinformation asset. If so, then it must be assumed that its population predictions for 2025, as well as its industrial output predictions on a nation-by-nation basis, are based on strategic assumptions which are shared and well understood by other players in the intelligence community.

The predictions are horrific, they do not follow historical trends in any way which begs the question, what did intelligence agencies know in 2014 was going to happen that would lead them to make such devastating predictions of population decline by up to 77%?

Deagal's comment "The majority of the economic and demographic data used in the making of the forecasts is widely available by institutions such as the CIA, IMF, UN, USG, etc. "

against crimes against humanity for the following reasons IF IT WASN'T FCKING OBVIOUS.

1. Please see all courts who are CC'd in on this email group - "The Ark Project - War diaries 2020-2024-Emails from Hell to Heaven" (Break the silence, break the chains) a daily diary of emails/social media posts of material / foundation /witness /demonstrable evidence of all crimes against humanity and all criminals in public/private responsible for these crimes
2. Please read all emails below and associated evidence
3. You have all been reliably and intentionally misinformed on almost everything
4. Please immediately review Balfour Declaration which you can google which confirms the satanic cult child sacrificing bloodline Rothchild's CREATED on behalf of Zionists, the incorporated profit making corporation "state of Israel" in 1948 in what was until that point known as the land of "Palestine"
5. ZIONIST Family Rothschilds is part of the committee 300 who are the orchestrators and premeditators of all crimes against humanity for their own pleasure and financial gain.
6. ZIONIST Rothchild's fund all sides of war and have done for hundreds of years
7. Zionism IS CATEGORICALLY not the same as Judaism. Zionism is a rebellion against god as confirmed by Rabbi's around the world.
8. Zionists STOLE the land known as Palestine
9. Zionists have been provably committing Genocide, Ethnic Cleansing, Tyranny, Occupation in Palestine for 75 years against innocents, UNSURPRISINGLY Zionists tell you all lies to cover up all their crimes against you. MOSSAD motto "By deception, thou shalt wage war" and as everyone knows, The Devil is a Liar.
10. Hamas is a resistance group, which, according to the Law of War Manual (i've read it twice, have you?) states you have the right to self defence, the right to self defence as a collective, the right bear arms, the right to attack/destroy the enemy to save yourselves.
11. October 7th was 75 years in the making
12. So whilst any innocent death is a tragedy you MUST be able to see where they were coming from as no one was doing anything about the genocide against them that has raged that long
13. Please feel free to review the CIA archive, which I have, thousands and thousands of documents, millions actually, which prove the above to be true. Which further prove the UK / USA and other Countries Governments are complicit in conspiracy and corruption to commit and cover up these crimes
14. Zionists/ Satanic Paedophiles/Cult (PROVEN FACT) are found in every part of the system, top down. Royals, Judiciary, Lords, MP's, PoLIeticians, Police, Intelligence Agencies all around the world because it in fact just an enormous paedophile ring engaged in trafficking, torture, heinous and insidious crimes against innocents the world over and I have a legal bundle which proves this as FACT which is with over 600 individuals and courts the world over.
15. MOSSAD / Israeli intelligence ARE PROVEN to be engaged in the blackmail of ELITE satanic paedophiles, the torturers, rapists and ritual/serial murderers of children, in positions of power and influence arounds the world to do their bidding and cover up their child trafficking/child sacrificing operations.
16. The ones who should die, in accord with the law of war, are the zionists/cult (not all judaism jews) knowingly, intentionally, maliciously responsible for premeditated genocides over generations
17. If you took the time you would see that these protests are all over the world, furthermore people have been protesting in every country around the world against Zionist/Satanic Cult Genocides every week since 2020 but they, zionist/cult owned media and social media,

have censored it from you INTENTIONALLY and MALICIOUSLY to prevent people from knowing the truth and STANDING UP AGAINST THEM on mass.

18. If you took the time you would see that all faiths (christians, Jews, Muslims, and so on) and races are represented at these protests because humanity is not stupid despite the Zionist owned trillion dollar propaganda / brain washing machine
19. The ones who should be reprimanded and/or put in their place with FACTS are the ignorant, arrogant, irrational and hateful pro israel aggressive agitators trying to silence / censor THE TRUTH because it is triggering to their FCKING ENORMOUS EGO (The devil is the ego)
20. Zionists/Cult (not jews) are also engaged in multiple other genocides including the court proven gene editing bioweapon fraudulently sold and forced upon 5.55 billion innocent souls via the PROVEN Zionist owned big HARMA and Zionist owned main stream media/social media, funded by Zionist owned Blackrock. All the usual suspects, there are multiple concurrent court cases past and present that prove this to be True, again, they are hiding this from you for obvious reasons.
21. All assets of all conspirators to Genocide, War Crimes, Crimes Against Humanity should be immediately seized and they should face the full force of the law in accord with the law of war as per Nuremberg as bioweapons are a war crime.
22. Please see attached Notice of War Crimes served to everyone
23. Please see attached the UNREBUTTED We The People v The Criminal Corporations Affidavit which has been served to all courts, 100,000's of individuals and after 40 days and 40 nights became both fact and judgement in commerce and law in accord with the rules of law and the UCC Rules as of 27.07.23
24. Please see militaryaccountability.com
25. Please see attached case file for corporate murder/manslaughter/gross negligence/medical battery
26. Please see court cases/verdicts around the world for bioweapon injuries (also referenced in emails below-search courts / casemine for judgements and listings)
27. Please see affidavit of corporate denial
28. Please see UCC legal commercial liens and filings against Committee 300, Google etc I have 25 more for their proven crimes against humanity
29. I have been reporting this on the War Diaries for 4 years and been ignored proving everyone is involved in this conspiracy to commit, cover up and ignore these crimes which has lead to the death of tens of millions of lives and billions of injured (PROVEN FACT)
30. Your leaders are all financially gaining from war, genocides, as war is a racket by Zionists/Nazi/Satanic psychopathic tyrannical lunatics that should be immediately put down as they are not safe to be around humans much less be in charge of them
31. Your leaders are premeditated genocidal war mongering serial killers and everyone is to date complicit in aiding and abetting, covering up these crimes
32. Should you continue to harass the INNOCENT students I will file a UCC legal commercial lien against NYPD, NY GOV and all named officers for their crimes, aiding and abetting of these heinous and insidious crimes against all innocents of New York
33. "IN OUR MILLIONS, IN OUR BILLIONS, WE ARE ALL PALESTINIANS" because we are all being killed by genocidal zionists/satanic paedo cult. This is not a fight between Jews, Christians, Muslims this is a spiritual war between God and the Devil, Good and Evil, Right and Wrong. The largest part of us is spirit, the vessel and labels attached to the vessel are irrelevant, it's a distraction technique they use to divide and conquer so we are too busy fighting amongst ourselves TO SEE THEIR DEMONS top down.

34. Grand-jury.net Grand Jury Proceeding by the Peoples' Court of Public Opinion
Empowering Public Conscience through Natural Law
'Injustice to One is an Injustice to All'

We, a group of international lawyers and a judge, hereby are conducting criminal investigation modelled after the United States Grand Jury proceedings. This Grand Jury Investigation serves as a model legal proceeding to present to a jury (consisting of the citizens of the world) all available evidence of COVID-19 Crimes Against Humanity to date against "leaders, organizers, instigators and accomplices" who aided, abetted or actively participated in the formulation and execution of a common plan for a pandemic. Crimes to be investigated include all acts performed or omitted by a person in pursuance of a common design to commit Crimes Against Humanity, and all such criminal acts condemned in the various communities of jurors around the world.

This investigation is of the people, by the people and for the people and shall be referred to as the 'Peoples' Court of Public Opinion. Having been unable to find a court to hear the actual evidence in the current system's courts of law, we are undertaking this proceeding outside of the current system and based on natural law. This, in turn is founded on the firm belief that every person can easily distinguish between good and evil, and between right and wrong.

The allegation is that the world's governments have come under the controlling influence of corrupt and criminal power structures. They colluded to stage a pandemic that they had been planning for years. To this end they deliberately created mass panic through false statements of fact and a socially engineered psychological operation whose messages they conveyed through the corporate media.

The purpose of this mass panic was to persuade the population to agree to the so-called "vaccinations" which have in the meantime be proven to be neither effective, nor safe, but extremely dangerous, even lethal.

The economic, social, and health damage that these Crimes Against Humanity have caused to the world's population can be measured in quadrillions of dollars.

The lawyers listed below, with the assistance of a number of highly respected scientists and experts from around the globe and under the auspices of a judge from Portugal, will conduct this Grand Jury Investigation and thereby provide the jury (the citizens of the world) with a complete picture of these Crimes Against Humanity.

The 'Peoples' Court of Public Opinion's investigation's purpose is twofold: On the one hand it is to serve as a model proceeding and get indictments against some of the criminally and civilly responsible figure heads of these Crimes against Humanity. And on the other hand it is – through showing a complete picture of what we are facing, including the geopolitical and historical backdrop - to create awareness about:

- the factual collapse of the current, hijacked system and its institutions, and, as a consequence
- the necessity for the people themselves retaking their sovereignty, and
- the necessity to first stop this plandemic's measures by refusing to comply, and

- the necessity to jump-start their own new system of health care, education, economics and judiciary, so that democracy and the rule of law on the basis of our constitutions will be reestablished.

The Peoples 'Court of Public Opinion works independent of any government and any non-governmental organization

So families injured from the "vaccine" from blood clots sued Astrazeneca.

That decision, where Astrazeneca admit blood clots are a side effect came out in February but was just publicly released a couple of days ago.

So you've all known for 4 months and done nothing on top of ignoring my 4 years of evidence and thousands of other peoples evidence on these very serious issues of premeditated corporate murder/manslaughter, gross negligence, grievous bodily harm, medical battery/rape, Genocide, War Crimes, Crimes Against humanity.

All 5.55 Billion people who have a shot should be notified and this should be all over the news 24/7 for the following reasons:

- everyone immediately requires a D-Dimer test which checks for micro clotting
- blood clots cause a long list of other issues including sudden death
- blood clots cause heart attacks and heart issues and there has been an epidemic of those since roll out
- since the roll out there have been funeral directors and autopsy doctors coming out around the world in numbers saying they have never seen so many blood clots in the dead when they are trying to embalm them

You hiding this for 4 months further proves your premeditation, collusion, conspiracy to commit and cover up these heinous and insidious crimes against humanity.

By law, by my legal documents, you owe me all my property, my children, my trust, their trusts, my mothers, my invoices being paid, my copyright infringement invoices paid, compensation for 4 years of torture, crime, slander, defamation, bullying, discrimination, unlawful attacks, arrests, stealing my property, committing frauds in my name and against me, all the legal liens being enforced and assets/trusts transferred as per the non negotiable unilateral contract terms you have received in writing and continue to ignore thereby publicly continuing to commit crimes against me despite me being 100% right and 100% speaking the Truth for 4 years straight.

There has been a conspiracy of corruption to cover up the crimes of criminals from the get go and I was thrown under a bus, me, my children and my mother were their sacrifice to cover up their own crimes for fun, for money, for clout, and still you continue.

Do you think you should live?

Do you think you should live when tens of millions are dead and billion injured and you all could have stopped it if you listened to any of our relentless daily pleas with material evidence in 2020 or 2021 or 2022 or 2023?

Because of you, innocents, including children, are dead.

Do you even comprehend how serious this actually is?

Are you even capable of comprehending the true magnitude of the multiple concurrent genocides we are facing?

Are you even human anymore or are you another species entirely, just a genetically modified organism controlled by the devil and his demons who control the satanic cult that rules the world?

As Nottinghamshire Domestic Terrorist Paedo Force will know from my 4 interviews for unlawful arrests, from raiding my house on mass in multiple riots vans with guns and investigating 9 laptops, 3 phones, my legal bundles, the highlighted law of war manual and the Uniform Commercial Code. I emailed all universities on the War Diaries, much like every other fcker in the entire country and other countries.

I have now prepared an updated Dossier, which I am going to email to EVERY university, to EVERY students group and association in EVERY country.

**AN OPEN LETTER TO ALL UNIVERSITY STUDENTS
CHILDREN OF GOD - WARRIORS – CREATORS - HEALERS**

**IN THE MATTER OF ISRAEL V PALESTINE
AND OTHER CONTRIBUTING FACTORS OF ZIONIST GENOCIDES**

Hi Sovereign Souls, it's Aunty Hope Faith Love, your friendly neighborhood ancient alien, I reside in the Ethers and hold all the keys to all the secrets of the Secret Societies, War Mongers, Genocidal Psychopaths, Traffickers and Sacrificers of innocents worldwide for money and for fun.

I want to ensure you are always armed with the greatest weapon of all, KNOWLEDGE. At such a critical time in history, it is critical to think critically about everything. Which means being open-minded to the bigger picture, questioning the very fundamental beliefs and opinions we have held our entire lives on the basis they have been programmed there by the same individuals who are lying to us now.

The tyrants we face do not stand a chance against Truth backed by material / foundation / witness / demonstrable evidence.

You see, it's very unfortunate for these criminals, these common enemies of humanity, that we have the quantum capability to access everything everywhere so there is nowhere for them to run and hide nor for them to hide their skeletons.

Please find enclosed a dossier of such material / foundation evidence / exhibits from the Governments own resources/archives that you should learn off by heart and always have on you at protests/debates etc so that should you ever be attacked by any individual or organization for simply doing the right thing and standing up for crimes

against innocents in Palestine or elsewhere, you are well equipped to confidently present and destroy your opponent with facts.

All is mind, mind is all. Put on your Armour. Bullies come in all shapes and sizes, it is indicative of their irrational, illogical and ignorant unhealed and hateful spirits, and it is imperative that you should gain the skills necessary to easily be able to discern the difference between the two.

We Got This

Injustice anywhere, is injustice everywhere

May your future be bright and free.

My name is Hope Faith Love, I am of Royal Lineage, Reverend of the Universal Life Church, Plenipotentiary Judge, President of House of Love Law Enforcement Agency, Justice and Judicial Services for We The People Worldwide holding all Powers of Attorney In Fact to act on their behalf.

Thanks to an ANGEL investor I have the power to immediately offer you in good faith \$300 Billion Zimbabwean Dollars in CASH on behalf of We The People for the purchase of the Telegraph Media Group as advertised for sale today.

With the great power to influence many minds, comes great responsibility to not only tell the truth, regardless of how painful that truth may be, as a statutory duty of both candor and care but also to ensure that your following always have full informed consent on any and all issues facing humanity.

It can therefore be said that you, your organisation and all your employees should consider yourselves as servants to humanity for their greatest and highest good to ensure they heal, evolve, transform, and achieve excellence in all areas of their lives.

I am a limitless believer, with a limitless mind, limitless imagination, limitless ideas, limitless creative expression, I am afraid of NO ENTITY anywhere, I am not of this world but part of it.

I have already sent your organisation some documents, also sent to everyone else CC'd here, thousands more electronically, hundreds hard copy and on hard drive around the world.

They are un rebutted and stand as fact and judgement in law and commerce in accord with the rules of law.

I have a full legal bundle of documents that I will send you additionally, attached is an initial copy of my personal documents.

It is important to understand before I proceed to er is human, to forgive, divine.

With this in mind, it is imperative that every human understands that they have had NO informed consent on a number of heinous and insidious crimes against billions of innocent souls past and present that need to immediately resolved as we DID NOT CONSENT.

1. As per proven Quantum physics, we are in a multidimensional multiverse and are therefore multidimensional beings

2. CERN (666-Satanic Cult & Associates) have and I quote "The particle accelerator changed the weight of an electron which destroyed our universe, shifted us into the Universe directly next to it and things are "Different" in this universe"
3. CERN (666-Satanic Cult & Associates) are currently opening portals in space/time to bring forth nefarious entities like themselves from other dimensions
4. Eugenics is firmly established by history as a Nazi concept that is now mainstream "science" thanks to genocidal zionists & satanic cult associates who get their money from sacrificing innocent souls
5. Nazi's had Alien technology
6. Mrna found in the court proven gene editing bioweapons injected into 5.55 billion innocent souls without informed consent have Crispr Genetic Engineering technology inside them as well as nanotechnology, heavy metals, nano particles containing toxins etc
7. Crispr can delete, cut, switch on and off genes and has been proven to have the capability to switch black mice to white
8. DNA is a biological storage device that contains all data, memories pertaining to your ENTIRE bloodline going all the way back to source/origin
9. DNA acts as an Antenna in the electromagnetic field and can be manipulated, damaged and controlled by Electromagnetic waves such as 5G, a military grade weapon technology
10. So you understand then that in terms of Crime, there is no more heinous and insidious crimes than a Satanic Genocidal Cultist/Satanic Paedo / Nazi / Zionist / Alien / Demon getting inside your body, inside your Cells, inside your DNA, inside your Genes, your connection to all that is, your connection to your bloodline, to your ancestors, to source, to GOD being that we are all God/universe creations and we all have God consciousness within us, we all have God/Source/Universe all around us, we all have the power to create and heal like God.
11. There are tens of millions of dead and billions seriously injured to date.
12. Bioweapons are a War Crime
13. There is an Epidemic of UFO sightings, paranormal activity around the world right now as confirmed by military whistle blowers because this is a Multidimensional war and our ancestors have returned to set the record straight and flip the script on the satanic cult because as we all know, God wins and they are already surrounded.
14. The Quantum Computer can crack any electronic device/internet so no secret is safe or inaccessible to us.
15. We have all the evidence, there is nothing to fear.

My vision is as follows:

1. I have already filed legal commercial liens against 25+ corporations and their directors for their participation in these crimes against humanity up to and including the heads of the Satanic Cult (King) & Committee 300 & Associates my cases prove criminal chain conspiracy to the top as they kidnapped my children in 2020 to shut me up from telling the truth and exposing their crimes. I have not seen them since. I have "The Ark Project - War Diaries 2020-2024 - Emails from Hell to Heaven" (Break The Silence Break the chains) a daily diary of emails / social media posts across all platforms which prove beyond any reasonable doubt as material evidence their crimes and that I have been informing them with material evidence non stop for 4 years and they have all refused to stop killing or hold those among us who acted knowingly, intentionally, maliciously, viciously against humanity accountable for these heinous and insidious crimes.

2. They cannot do anything to me, they cannot stop me, therefore you, your corporation, your employees and all their families would be immediately protected by me and my documents and there is nothing they can do to stop us
3. The Ark Project can be immediately set up in partnership with the Telegraph Media Group, every employee will be a co-founder and co-creator, this will be your legacy to humanity that will remain forever as the fearless legends who took down the satanic matrix responsible for multiple concurrent genocides
4. There will a centralised document / knowledge / evidence base where people can download and or submit their affidavits of truth, I have already created a merch shop with 1000's of products / designs. 100% of the profit would be directed as follows: 1/3 Into a Investment fund we create, 1/3 into legal action to enforce all existing legal commercial liens (and future ones yet to file) to be returned to the people by way of humanitarian projects we will create / invest in to get everyone up to a level playing field, 1/3 will immediately go back into the communities / countries of the purchaser for distribution of healing/excellence projects / products / information to protect all children and parents everywhere
5. A series of protective documents will be completed for each employee and their families.
6. This offer can be extended publicly/privately to any and all employees of every other media organisation or any other corporation who has been screwed over top down. Should they choose to leave under this protection, those organisations will crumble to nothing in a heartbeat and ultimately can then be purchased for nothing.

I am happy to come and meet with you to mindmap the vision together at your earliest convenience.

I look forward to hearing from you.

With Sacred Honour

Hope

It is about time everyone swallowed their pride and killed their ego (the devil).

They estimate as many as 850 Million will die.

Attached is link to research proving that all the deaths labelled as "COVID" in 2020 were actually from mass roll out of Midazolam (death row drug) to make IT LOOK like there was a pandemic when there was not. To scare everyone sh*tless, to sell their court proven gene editing bioweapon.

https://www.researchgate.net/publication/377266988_Excess_Deaths_in_the_United_Kingdom_Midazolam

Scottish Covid Inquiry has revealed that the reason for excess deaths in care Homes in the months of covid was primarily to do with the barbaric medical protocols in place...

- Blanket 'do not attempt CPR' orders being placed on resident
- Blanket ban on ambulance call outs to Care Homes
- No care home call outs by GPs
- Restrictions on family members visiting their loved ones in care homes
- GPs issuing remote prescriptions for 'End-of-Life' medication for Care Home residents, which include many unnecessary doses of the deadly killer drug midazolam!
- No highly efficient preventive treatments and highly effective, highly safe early treatments like therapeutic doses of vitamin D, ivermectin, hydroxychloroquine, and zinc. These proven life-saving treatments were not allowed or even considered!

All of these factors combined to generate the vast majority of the 2,500 excess deaths in Scottish Care Homes during the first 10 week lockdown, from 23rd March 2020 to 31st May 2020.

Many other countries like for example, Denmark had the same rates of covid cases as Scotland did, yet had ZERO excess deaths in ALL age categories during the same period, not surprisingly Denmark had NONE of these barbaric protocols in place in their Care homes!

Denmark, like all other countries that conducted mass vaccinations, only experienced excess deaths in their care homes AFTER the rollout of the experimental mrna injectables.

Attached is evidence of the turbo cancers in children.

As far as my cases go, the evidence proving my innocence and everyone elses guilt continues to pile up and will continue to.

The mass protests around the world in every country, have gone on 4 years straight and are only increasing in number, strength and frequency regardless of what lies you see on the trillion dollar genocidal zionist propaganda machine as everyone is awake and awakening at a pace never before seen in history.

Everyone is aware of the crimes and the premeditated evil intentions of those behind the crimes for money.

FURY is coming.

How do i know? Very simply, whenever I go into any shop, anywhere and speak to anyone the first thing I ask is "What do you think about whats been going on the last few years"

The response is always the same "They are all criminals"

I say "Well let me tell you,.... and go into a tirade of truth as I always have my evidence on me to show people"

Are they shocked? Not in the slightest.

Disgusted to their core but not shocked, not anymore.

What does this tell us, it tells us, everyone is ready to know the truth, the whole truth an nothing but the truth it appears its only the 0.1% genocidal satanic paedo cultists that are desperate to keep their secrets, lies and frauds covered up at the expense of billions of souls. What a surprise.

On top of this, you are allowing the same psychopaths to fund wars using tax payers money they neither want nor agree with.

The Satanic Demonic cult in charge of the ship wants everyone on board to die because we are the carbon they seek to annihilate.

UK Military declassified documents prove the closer links between UK and Israel prior to October 7th 2023.

UK MILITARY SUPPORT FOR ISRAEL'S GENOCIDE WAS PRE-PLANNED BEFORE OCTOBER 7:

In aiding Israel's mass attacks on Palestinians in Gaza, Britain is implementing an agreement openly signed with Netanyahu's far-right coalition – which has been almost entirely ignored in the UK national media.

Military / National Guard are moving in 90,000 + numbers in Europe and many states are preparing for Nuclear War, with many states doing disaster drills, increasing their numbers of national guard, putting snipers on roofs of buildings, moving nukes and using \$13 Billion of UK tax payers money to build themselves a fancy doomsday plane.

Here is a link to the Met Police on Ukraine War circa **2013** asking people to come forward for war crimes in ukraine by ukraine to an alleged War Team part of an alleged War Crime Network, who allegedly take all war crimes seriously, to allegedly ensure the UK is not a safe haven for war criminals.

Several issues, you work for war criminals, you are war criminals, you have rolled out a bioweapon and bioweapons are a war crime, you have all been noticed of these war crimes as

I have been telling the Truth from the Get go in 2020, proven it with evidence all day everyday and you have the fcking AUDACITY to treat me, my mum, my children this way.

I should not even have to step foot in your treasonous, belligerent, illegitimate statanic trafficking courts. You should be at my door on your fcking knees with all my property, my invoices paid, my copyright infringements paid, my trusts transferred and my children in tow after you have undone the fckery YOU have done to them.

Every person on my emails going back 4 years should be IMMEDIATELY FIRED, should be disbarred, should be sent for psychological assessment to see if they are even capable of knowing what the actual fck is going on right now much less make or enforce rules/policies/laws for others to abide by.

You are all responsible for all injury, harm, death occurring here.

SUCK IT UP.

Do your Jobs or We will have to do it for you.

This is not a joke, this is not a drill.

They lied, everyone fell for it and unless or until you grow some testicles you are all going to continue to be knowingly responsible for all deaths and harm and everyone is going to know you are knowingly responsible as every email/document/piece of evidence I have posted in a Public Enquiry into all of you all day every day since 2020.

Now you are all traffickers and serial killers and we will look at you and treat you as such.

Forgiveness will come for those who have the courage to stop it.

This is now the third day in a row that the associates of Wayne Walker / Sam Evanson & Associates to the House of Lords and the sub group of gang stalking thieves of material evidence from Alfred's Law (Ben Greer, Mark Wyschna, Nick Spearwater, AJ Roberts, Dave Eden, Rangy Latif) are harassing me directly or indirectly after committing crimes/trespasses against me repeatedly evidenced. I categorically and intentionally cut all these off due to their crimes and connections to my ex's and associates and they knew that.

Sunday - My mum via FB - Anneka

Monday - Me via text - Phil

Tuesday - Chippy (Middlesbrough) via FB - Sophie Wanless

Sophie Wanless is a drug addict and alcoholic, married to a drug addict and alcoholic, in a codependent violent relationship both are pathological liars and connected to both Wayne & Sam

The same can be said for Anneka.

I haven't spoken to Anneka for 5 years and Sophie for 4 and now all of a sudden they are pretending to be concerned about my welfare.

They are desperate, I want absolutely nothing to do with any of them which is why I cut them off in the first place or any of you because of what you have and continue to do and still they do not understand the word NO or FCK OFF.

Why? Because they are all delusional crackhead narcissistic psychopaths

Attached is the FB post sent to Chippy.

I told my mum not to reply to Anneka and block her.

Clearly they are working together otherwise Sophie, who I have known since I was 9, who knows my mum, would have messaged her directly and not Chippy who she does not know at all. She has found me tagged in a photo with Rangy Latif and messaged him that way.

They are concerned for themselves because they lied and because they are connected to all the criminals.

That is it.

Just to inform you the gang stalking team of crackhead pathological liars, criminals, frauds, traffickers, rapists, narcissistic psychopaths & associates are now so desperate they are resorting to messaging my mum on social media to try to get to me and messaged her Yesterday.

Not heard from this runt for 5 years now crawls out from under a rock, don't think so.

Let me remind you of a little story about the singer Chris Brown.

He had a fight with Rihanna at 17 years old (2009) that he never excused nor denied that resulted in her harm and he took immediate accountability for his actions.

The genocidal psychopathic war mongering zionist owned propoganda and lies machine known as mainstream media took great pleasure in whipping up a hate train against him that he has had to endure for 15 years whilst they all make money off their continued bullying of him over a mistake that he made that he fully took accountability for, that he was sorry and ashamed of.

15 years of taking great pleasure at every opportunity to try to destroy him over a mistake, trying to shame him for something he already feels sh*t about, trying to dim his light, harvest his energy, make people think bad of him, make him feel less than, poo poo his greatness and talents.

Meanwhile, you and they sold a bioweapon to millions, are on a hate muslim/islam campaign and are selling lies on Ukraine, Russia and a meriad of other topics and issues to long to list, lets just call it everything, to cover up your own crimes and are on a hate campaign targeting absolutely everyone everywhere.

What are your talents exactly other than lies, frauds, crimes and total destruction of humanity?

Chris Brown isn't a coward, you all are though.

Wayne Walker, Sam Evanson and associates to the house of lords and everyone in between are guilty, as per all material evidence, of heinous and insidious crimes against me and everyone else 10000000000000 x Chris Brown yet they walk the streets smug AF at trafficking and sacrificing children to line their own pockets in one way shape or form

Perhaps we will all take your approach, and shame you into the fcking grave every time we see you in public, in front of your children, in front of your friends, in front of your community, in front of your peers and all over every independent media channel that exisits.

God conciousness is your higher self.

The Devil is your ego.

Your egos and your souls are UGLY AF.

God's already put you all in spiritual jail and there you shall remain until you repent.

You have no dominion, all demonic cords and strongholds are broken, all curses are lifted, all contracts and signatures rescinded based on fraud which nullifies all, all orders are void incurably void void ab initio, all must be returned, balance must be restored, law and order must be upheld, you have karmic debts to pay and you will pay them all in full.

Who the actual fck do any of you think you are playing god with peoples lives, health, mental health, children, finances, trusts in their name.

You are an abomination in God's eyes.

God wins, its as simple as that.

And so it is.

I am writing up the We The People worldwide declaration of independence, deliverance, redemption, salvation and mass exodus from the Satanic Matrix, Satanic Cult, Satanic Paedos, Child Sacrificing Genocidal Psychopaths, Human Trafficking Droids, Genetically Modified Organisms, War Mongering war lords, Witches and Warlocks, all criminal and corrupt systems and associated.

I will list you all as Outlaws evading the law.

I will put prices on your heads for the crimes you have commit.

I will sign as Queen, Reverend, Plenipotentiary Judge and President of House of Love Law Enforcement Agency, justice and Judicial Services for We The People Worldwide.

It will be shared around the world and any country or person can add their signature.

This will be the final document that will accompany my Complaints, Judicial Reviews and Commercial Claims into the Commercial Court with Legal Commercial Liens.

You are frauds, serial killers, traffickers, torturers and paedophiles, enabling frauds, serial killers, traffickers, torturers and paedophiles

[London Covid booster programme to launch on Monday as 800,000 people urged to get jab \(msn.com\)](#)

I'm typing yet another victim impact statement to include in the documents that you will receive.

I cannot speak for the others.

Mine can be summed up as follows:

In 2020, whilst trying to heal from a lifetime of abuse and crimes commit against me and others I informed my ex's I wanted to get our arrangements formalised because ultimately after various courses I had completed I wanted to move to America to follow my dreams and try to make the world a better place.

I report the crimes commit against me and others and informed them I had done so.

Due to lockdowns and keeping the children at home as per the government guidance due to having a vulnerable elderly at home, for which I was villanised, they had not seen them as much being that I would be, like anyone else in my situation, seen as wrong either way.

People on my side were always "why do you even let them see the children after what they did to you"

I didn't want to be that bitter woman, the one who stops her children seeing their fathers for the way they had treated me so as a single mother, doing everything for them alone, their entire lives, including ensuring them still saw them regardless of how they treated me and each other during our relationships at my time, cost and energy despite everyone saying i shouldn't let them because they had until that point not, as far as I was aware, doing anything to the children. It was only ever directed at me / my mother in front of them or behind closed doors.

If I had blocked Wayne from seeing the boys then I would have had a 1000 strong gang of murderers on my back anyway.

Letting him see them meant an army of ignorant Judgey McJudgersons.

I also believed then that fathers should be in children's lives wherever possible.

I wanted to go on a work trip to America to see if following my dreams would be a possibilty to create a better life for my children and asked them to have them for a visit.

They refused to return them, they kidnapped them from me, moved, blocked me, immediately started fraudulent and baseless legal action against me based on lies.

My children are my world, they knew that.

They knew it was the only way to get to me as I had made everything public (as well as reporting all other crimes and criminals occurring here) intentionally as my life insurance knowing what they had done to others before me to make them disappear or silence them.

I was the one who gave birth to them, I was the one who changed all nappies, gave all baths, made all meals, all drinks, paid for everything less tiny amounts, I was the one who kissed them good night every night and every morning, I was the one who hugged them to sleep and prayed with them. I was the one who took them to school or friends or parties or groups. I was the one who did all this whilst also looking after my mum and dealing with 2 narcissistic psychopaths and their narcissistic family cults and my own narcissistic family cult. I was the one who told them I loved them all day.

They were my reason, I got out of bed everyday even when I didn't want to.

I'm no saint, I have never proclaimed to be one. I have made many mistakes that I am ashamed of but have confessed to in hundreds of video evidence that I recorded in 2020 and shared with all.

I was doing the best I could at the time under immense pressure after a lifetime of abuse and there are no excuses which is why I chose to get rid of Wayne in 2019 because I didn't want my sons to think that abusing women and elders this way was acceptable and to heal myself from my lifetime of abuse, victimhood and survival mode.

I did this alone, whilst being attacked and slandered 24/7/365 for it.

They ripped out my beating heart with their bare hands and crushed it before my eyes. The same to my young babies. Laughing as they did it.

Then you came for my mother, first with a bioweapon, then harassing her, dragging her through courts for a crime she is innocent of, ignoring all her evidence as well as it is joined to mine and to everyone else's.

Somehow all of you managed to find a way to thrust your evil fists inside the gaping wound and pummel my bleeding heart space with daggers after them, laughing in my face as you did it. Laughing at the torture and anguish they and you inflicted, laughing at the torture and anguish of my sons whilst watching them commit all these crimes and covering them up or ignoring them as they continued.

That is what it felt like and has felt like every day for 1297 days since I have seen them.

I have cried and died every day for 1297 days and somehow managed to find a strength I never knew I had to rise again because I knew I was innocent, I knew I was telling the truth, I knew I would never let evil win, I knew I would never let you steal my children or steal anything else that is lawfully mine by legal documents and birth right.

Everyone everywhere knows what you and they have done, right now there are 2 worlds. The world of the Truth and We The People enlightened to it based on material evidence and The World of Lies and liars.

Every second of every day that passes the canyon between the two further divides.

Those continuing to lie to themselves and to others in the system, in public, look increasingly insane and evil, like Orcs, Like Vampire's, Like Hannibal's, Like Dahmer's, Like Dr Shipman's, Like West's, like every Villain and Serial Killer there has ever been and written about across time and space.

Both my mother and I have years missed birthdays, mothers days, Christmases, holidays, every precious moment of their everyday lives for the most important and impressionable years of their young lives because of proven actual narcissistic psychopaths, actual satanic paedophiles, actual criminals, actual pathological liars and frauds, actual serial murderers, actual drug and sex traffickers, actual rapists as per their own long provable histories, provable criminals records, provable convictions.

You have let them brainwash my children against me, you have let psychopaths corrupt their innocent vulnerable psyche's and let them brainwash my children that I abandoned them, that I don't love them, that I haven't fought for them when everything has always been for them.

You are wholly responsible.

You are wholly accountable.

You are wholly liable.

I have executed all guilty parties of the many heinous and insidious crimes occurring here in my mind a million times and it has given me a small measure of peace.

The Victims Code is below, you have failed tens of millions of victims, billions around the world. You cannot hide.

If those knowingly intentionally and maliciously engaged in these crimes against me and others are not executed in accord with the law of war, they should face life imprisonment without the opportunity of parole however I do not believe we the people should ever have to pay for such evil to exist. Either way, that's not my problem.

Those blackmailed, tortured, brainwashed into committing these many crimes against humanity should be given help and healing and if they are to be forgiven, then the same forgiveness and pardoning should apply to those innocents in prison scapegoated for crimes of others or crimes lesser than these.

Return all my property and pay me what you owe me and my mother as per the legal commercial liens and unilateral contract terms (£1,000per minute for wasting my time as per the legal lien in default against Nottinghamshire Police) so we can heal in peace from your torturous, evil, cruel, inhumane and degrading treatment somewhere else.

Also refer to my "V.C." signatures against all digital assets in your possession taken under duress.

Please also see my palm prints and notice the "M" and Unified Half Moon on both palms that only 0.01% have, seek out that meaning.

I have been tested my entire life, I have learnt the lessons those tests were sent to teach, I have been tested enough.

You were tested, you failed those tests and learnt no lessons.

I don't want any credit for anything it belongs to We The People, I don't want a title, I don't want a job, I don't want to be associated to or work with any of you ever again in any way.

You have no power over me for I am of Royal lineage and I am Honourable.

You and your crimes however repulse me to my core.

You don't care about children at all, you are lying to yourselves, you use them as commodities from which you profit and sacrifice them daily.

 - To be provided with information when reporting the crime
 - To be referred to victim support services and have services and support tailored to your needs
 - To be provided with information about compensation

 - how to make a Victim Personal Statement (VPS) if an offender's case is due a Parole Board review;
 - how to apply to read your VPS to the Parole Board, in those cases where the Parole Board holds an oral hearing;
 - how to apply for licence/discharge conditions to reduce the chances of you encountering the offender in the community, or from them contacting you;
 - about any licence/discharge conditions that relate to you and the date they will end; and

Your advisor will normally act as your single point of contact throughout the case and communicate with the police, Witness Care Unit and the Crown Prosecution Service on your behalf.

- Pre-recording of cross-examination exists for victims and witnesses deemed to be vulnerable due to age, mental disorders or a physical impairment across all Crown Court in England and Wales. On March 15 the government [announced](#) a further £11m in funding to recruit more Independent Domestic Violence Advisors and Independent Sexual Violence Advisors.

18th April 2024 - UK

Speaker drops a powerful speech, joint by Andrew Bridgen, citing Kevin McKernan's DNA contamination research, just HOURS AGO in the United Kingdom Parliament, during an excess deaths debate.

"Kevin McKernan made an accidental discovery. He was shocked to find [the mRNA vials] were contaminated with Plasmid DNA". He goes on to say that "Other scientists have confirmed these findings".

- "This means that they are not vaccines at all, but genetically modified organisms that should have been subject to totally different regulatory conditions, and certainly not be classed as vaccines".

- "He concludes that piece by saying - No if's no but's any longer, all mRNA vaccines must be halted now".

This speaker, after mentioning he has already had 2 x shots of mRNA vaccine states that: "The value of vaccination has been deeply damaged and personally, I'll say this absolutely frankly. I WILL NEVER ACCEPT another mRNA vaccine, and i am far from alone."

PSEUDOURIDINE IN COVID INJECTIONS:

"Evidence is provided that adding 100 % of N1-methyl-pseudouridine (m1Ψ) to the mRNA vaccine in a melanoma model stimulated cancer growth and metastasis, while non-modified mRNA vaccines induced opposite results, thus suggesting that COVID-19 mRNA vaccines could aid cancer development. Based on this compelling evidence, we suggest that future clinical trials for cancers or infectious diseases should not use mRNA vaccines with a 100 % m1Ψ modification, but rather ones with the lower percentage of m1Ψ modification to avoid immune suppression."

Dr. McCullough Delivers Message All Parents Need to Hear

"This childhood vaccine schedule is not what we thought... I'm telling you, in total, it doesn't look good."

The 1986 Vaccine Injury Act even admits vaccines come with "unavoidable harms."

Five separate studies now show that "if children go natural, no vaccines whatsoever, they have the best outcomes."

"When I was a kid, the rate of autism was one in 10,000. Now it's one in 36," Dr. McCullough explained.

"And there's about 200 published manuscripts showing it's immune system dysregulation."

"And the vignettes, the mothers tell us that the child was fine up until the time they took multiple rounds of vaccines, and then they developed autism. Those vignettes are almost certainly correct. We can't pin it down to any single vaccine. But I'm telling you, in total, it doesn't look good. This epidemic of autism is a tsunami. And you know how many, many mothers now — [a] recent Kaiser Family Foundation survey shows about a third of mothers and young fathers going natural."

UK Watchdog Fines Pfizer for Misleading the Public on the COVID Vaccines

Pfizer has come under scrutiny by the UK's pharmaceutical watchdog, the Prescription Medicines Code of Practice Authority (PMCPA), for breaching the regulatory code five times.

The accusations stem from senior executives' use of social media to promote an unlicensed COVID vaccine, alongside making misleading claims, such as the phrase "95% effective" and the declaration that children aged 5 to 11 would benefit from these shots.

Naomi Wolf previously reported:

"This is a slap on the wrist. It's a serious one, though. It affects public opinion, certainly in Britain ... And this kind of ruling will certainly make it easier for people in the UK to say, 'I was injured. Look, I was lied to ... It's a lie to say that it was safe and effective.'"

If & when nation member states sign the Pandemic Accord gifting The WHO unprecedented power - make no mistake you will see MANDATORY vaccines enshrined into law - just like throughout Covid where people required a vaccine passport & proof of, just to retain their employment & access basic services or travel.

It should be obvious to anyone paying attention that these unelected Globalists, bankrolled by Bill Gates are beyond desperate to vaccinate the entire planet with their new mRNA technology.

Do you really want this for your children?

This is astonishing to me. I may not have fully understood it, but this person is telling us that the "CO2 is a greenhouse gas and more of it warms the earth" theory is invalid.

I was already convinced that CO2 isn't responsible for changes in mean surface temperature, so I suppose I knew that the claims were false.

I think I had thought of it as an exaggerated claim, one that is swamped by far more dominant drivers of temperature. I now think the theory is just wrong, as well.

Have a listen and see what you find.

They attacked our military with the Covid Bioweapons;
~Almost 40% have suffered neurological injuries
~5% have been taken out with cancer or cardiac issues, alone

Brief Analysis of DMED Data -Excess Symptoms in 2021
U.S Military Personnel Since Rollout of Covid Shots

Cancer ~ Excess = 74,000

Nervous ~ Excess = 780,000

Cardio vascular ~Excess = 87,943

Infertility and Reproductive Dysfunction ~Excess = 12,124

RESULTS

- Excess cancer alone effected 3.5% of the entire military population
- Excess diseases of the nervous system effected 37% of the entire military population
- Excess cardiac and blood disorders effected 4.1% of the entire military population

It is conservative to say that 5% of the entire military force has just been taken out by cancer and cardiac alone.

Up to 30+% have been weakened by nervous system diseases – the majority of which involve destruction of the myelin sheath surrounding nerve fibers

GERMANY

It's now official. Partly redacted documents from the Robert Koch Institute in Germany show that there was no pandemic & that it was the government which imposed measures for which there was no justification and that RKI was ordered to concoct fictitious grounds to justify the "public health emergency".

Note that the speaker is deliberately using very neutral language here in order to minimise the risk that this crucial evidence is taken down.

He knows perfectly well what the agenda is. I spoke next to him at that virtual event in Germany, put on by the AfD party.

The UK Column is delighted to be premiering Playing God, the latest documentary from Jacqui Deevooy. You can watch the premiere at 2pm on Monday, 22 April, immediately following the UK Column News. There will be no Extra that day, so if you are a UK Column member, please note the documentary will begin as soon as the news programme ends - there will be no five minute break as we normally have between the news and Extra.

We jumped at the chance to help Jacqui bring this latest documentary to a wider audience. UKC has been covering these issues for many years, including the story of Helenor Bye, whose mother, Joan, features in Jacqui's documentary. You might also like to watch the presentations from our Dying for Good Health conference, which took place in 2018.

Jacqui Deevooy teamed up with the award-winning directors Naeem and Ash Mahmood and co-producer Phil Graham to create this jaw-dropping exposé on medical democide in the UK over the last 50 years. Please join us on the main website live page, or if you are a member on the community live page.

Dr King looks at every aspect of euthanasia (aka doctor assisted suicide) and shows how individuals in many countries are being put under great pressure to sign up for a suicide programme. He explains how euthanasia is now being offered to children (without their parents' knowledge), to the disabled and to the mentally ill as well as those who are tired of life. He shows that as euthanasia programmes become bigger so money spent on palliative care is reduced and explains why States and health care providers see much financial gain in promoting euthanasia. He also explores popular myths about euthanasia and points out that death by doctor is not necessarily painless or dignified.

This was shared in the War Diaries at the time, written by a serving Policeman as an open letter to the public distributed and shared on all social media platforms by them, me and everyone else in receipt of it.

I will further remind you AGAIN we have the testimony of a high ranking police officer, a relative of a high ranking Military officer, who confirmed he had headed up a team in the MET that was informed of every pregnancy registered on the NHS. Their sole job was to investigate the parents of each pregnancy to find reasons (past or present) that child could be kidnapped and trafficked through the PROVEN satanic, illegitimate, belligerent, treasonous slave system by way of fraud for profit.

They would look at both parents, extended family:

Medical Records / Criminal Records / All Government Records

TARGETS

Mental Health - ANYTHING (specific targets Military / Trauma - PTSD) Depression

Domestic Violence

Anything Drug related

Any criminal activity

Special Needs

Young single parents considered breeders of PRODUCT

If they had been in care themselves considered breeders of PRODUCT

The High Ranking Military Officer is also the one who:

1. A narc related to family both in North and South Wales police with a history of abuse of men covered up by them made a false claim against him to drag him through court
2. This false claim resulted in him wrongly being added to a register
3. This false claim was proven false in court as she had gained access to his social media, messaged herself, to make it look like him and this was proven by military evidence of the IP address of the messages at the time being different to the officer's location, being that he was working on a barracks at the time
4. These false claims were pursued by nepo narc babies and associates targetting an innocent for fun
5. These false claims lead to being dragged through the courts by pathological liars
6. These false claims and the 75+ counter formal complaints against all involved were ignored
7. These false claims lead to the courts / Judges / barristers / lawyers / councils / social / adoption agencies all making a fortune off lies that they knew were lies before they went to court
8. These false claims lead to his 3 children being taken under false pretences, earning the council over £100,000 in fees, weaponising the law and his own trauma from war against him, a 28 year special operations high ranking officer, who served his country, won 1 of only 22/3 medals since WW2, serving his country in war based on lies to line the pockets of genocidal psychopaths, who had never and would never be a danger to his children, the very definition of discrimination as per the Equalities Act
9. Simultaneously this officer was force vaccinated with a court proven gene editing bioweapon under threat of court martial, as were the other 300 highly specialised officers
10. This officer wasn't feeling or looking well, he went to the Dr's, they took his blood pressure. It was through the roof, the highest they had ever seen, the "Dr" said

11. He was booked in for blood tests and prescribed medication, he thought, for high blood pressure to lower it
12. This officer immediately took said prescription and drove home, on the way he started having chest pains and almost had a heart attack
13. The prescription he was given, was wrong, they had prescribed him medication for Low blood pressure to increase it. This would have killed the average man, luckily this officer has never drunk or smoked and was prior to the bioweapon in peak physical fitness
14. This officer made a formal complaint to the Surgery about the Dr, Immediately returned to return the wrong drugs and get correct ones
15. The DR was not happy about his complaint and threatened the officer with "perhaps you need a stay in a special hospital (psych ward)", the military had to get involved to inform the psychopath pretending to be a DR to sit his Narc ass bac down
16. The Officer went for his blood tests and had a Brain scan due to the excruciating migraines he had been suffering from relentlessly
17. Whilst having the brain scan, one Dr went to get a 2nd and then a 3rd, he asked what was going on and their response was "You will have to wait until your consultant appointment"
18. The next day, the military emailed him his brain scan and blood results with a message "Why the fck aren't you in hospital" The bloods showed he his bloods contained toxic levels of heavy metals and he had a huge brain tumour.
19. The officer, had the best private medical you can afford and immediately contacted them
20. He was rushed, by them to London for immediate blood detox as his bloods were too toxic for them to be able to operate / treat his tumour
21. The Dr at the private hospital informed the Major of the following: 1. He confirmed that this was a bioweapon side effect, turbo cancers as a direct result of the bioweapon are a proven fact with material evidence from studies around the world 2. That he had seen 22 other patients with the same side effect in the last month and months leading to that one 3. That private hospitals knew it was lethal from the start and mandated their staff NOT to take it and prescribed them all Ivermectin instead
22. All of the above evidence / whatsapp's / scans were shared on my social media platforms at the time, everyone tagged in, and included in the War Diaries to 1000's of people / corporations
23. This officer went on to have intense and aggressive treatment for this tumour
24. Whilst undergoing this treatment, which made him so violently ill, to the point his poo was white and I have photos, the Adoption Agency "Social Worker" psychopath calls him to say in a smug voice that his children, scream for him nightly and have done for the year and a half since they were taken based on lies and are not settling with the adoptive parents and is their anything he can suggest to settle them, to add further insult to corporate murder/manslaughter and trafficking

If this is how they treat the best of the best whilst employed, make no mistake they will do it every single one of you satanic bottom feeders.

You are all mentally disturbed individuals who need psychiatric help.

The Open Letter (also attached)

Dear Reader,

This is my open letter, as a policeman, today in the United Kingdom and Northern Ireland. I have over 20 years service, and as a ranked detective I am a professional investigator. I pride myself on being able to independently gather and assess information, establish its credibility and provenance, and provide a conclusion based upon the facts. No less than what you would expect of me professionally. Being a police officer makes you cynical and skeptical for obvious reasons, good news isn't something you're employed to deal with on a daily basis. I was told when I joined we form part of a Tripartite system of governance along with Central and Local Government, but it was emphasised that we were "independent". I was also told that if you were given an order that was unethical or unlawful that we could not only resist the instruction, but we had a DUTY to not comply with that instruction. Most importantly, and the primary reason why officers in the UK are not armed, is that we police by the CONSENT of the people. I am keen on reading military history, global policing techniques (books on FBI cases studies, etc) and geopolitics, so it was very easy to piece together and see the dark side of history repeating itself over the last 19 months. Perhaps you reader do not see it, so let me help guide your path. My first warning was the use of endless propaganda across every media format, death tolls being used as a nightly metric on the news ... The news channels who suddenly ubiquitously meld into the one voice of the government, with very few minor, if not hidden exceptions. I applied my training in a serious manner having spent hundreds of hours delving into the COVID - 19 "pandemic" and could hear Churchill's words in my mind, "Never let a good crisis go to waste". I established beyond doubt that the PCR test is not designed to detect disease and was enormously open to fraudulent abuse when used at cycles higher than an upper limit 30. Numerous F.O.I requests regarding PCR testing in the UK confirms they are using cycles as high as 45 which highly skew results in favour of a positive result. I established that Asymptomatic Spread not only defies conventional and long settled science (and lets not forget common sense!), but is totally unproven. In fact in a very recent CDC document (April 2021) a study entitled - Analysis of Asymptomatic and Presymptomatic Transmission in SARS-CoV-2 Outbreak, Germany, 2020 - it can be summarised as quickly as - "In conclusion, our study suggests that asymptomatic cases are unlikely to contribute substantially to the spread of SARS-CoV-2." https://wwwnc.cdc.gov/eid/article/27/4/20-4576_article I established that through endless peer reviewed studies that lockdowns and masks are highly damaging to society and individuals. Some 37 studies defying masking alone. Let's not miss the emphasis on what Peer Reviewed means, because these studies have withstood scrutiny applied from scientific strangers, to poke and prod and fault find the results. These are NOT benign interventions. Increased unemployment Increased domestic violence Increased child abuse Increased alcohol and drug consumption Increased deaths as a consequence of the withdrawal of critical health services The mental torture of separation from friends and family The mental health consequences of these stressors, ultimately, and pretty obviously, a very predictable a large rise in suicide SUICIDE !! especially in young people who know the future is looking pretty bleak. With the propaganda machine in full flow, death metrics became normalised for daily consumption. Endless "worry". The gross skewing of positive (highly unreliable) tests being transformed into "cases", a different meaning entirely. The deaths being counted by national statistical offices as COVID 19 Deaths which were, for among other reasons, trauma based WITH a positive test in the preceding 28 days. Or as unbelievable as this sounds, Irish whistleblower nurses swabbing dead bodies for test results. Just obscene. The endless Censorship, which is NEVER a component for Democracy. The end of debate. The national death rate barely wavering in 5 years and UK undertakers repeatedly proving that they are no more busy than ever, despite the world being in a "Pandemic". Some even report less so. The public being convinced by and large that Healthy people were actually sick and spreading disease. Hancock and his fake tears on the news followed by his predictable staged exit now. We know that Midazolam, a strong sedative used in anaesthesia which acts as a respiratory depressant,

was used on our most loved parents and grandparents when they were most vulnerable as they were suffering from respiratory complications. Midazolam use and death in the elderly during Covid 19 has a direct correlation which proves beyond all shadow of doubt that they were essential euthanised by unwitting care home staff.

<https://bnf.nice.org.uk/drug/midazolam.html#cautions> Midazolam's product warning for the elderly includes "Prescription potentially inappropriate -Elderly with acute or chronic respiratory failure"

The psychological warfare, use of behavioural scientists such as SAGES Susan Mitchie to create division in society, to create fear in society, to implant slogans and inaccurate "scientific" beliefs.

To censor debate and essential grease the wheels for authoritarianism. Importantly, the cover ups from the media who refuse to highlight incidents and protect the public from endless vaccine deaths and injuries. Now everyday people are willing to look the other way as it's too uncomfortable for their first world cosseted lives.

There are families of the dead and injured pleading to be heard, so have the basic humanity and decency to listen! Do you think they are making it up? That they are liars? On what grounds? The Government are pushing the vaccination age lower and lower for young and healthy people at such an enormously low risk its negligible. Thus the vaccine, even if I am to be generous enough to factor in some perceived "benefit" is still MUCH MORE dangerous than getting Sars-Cov-2. For reference Brian Brindles Infection Fatality Rate IFR, (the deaths divided by the number of people regardless of whether or not they have symptoms themselves) which is essentially, the chance of death if you get the virus.. Age 0-4 0.003% 5-9 0.001% 10-14 0.001% 15-19 0.003% 20 -24 0.006% And on and on You don't even hit a 1% chance until 65-69 where it is 1.075. Most noteworthy is that in young people the risk of death from Sars-Cov-2 is FAR LESS than that of Influenza. If you have had to close your business in the last 19 months how could you not be absolutely livid about this!?

COVID 19 is a disease, you don't catch diseases, much like you don't catch cancer. I could go on and on, but many will already nodding along and aware of these foregoing facts and figures. The motive? It's all for two things. Money and Power. These companies are making billions. Do you know who they are? The Bill and Melinda Gates Foundation have established a monopoly across the Media, Health Organisations, Vaccine development and Digital Identification programs. In 2020 the BMGF gave \$79 million to the Imperial College in London who have reported mindless nonsense of 40 million worldwide deaths if COVID19 is left unchecked. Remember the 98% recovery rate? Gates influence is far too pervasive. Despite being proclaimed as a kind philanthropist he has DOUBLED his personal fortune and publicly stated his return on vaccines is the best investment he ever made with a 20 to 1 return. The conflict of interest is undeniable. The BMGF conducted vaccine trials in India and Africa which violated the consent of children who were exposed to and damaged by their trials. These countries are selected plainly because of a less strict regulatory atmosphere which in essence means that the impoverished people of the third world become guinea pigs. There was an absence of consent or recording of side effects and or deaths in both cases.

<https://economictimes.indiatimes.com/industry/healthcare/biotech/healthcare/controversial-vaccine-studies-why-is-bill-melinda-gates-foundation-under-fire-from-critics-in-india/articleshow/41280050.cms?from=mdr>

Johnson and Johnson cannot even make talcum powder without including asbestos for goodness sake! In fact they KNEW for decades!

<https://www.reuters.com/investigates/special-report/johnsonandjohnson-cancer/> Tis this not the most obvious global criminal conspiracy, and not one without a deluge of evidence? Have you been so desensitised that you cannot even conceive the blindingly obvious? Back to policing and the whole point of my letter I swore an OATH. An oath to protect people and uphold their rights.

To unite the community and to protect and serve the people. I am a PUBLIC SERVANT. And I am proud to be one in that sense. Our principle commitment is to protect and preserve life above all other considerations. I have waited a very long time. I am waiting for a Chief Constable, or a

General Secretary of a Police Federation, or perhaps even a member of the HM Inspectorate of Constabulary to raise their voice. Are they too naive to see where this goes? Are they too unwilling to put their head above the trenches they know they will have it shot off? Are they cowards?, more interested in their big salaries and perceived legacy? I can tell you that there are very many police officers at a range of ranks who greatly fear being used as the governments iron fist. We were neutered in the 1980's, we can't strike and we get treated like dirt by our various forces. The frightening fast cataclysm we have been experiencing has undermined our democracy in a massive way. If you don't see that yet then perhaps as Orwell suggested you're waiting for "a boot on your neck" before you realise. The authorities NEED the police to enforce their plans. They need the armed forces if that's not enough. WE ARE THE PEOPLE. Police and Soldiers alike. It's our mums and dads, brother and sisters, sons and daughters who will suffer. This isn't an elite occupation, its composed of the working and middle classes who are prepared to do the dirty work and deal with dead bodies and violence for a living. I for one will never betray the people of the UK and Northern Ireland. On a moral Basis, and due to my sincerity when taking the oath of office of constable I WILL NOT ENFORCE CORRUPTION I WILL NOT FACILITATE SOCIAL TORTURE I WILL NOT STAND BY AS DEADLY VACCINES GET PUSHED ON KIDS We need a #METOO movement for the police and soldier who do not want to be transformed into modern day nazis. Read - Ordinary Men (by Christopher Browning) about how in 1942 Germany, average German men, a reserve police battalion, who were not evil fanatics, got caught up in the wheels of authoritarianism by being brow beaten and lied to and ultimately, through psychological stress, they conform and defer all decision making to authority, ultimately participating in genocide. I will conclude with John Stuart Mill's 1867 inaugural address at the University of St Andrews "Let not any one pacify his conscience by the delusion that he can do no harm if he takes no part, and forms no opinion. Bad men need nothing more to compass their ends, than that good men should look on and do nothing. He is not a good man who, without a protest, allows wrong to be committed in his name, and with the means which he helps to supply, because he will not trouble himself to use his mind on the subject" THIS IS OUR COUNTRY. I appeal to ALL Police OFFICER and SOLDIERS to draw a line in the sand and decide which side of history you wish to stand on. Thank you for reading. Love and Respect to all.

This is not a negotiation, it is a unrebutted statement of fact. Each and every email and social media post sent to 100,000s of individuals/corporations is an unrebutted affidavit of Truth. Truth is Sovereign in Commerce. Unrebutted Truth is Judgement and Law in Commerce. Each and every legal commercial lien against all named enemy combatants filed stands in law. This is a FACT. It is to be returned to the people as outlined in the terms of the liens all in default.

I having nothing to prove to any of you for I have already proven it all day everyday for 4 years with material evidence which proves and continues to prove my innocence and their guilt beyond ANY reasonable doubt, served in hard copy/hard drive to 600 individuals, agencies, countries, military's, courts, honourable Judges, press, celebrities and influencers in the event you continue to persecute me to death, an innocent, for speaking the truth and exposing crimes and criminals, it can be released howsoever they choose and all will be exposed REGARDLESS.

I neither require your approval nor permission.

1. All Laws have been broken
2. All Universal Laws, All Spiritual Laws, All Laws (Land / Air /Water) - please see Anti Chemtrails Bill - Tennessee
3. All Frauds and Trafficking of humans - commercial exploitation by way of frauds have been proven with material evidence
4. All Treasons / Conspiracies / Trafficking / Torture / CIDT / Frauds / Genocides / war Crimes / SRA / Crimes Against Humanity and all other crimes occurring here have been proven with material evidence
5. Because they have been proven, and decided upon by jury's of reasonably minded peers in full knowledge of the facts and guilty verdicts decided upon that you neither have the power or authority to overturn, the ignoring of that material evidence and those verdicts is further breaking the law and a crime, in and of itself.
6. Unbeknownst to you, either by choice or by ignorance, as you only believe the hearsay of genocidal zionist MSM, "Through deception thou shalt wage war" who are financially incentivised to hide all truth from you, 100's of millions of people around the world are taking to the streets in all countries protesting all crimes and have been for 1506 days.
7. You neither have the eyes to see, nor the ears to listen, nor the inclination to seek out the truth for what that may mean for you, thereby defining your selfishness, evil and greed above all of humanity.
8. You have enabled 1000+ strong network of proven convicted criminals and associates (Wayne Walker (Walker's / Mackintosh's), Sam Evanson), proven pathological liars with decades of criminal records/convictions/prison sentences, MAPPA's, rapists, murders, fraudsters, sexual offenders, deviants, dissociative delusional crack heads and drug trafficking war lords of the streets protected by the corrupt system, corrupt officials up to and including many judges, police, ss, cafcass, everyone in between named in the War Diaries to the house of lords intentionally, maliciously, knowingly, viciously, relentlessly attack, slander, defame, deceive, commit frauds against me and in my name whilst simultaneously allowing them to kidnap/steal my property, children, trusts, inheritance, creative expression by way of emails / documents / social media posts to use and abuse for themselves to financially or otherwise benefit from them contradicting therefore the very essence / nature of their slander from the get go as it was for money and clout all along.
9. You have made the Truth a Crime, as per the many many many thousands of innocents rotting in prison, scapegoated for exposing your crimes past and present.
10. You have slaughtered, slandered, sacrificed, enslaved, and destroyed any and all anywhere who dare to expose you and the truth
11. You want me to feel sorry for you, show you empathy, or mercy or pity when you have shown me and the rest of the world NONE.
12. I have begged for help for 4 years, I have put myself and my life at risk to try to help others, especially women and children and provided you everything you need to ensure they are all brought to justice and have been ignored, as have many thousands of others across the country and millions around the world.
13. You clearly want to ignore me till, I assume, you think I will give up or die but neither will, i'm pureblood and unless by nefarious means, will most certainly die long after any injected with a court proven gene editing bioweapon
14. You clearly do not know me, despite the lengths I have gone all day every day to ensure my protection from all of you
15. My unbrebutted verified statement of account, non negotiable unilateral contract terms are for all my lawful property to be returned to me immediately in the exact manner and order

as previously outlined in writing so that I can leave

16. Continuing to refuse to enforce the law is not only further evidence of your conspiracy to commit crimes against humanity but also a blatant attempt to keep me hostage in a place and around people I despise for what they have done, torturing, abusing, sacrificing my sons health/mental health/spirits/souls, to cover their own crimes, as further and continued evidence of your torture/CIDT over years
17. The Cestui Que Vui Trust has been given out before with access via an associated card so it can and has been done for those that have successfully completed the process. You can issue it to me, but refuse
18. Corporate Denial of proven fact is a Crime and all those engaged in it are both personally and publicly liable in their public and private capacities as individuals and corporations
19. I have challenged all 12 presumptions of law as per attached letter to lady Chief Justice included in the bundles in everyone's possession, this challenge is unrebutted and stands as fact and judgement in law and commerce.
20. I am no more or less important than all other innocents here for all are equal under the law, no one is above the law and there are no special privileges, any abusing these or weaponising the law for their own gain are criminals.

These are well known to Royals, Freemasons, Secret Societies and Kabbalah Crew and have been since the time of Solomon.

Attached are the 44 Keys, Seals, Pentacles of King Solomon (Upon which Freemasonry is built) of Communication and Divination with Angels and Demons for power, control, manipulation, money, success etc.

The Oration below is to activate all seals and conjure the power of all planetary spirits against all enemies of We The People whom have used them for evil for thousands of years.

O ADONAI most powerful, EL most strong, AGLA most holy, ON most righteous, the ALPHA and the OMEGA10, the Beginning and the End; thou who hast established all things in thy Wisdom; thou who has chosen Abraham thy faithful servant, and hast promised that in his seed shall all nations of the earth be blessed, which seed thou hast multiplied as the stars of Heaven; thou who hast appeared unto thy servant Moses in flame in the midst of the Burning Bush, and hast made him walk with dry feet through the Red Sea; thou who gavest the Law to him upon Mount Sinai; thou who hast granted unto Solomon thy Servant these pentacles by thy great Mercy, for the preservation of Soul and of Body; we most humbly implore and supplicate thy Holy Majesty, that these pentacles may be consecrated by thy power, and prepared in such manner that they may obtain virtue and strength against all spirits, through thee, O Most Holy ADONAI, whose Kingdom, Empire, and principality, remaineth and endureth without end.

These words being said, thou shalt perfume the pentacles with the same sweet scents and perfumes, and afterwards having wrapped them in a piece of prepared silk cloth, thou shalt put them in a place fit and clean, which thou mayest open whenever it shall please thee, and close it again, at thy pleasure and according unto thy will. We will hereafter show thee the method and manner of preparing the aforesaid place, of perfuming it with scents and sweet odours, and of sprinkling it with the water and watersprinkler of magical art; for all these things contain many good properties, and innumerable virtues, as experience will easily teach thee. We have already said sufficient regarding the solemn conjuration of spirits.¹¹ We have also spoken enough in our present Key, regarding the manner in which it is necessary to attract the spirits so as to make them speak. Now, by divine aid, I will teach thee how to perform certain experiments with success.

Know, 1 O my Son Roboam, that all the Divine Sigils, Characters, and Names (which are the most precious and excellent things in Nature, whether Terrestrial or Celestial), should be written by thee each separately, when thou art in a state of grace and purity, upon virgin parchment, with ordinary ink, in the beginning of the month 2 of August before sunrise, raising thine eyes unto heaven, and turning towards the east. Thou shalt preserve them to suspend from thy neck, whichever thou wilt, on the day and hour wherein thou wast born, after which thou shalt take heed to name every day ten times, the Name which is hung from thy neck, turning towards the East, and thou mayest be assured that no enchantment or any other danger shall have power to harm thee.

Furthermore thou shalt vanquish all adversities, and shalt be cherished and loved by the Angels and Spirits, provided that thou hast made their characters and that thou hast them upon thee; I assure thee that this is the true way to succeed with ease in all thine operations, for being fortified with a Divine Name, and the Letters, Characters, and Sigils, applicable unto the operation, thou shalt discover with what supernatural exactitude and very great promptitude, both Terrestrial and Celestial things will be obedient unto thee. But all this will only be true, when accompanied by the Pentacles which hereinafter follow, seeing that the Seals, Characters, and Divine Names, serve only to fortify the work, to preserve from unforeseen accidents, and to attract the familiarity of the Angels and Spirits p. 47 which is one reason, my Son, that before making any experiment, I order thee to read and re-read my Testament, not once only but many times, so that being perfectly instructed In the several Ceremonies thou mayest in no way fail, and that thus what shall have previously appeared to thee difficult and lengthy, may become in process of time easy and of very great use.

I am about to endow thee with many secrets, which I charge thee never to employ for an evil purpose, for ACCURSED BE HE WHO TAKETH THE NAME OF ALMIGHTY GOD IN VAIN; but thou mayest without any other ceremonies make use of them, provided that, as I have already said, thou hast only the Glory of Eternal God for thine object. Thus, after having taught thee all the Ceremonies which concern the manner of performing the Operations, I am at length determined to make thee a partaker in the secrets of which I have particular knowledge, unknown to this day unto the generality of men; but, nevertheless, only on the condition that thou attemptest not the ruin and destruction of thy neighbour, for his blood will cry for vengeance unto God, and in the end thou and thine shall feel the just wrath of an offended Deity. However, God not having forbidden honest and lawful pleasures, thou mayest perform boldly the Operations which follow, it being

always especially necessary to distinguish between the good and the evil, so as to choose the former and avoid the latter, which is why I command thee to be attentive to all that is contained in this my Testament

May they descend upon all the evil doers knowingly, intentionally, maliciously engaged in diabolical deeds against all innocents, of all nations, past and present.

There is no place for them in New Earth.

How is it over there in the hellfire of humiliation and shame? Are we enjoying ourselves in the cesspit of lies, frauds and crimes you created and continue to create and spread like the disease you are? Trying to blame everyone else for your own crimes. Clutching at straws, thrashing out like irrational desperate dying animals.

You seen all the new court cases around the world? LOL

Even more evidence I have always been telling the truth. Awkward.

It is not looking good for you.

Not Stuck up, Not arrogant, Confident and Factual as per every piece of written evidence provided to you ALL over 4 years and have ZERO empathy or pity or mercy for DEGENERATES engaged in genocides / child kidnap/ Trafficking / torture / CIDT / Crimes Against Humanity / Treason / Conspiracy / Fraud against me and everyone else EVER.

You may remember, or probably not as you conveniently seem to be suffering from a labotomy, that i informed you many months ago about the financial crisis looming in China due to Evergrand well it looks like the ripples of that debt disaster are now being felt as many state corporations are bankrupt, cannot afford to pay officials and Chinese people are taking to the street in mass protests, unstopped, which is practically unheard of over there.

Yikes

Then we have the XRP / SEC Settlement coming, again, informed you many months ago, that is looking at potentially 1000-3000% increase along with various other coins that are going to the moon making millionaires, billionaires, trillionaires. Do rich people pay taxes?

Then we have the Copenhagen Stock Exchange fire, the falling of the famous spire yesterday and destruction of 400 years of trafficking.

We were told at the start all the satanic landmarks would be burnt to the ground, so looks very much like the dominoes are tumbling all around you.

If you refer to my posts from yesterday on twitter you will see all the proven negative impacts of sexualising children from 3, if they weren't obvious, in that only paedophiles sexualise children at 3. Which means you are committing and have committed crimes against generations of children, upto and including all 12.7 million currently in the UK and clearly are talking gibberish when it comes to "safeguarding" "Wellbeing" and "best interests" in that you provably know less than zero about those subjects.

What does sexualising children from 3 do?

- increases incest
- increase child on child abuse / rape / aggression / violence
- increases underage sex
- increases unprotected sex / STD
- increases abuse by paedophiles
- increases online abuse / sexualisation
- increases unwanted pregnancies / abortions
- increases young single mothers classified as breeders ripe for state sponsored child trafficking/ forced adoption/ PLO proceedings/ trafficking through the slave system into the hands of profiteering abusers by way of Fraud
- Increases depression / mental health / health issues
- increases suicide
- increases likelihood of addiction and crime
- increases negative life outcomes

All of which funnel nicely into all of their other trafficking and commercial exploitation of human/children schemes.

So I spotted a note up in my local shop saying someone needed help typing letters

So I called up and 78yr old David who was lovely

Went to meet him yesterday, just before I left he called me to let me know he was Jewish and would that be an issue

I thought, this is odd, and obviously no issue. My issue is with genocidal zionists and the two are not the same

So off I went to meet David

The first thing he told me was he used to work for the MOD in security on the Salisbury Plains where they have all their weapons and even had a huge security map laid out there to show me

I thought, this is Odd

He went on to discuss other things and made reference to Beirut

Anyway I came home and its been playing on my mind

Currently engaged in a deep dive into Salisbury Plains not far from Porton Down where they

conducted Nerve/ chemical agent tests on military for decades after ww2

You may remember the salisbury poisonings.

A gentleman by the name of John Ap Evans said it was a conspiracy of lies, they called him a "Conspiracy Theorist"

Yesterday I suggested to the world the following:

So if this was We The People v The Demons - End Times the movie 🎬

What would be next?

Well, the first thing we know about the treasonous Traitors is they are all cowards, all corrupt, all criminals, will never stop lying, will never enforce the rule of law and will not hold themselves accountable

So a co-ordinated John Ap Evans on Cops, Courts, Councils, Big Pharma & Associated Corporations Participants in Genocide will have 1,000,000 of them on the streets having been evacuated

It would be all over the News and Social Media

Remembering there are 67 million of us and only 155,000 police of which 5000 are armed and 138,000 military (some are abroad) How many of them are sick / seriously injured from bioweapons signed off or incapacitated

People would come to nose / film like they always do, huge crowds would form

They would be completely surrounded

The Government would be triggered into a bunker and the locations of those are known, whilst in there, they could be sealed in / bombed in / their families and children would be taken hostage/and or killed unless/until they agree to face trial

Whilst pandemonium ensues on the streets

Other individuals could hijack mainstream media / radio / anonymous as they would have no one to call and no protection

Simultaneously the masses can citizens arrest all traitors

Hold court de jures on the streets and enforce the sentences for the crimes probably commit with material evidence in accord with the law of war for all the war crimes/ genocides/ crimes against humanity/ trafficking / paedophiles

Get the Judge who they fired for putting in a Claim to the ICC - Nuremberg - to oversee proceedings

Remember the movie Live Free or Die Hard

You cursed yourselves contracting with the devil.

Remember that.

Ignore my claims / my cases / my formal complaints / my liens / my evidence, refuse to return what is lawfully mine, including my children, my trusts, my mothers and attack me 24/7/365 for years for being innocent and speaking truth, then guess what, it's all boomerang'ing back round to you and there is absolutely nothing you can do to stop it because its not me, there is an gargantuan army of bravehearts of biblical proportions from all corners of the globe coming for your kind.

Ps. Note both the inverted pentagrams (symbol of satan - baphomet worship) and the normal pentagrams above them on the walls in the offices of the Military in the US - Check Defence Now

Sue Carr d.b.a Lady Chief Justice

It says to write to you if one requires immediate assistance. Well We The People need immediate assistance. We Need you to all stop what you are doing, everything is inverted, everything is wrong, everything is satanic ritual abuse, everything is corrupted, everything is criminal, everything is fraud, everything is insidious, everything is malicious, everything is BONDAGE, SLAVERY, TRAFFICKING, TORTURE, RAPE, WAR, POISON, SLAUGHTER AND SACRIFICE for money. They have been at war with us for generations, thousands of years.

I ask you all kindly to do your duty and stop this nonsense NOW in accord with the law of war and hold all those who are fully CONCIOUS of what they are doing/have done accountable to full extent of the law and return to the people all trusts, lands, assets, moneys stolen from them by way of fraud and piracy as per the Liens/Debtor Statements/Non judicial Asset Strips I have already filed with the UCC.

This cannot go on a second longer, billions of people are suffering as a direct result of a very small group of very narcissistic psychopathic individuals who INTENTIONALLY planned and executed multiple concurrent genocides/wars and mass frauds for their own pleasure and gain to enslave and mass murder innocents. Stop them, stop them immediately. THIS IS NOT A FCKING JOKE.

I find it offensive that anyone would think that slavery / trafficking / genocide of humanity is in anyway funny, it is about the furthest you can get away from being funny.

Now as a lot of people are complicit in these proven beyond any reasonable doubt crimes against humanity, I suggest those who were not conscious of the fact they were part of a satanic cult, top down, enabling their crimes step out of the shadows with absolute confidence and speak their TRUTH. You have nothing to fear, no weapon formed against you will prosper.

The documents contained within the bundle have already ensured your freedom and protection as FRAUD NULLIFIES ALL. All contracts, all signatures, all oaths, all orders, all laws, all decisions, EVERYTHING from the moment the Fundamental fraud upon which all other frauds are based occurred which in this case is 1666 when they enslaved humanity and took the trans atlantic slave trade mainstream with the BIRTH CERTIFICATE.

You have always been under the dominion of the Devil and his Demons from the second you were born.

It is time to wake up from our slumber.

It is time to lift the veil, it is time to free ourselves, it is time to heal, it is time for JUSTICE to not only be done but be seen to be done. NOTHING LESS WILL SUFFICE. Abundance is already ours, it is our birth right. This place is heaven, they made it hell.

You are the breakers of chains, you are the breakers of generational curses, torture and abuse, you are the one you have been looking for, you are the ones who will bring prophesy and the creators plan to fruition, STAND IN YOUR POWER IT IS YOURS AND YOURS ALONE, NO ONE CAN TAKE IT FROM YOU, NOT NOW, NOT EVER AGAIN. BE BRAVE, ACT WITH NOBILITY, HONOUR AND VALOR, THIS IS YOUR DESTINY.

You are a spiritual being, know your worth, refuse to allow any person, place or thing outside of yourself to affect, manipulate or control your mind, your thoughts, your emotions, your actions, your reactions, your choices, your voice, your soul. Visualize you are surrounded by a protective force field of light that repels all negative / dark / forces at all times. Remind yourself that you are surrounded by angels and the universe, which always have your back. Always follow your intuition, pay attention to the signs, numbers, symbols, synchronicities. Let go of the past, let go of anything that does not serve your highest self. Forgive yourself. Forgive yourself for not knowing what you did not know until you knew it, forgive others for the same. We are all sinners here, who are we to Judge others when we know not their battles or struggles. Do not allow religion or race or anything to divide us. Remember Nothing has dominion over you. Any attempt to enslave, torment or torture your soul will fail magnificently as you are conscious and aware of your surroundings, of the spiritual battle we are in, that you have the power of the creator within you, that you are limitless, there is no limit to the imagination, thoughts turn into things, you have the power to see and feel the spirits of those who surround you as demonstrated by their actions not words and by their energy. Fight the good fight, be on the right side of history and the beginning of our story.

I am what the CIA refer to as a Third Eye Spy, a Mentalist with ESP off the charts, it is both a blessing and a curse, once you see, you cannot unsee.

I would also, as a dual citizen with America, thanks to my UCC, who has rescinded all association to the pedo slave epicentre of the universe, who has cases that prove criminal chain conspiracy to the house of lords following criminals kidnapping my children in 2020 for TELLING THE TRUTH and reporting all crimes against me, my mother and quite literally all innocents everywhere, whom I have not seen since as they sacrificed, tortured and abused my children to cover their own crimes, ask for you to please come and remove me from this evil place with immediate effect, I want to come home. My plan has always been to move to the city of angels, LA, there is someone very important I need to see there. I've only ever been trying to do the right thing and for that they have destroyed my family, my children, my mother, my finances, my reputation, everything for no reason.

I have been attacked 24/7/365 for 4 years for doing this, for decades before by many individuals and honestly I AM DONE HERE.

They are ignoring me, they are refusing to read the evidence against themselves, they are refusing to enforce the law which provably does not exist, they are refusing to return all my property to me, including children, trusts, pay my invoices for copyright infringement, ignoring my valid and lawful claims / UCC Liens against criminal individuals and criminal corporations, constantly deleting my email accounts/social media accounts, they literally think they can fcking get away with all of this that is the audacity of these lot, that is how utterly delusional and bat sh*t cray cray they all are.

They are barbarians for doing this to THE ENTIRE WORLD, billions of souls. It is Grim beyond measure.

Rally the troops, share these messages with others. We need Nuremberg 2 as a matter of URGENCY, burying our heads in the sand when the entire world is in uproar protesting every day is farcical.

If not now, when?

If not us, who?

You came here for this, remember?

“The Ark Project – Emails from Hell to Heaven” (Break the silence, Break the chains) electronic serving to 50 secretaries of State, Militaries, Military Courts, UK Courts, US Courts, UCC Courts, International Courts, Coroners/Courts, Press, Police, Councils, NHS, Private business, all countries diplomats, worldwide book publishers, everyone associated with wikileaks, celebrities/influencers, everything copied on all social media channels as proof and sent via recorded delivery, are all knowingly /

unknowingly complicit in multiple frauds, money laundering, extortion, corruption, satanism, trafficking, trust fraud, tax fraud, securities fraud, slavery, peonage, torture, aiding and abetting Genocide, Terrorism, Torture, CIDT, War Crimes and Crimes Against Humanity to name but a few.

As we can demonstrate the entire system is one of FRAUD and ALL employees of ALL government corporations & associated corporations are knowingly and unknowingly engaged in said FRAUD, participants in TRAFFICING, TRUST FRAUD, TAX FRAUD, SECURITIES FRAUD, SLAVERY & PEONAGE, as per the testimony of retired Judges, retired Securities Traders, and even case law (Scott v Mcneal 154 US 34 (1894) PROVE I AM DEAD OR ELSE <https://supreme.justia.com/cases/federal/us/154/34/>), ALL orders from ALL courts dating back to 1666 are null and void, void ab initio, including ALL relating to children and adults placed in care, foster, adoption, psych units, prisons AND ASSET STEALING VIA COURT OF PROTECTION etc.

If you do not understand the UCC, I suggest you get expert legal advise from the Bar as they are fully aware of this.

This default notice is to inform you, for the 1447th time, I rebut all claims, presumptions, titles and authority on the basis that you are all knowingly/unknowingly participants in a proven serious criminal organisation/network of satanic paedophiles committing the above crimes beyond any reasonable doubt. A criminal, a remorseless soulless entity, who knowingly, intentionally and maliciously commits these crimes HAS NO CLAIM, AUTHORITY, JURISDICTION, POWER OR DOMINION over any soul.

They are responsible for torturing and destroying people's lives, torturing and destroying children's lives, breaking people's hearts, torturing and raping their minds, bodies, souls and finances for THEIR OWN GAIN.

THEY DO NOT COME TO COURT WITH CLEAN HANDS IN ANY CASE, IN ANY SCENARIO, NONE OF THEM DO.

Amnesty from prosecution for misconduct in office, malfeasance, perjury, contempt, use and uttering of false instruments to pervert the course of justice was offered to them all in writing for those who come forward with evidence of all crimes, their refusal of this olive branch of protection and redemption, their refusal of apology, their continued genocide denial and continued trafficking clearly demonstrates to all their mens rea and actus reas for these proven criminal offences.

I formally challenge all presumptions of law and as I have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT. I will recognize the rule of law, when and only when there is the material evidence of, that assumed rule of law has some material evidence of substance in presentable material fact. Until then, the search for the rule of law, that has some credibility in material fact: continues.

Affidavit

Pursuant to 28 USC 1746, I, Francis A. Boyle declare under penalty of perjury that the statements contained herein are true and correct to the best of my knowledge.

I am Francis A. Boyle, a professor of international law at the University of Illinois College of Law. I received an AB (1971) in Political Science from the University of Chicago, then a JD degree magna cum laude from Harvard Law School, and AM and PhD degrees in Political Science from Harvard University.

I have advised numerous international bodies in the areas of human rights, war crimes and genocide, nuclear policy, and bio-warfare. In 1985 I publicly called for and then drafted the U.S. domestic implementing legislation for the Biological Weapons Convention, known as the Biological Weapons Anti-Terrorism Act of 1989, that was approved unanimously by both Houses of the U.S. Congress and signed into law by President George H.W. Bush with the approval of the United States Department of Justice. See my book *Biowarfare and Terrorism* (Clarity Press: 2005).

It is my expert opinion that, 'COVID-19 nanoparticle injections' or 'mRNA nanoparticle injections' or 'COVID-19 injections meet the criteria of biological weapons and weapons of mass destruction according to

Biological Weapons 18 USC § 175; Weapons and Firearms § 790.166 Fla. Stat. (2023).

I hereby certify that the stylistically edited transcript of an interview I had with Stew Peters is a fair and accurate statement of my professional opinion on the matters set forth therein. See the attached Exhibit.

Respectfully submitted by
